## **Robert Browning Selected Poems:**

**Selected Poems of Robert Browning** Robert Browning, 1905      *Robert Browning: Selected Poems* John Woolford, Daniel Karlin, Joseph Phelan, 2013-11-19 Robert Browning 1812-1889 was one of the defining figures of the Victorian age. Famous in his lifetime for his elopement and marriage to Elizabeth Barrett, his critical reputation grew steadily in the years following her early death. Browning's mastery of dramatic verse was evident throughout his career, from such chillingly unforgettable monologues as *My Last Duchess* and *Porphyria* to the mature work included in his collection *Dramatis Personae*. This selection, chosen by leading scholars, reveals the innovation, complexity, and profound psychological insight that have ensured Browning's enduring reputation and his continuing appeal to readers today. **Robert Browning, Selected Poems** results from a completely fresh appraisal of the canon text and context of the writer's work. The poems are presented in the order of their composition and in the text in which they were first published, giving a unique insight into the development of Browning's art. An introduction and chronology offer useful background material, whilst annotations and headnotes provide details of composition, publication sources, and contemporary reception. This authoritative yet accessible selection should become the first point of reference for scholar, student, and general reader alike.

**Robert Browning, Selected Poems** Robert Browning, 1994 This magnificently produced edition includes some of this Victorian poet's most popular works, including *My Last Duchess*, *The Bishop Orders His Tomb*, and *Andrea del Sarto*. 5 1 2 8 1 4 Gramercy

**Robert Browning** Richard Cronin, Dorothy McMillan, 2018-03-01 This volume in the 21st Century Oxford Authors series offers students and readers a comprehensive selection of the work of Robert Browning 1812-1889. Accompanied by full scholarly apparatus, this is the first one-volume fully annotated edition of Browning's poetry. It presents work written across the breadth of his career, from the very first poem he published, *Pauline*, to *Asolando*, the volume that was published on the day that he died. The text chosen is wherever possible the text of the poem as it was first published by Browning himself, and as a consequence, the volume also constitutes a kind of biography that enables students to understand Browning's development over the course of his life. The edition reveals a poet who began as a bold experimentalist and who continued to experiment throughout a writing career of more than fifty years. Browning is best known for his dramatic monologues, and the dramatic monologues are fully represented in this volume, but he was also a narrative poet, a poet of philosophical reflection, and a poet who fashioned an extraordinary variety of lyric measures. This volume reveals Browning as a far more versatile poet than he is often taken to be. There are two important prose items: an essay on Shelley and a letter to Ruskin, which clarify Browning's intellectual stance. The Notes include brief

headnotes to each poem followed by detailed annotation and they assist the reader in developing a full understanding of these masterful poems Explanatory notes and commentary are included to enhance the study understanding and enjoyment of these works and the edition includes an Introduction to the life and works of Browning and a Chronology *Robert Browning* G.
