Robert Emmet And The 1798 Rebellion Vol 1

Paul A. Pickering

Robert Emmet And The 1798 Rebellion Vol 1:

The Unpublished Letters of Thomas Moore Vol 1 Jeffery W Vail, 2020-04-02 Thomas Moore was one of the most prominent authors of the early 19th century This collection presents over 600 previously unpublished letters from numerous libraries archives and other sources worldwide Vail s extensively annotated edition will make available a treasure trove of material which will prove invaluable to any Romantic scholar

Unrespectable Radicals? Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman s seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman s discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison

English Romanticism and the Celtic World Gerard Carruthers, Alan Rawes, 2003-05-15 *English Romanticism and the Celtic World* explores the way in which British Romantic writers responded to the national and cultural identities of the four nations England Ireland Scotland and Wales The essays collected here by specialists in the field interrogate the cultural centres as well as the peripheries of Romanticism and the interactions between these They underline Celticism as an emergent strand of cultural ethnicity during the eighteenth century examining the constructions of Celticness and Britishness in the Romantic period including the ways in which the Celtic countries viewed themselves in the light of Romanticism Other topics include the development of Welsh antiquarianism the Ossian controversy Irish nationalism Celtic landscapes Romantic form and Orientalism The collection covers writing by Blake Wordsworth Scott Byron and Shelley and will be of interest to scholars of Romanticism and Celtic studies

Robert Emmet Patrick M. Geoghegan, 2002 Robert Emmet 1778 1803 was one of the most romantic of all Irish revolutionaries His doomed relationship with Sarah Curran his failed rebellion at the age of twenty five and the brilliance of his speech from the dock captured the popular imagination and created a powerful and enduring legend W B Yeats declared that Emmet was the leading saint of Irish Nationalism This book reveals for the first time the complex and ingenious plans that Emmet devised for the rebellion His youthful idealism and military talent proved insufficient however and his attempt to seize Dublin on 23 July 1803 was a dramatic failure Captured soon after Emmet won an unlikely victory with his extraordinary speech from the dock that is rightly considered to be one of the greatest courtroom orations in history He died bravely on the scaffold the next day

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Lives of Victorian Political Figures, Part II, Volume 1** Nancy LoPatin-Lummis, Michael Partridge, 2021-03-24 Looks at the lives and politics of four of the key players in the independence and labour movements of the 19th century Daniel O Connell 1775 1847 Charles Stewart Parnell 1846 91 Michael Davitt 1846 1906 and James Brontë O'Brien 1805 64 Volume 1 looks at the life of Daniel O Connell **Memoir of Thomas Addis and Robert Emmet** Thomas Addis Emmet, 1915 *A Treatise on Northern Ireland, Volume I* Brendan O'Leary, 2019-04-11 This brilliantly innovative synthesis of narrative and analysis illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State A Treatise on Northern Ireland Volume I provides a somber and compelling comparative audit of the scale of recent conflict in Northern Ireland and explains its historical origins Contrasting colonial and sectarianized accounts of modern Irish history Brendan O'Leary shows that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism The British state incorporated Ulster and Ireland into a deeply unequal Union after four reconquests over two centuries had successively defeated the Ulster Gaels the Catholic Confederates the Jacobites and the United Irishmen and their respective European allies Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end aside from a shrunken rump of British authority baptized as Northern Ireland Home rule would be granted to those who had claimed not to want it after having been refused to those who had ardently sought it The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland In the long run the invention proved unfit for purpose Indispensable for explaining contemporary institutions and mentalities this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland William Wickham, Master Spy Michael Durey, 2015-10-06 A biography of William Wickham 1761 1840 Britain's master spy on the Continent for more than five years during the French Revolutionary wars It follows Wickham's career to narrate the rise and fall of his secret service community The Encyclopedia of Romantic Literature, 3 Volume Set Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging

scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities [The Cambridge Modern History](#) ,
