

A close-up, black and white portrait of Robert F. Kennedy, looking slightly to the left with a serious expression. He is wearing a dark suit jacket over a white shirt.

WINNER OF THE NATIONAL BOOK AWARD

"Exceptionally important, one of a handful of books that anyone who cares for the politics of the 60s must read." —*Washington Post*

ROBERT F. KENNEDY

ROBERT KENNEDY AND HIS TIMES

ARTHUR M. SCHLESINGER, JR.

Robert Kennedy And His Times

Mark Steyvers

Robert Kennedy And His Times:

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life **Robert Kennedy and His Times** Arthur M. Schlesinger, 2012-07-18 The Pulitzer Prize winning historian chronicles the short life of the Kennedy family's second presidential hopeful Schlesinger's account vividly recalls the forces that shaped Robert Kennedy from his position as the third son of a powerful Irish Catholic political clan to his concern for issues of social justice in the turbulent 1960s **Robert Kennedy and His Times** is a picture of a deeply compassionate man hiding his vulnerability drawn to the underdogs and the unfortunates in society by his life experiences and sufferings Los Angeles Times This fortieth anniversary edition contains not only Schlesinger's illuminating and inspiring portrait of Robert Kennedy but a new introduction by Michael Beschloss in which the acclaimed bestselling author and historian discusses the book's initial reception Schlesinger's thoughts on it and expounds on why Robert Kennedy is still such an important figure today Exceptionally important one of a handful of books that anyone who cares for the politics of the 60s must read Newsweek An absorbing and vividly written study of a gallant and tragic man The Boston Globe A story that leaves the reader aching for what cannot be recaptured Miami Herald An inspiring account of what it was like to be at Robert Kennedy's side and why he and many like him felt that vision and virtue walked with them Business Week **Robert Kennedy and His Times** Arthur Meier Schlesinger, 1996 Schlesinger historian and friend of Bobby Kennedy has had access for the first time to private papers letters and journals which make possible a fresh look at both personal relationships and public events Winner of the 1979 National Book Award for Biography From the Paperback edition [Robert Kennedy and His Times: 40th Anniversary Edition](#) Arthur M. Schlesinger, Jr., 2018-05-08 Private papers letters and journals shed new light on Kennedy family relationships and underlie an account of Robert Kennedy's private and public lives the forces that shaped him and his impact on the United States *Robert Kennedy and his times* by Arthur M Schlesinger Arthur M. Schlesinger, 1978 *Bobby Kennedy* Larry Tye, 2017-05-09 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough The Washington Post NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN's American Dynasties The Kennedys We are in Larry Tye's debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In Bobby Kennedy Larry Tye

peels away layers of myth and misconception to capture the full arc of his subject's life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby's widow Ethel and his sister Jean Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for Bobby Kennedy A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby's life but also the sense of him as a person Los Angeles Review of Books Captures RFK's rise and fall with straightforward prose bolstered by impressive research USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail Michiko Kakutani The New York Times Nuanced and thorough RFK's vision echoes through the decades The Economist

Political Assassinations and Attempts in US History J. Michael Martinez, 2017-11-14 The long dark history of political violence in the United States Violence has been employed to achieve political objectives throughout history Taking the life of a perceived enemy is as old as mankind Antiquity is filled with examples of political murders such as when Julius Caesar was felled by assassins in 44 BCE While assassinations and assassination attempts are not unique to the American way of life denizens of other nations sometimes look upon the US as populated by reckless cowboys owing to a Wild West attitude about violence especially episodes involving guns In this book J Michael Martinez focuses on assassinations and attempts in the American republic Nine American presidents Andrew Jackson Abraham Lincoln James A Garfield William McKinley Harry S Truman John F Kennedy Richard Nixon Gerald Ford and Ronald Reagan have been the targets of assassins President elect Franklin D Roosevelt was also a target shortly before he was sworn into office in 1933 Moreover three presidential candidates Theodore Roosevelt Robert F Kennedy and George Wallace were shot by assailants In addition to presidents and candidates for the presidency eight governors seven U S senators nine U S House members eleven mayors seventeen state legislators and eleven judges have been victims of political violence Not all political assassinations involve elected officials Some of those targeted such as Joseph Smith Malcolm X and Martin Luther King Jr were public figures who influenced political issues But their cases are instructive because of their connection to and influence on the political process No other nation with a population of over 50 million people has witnessed as many political assassinations or attempts These violent episodes trigger a series of important questions First why has the United States a country constructed on a bedrock of the rule of law and firmly committed to due process been so susceptible to political violence Martinez addresses these questions as he examines twenty five instances of violence against elected officials and public figures in American history *Killing Congress* Nancy E. Marion, Willard Oliver, 2014-07-22 Since Congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence Additionally eight members of Congress have died

while serving in Congress in other ways These incidents have taken place throughout the existence of the United States and have a wide variety of interesting causes In *Killing Congress Assassinations Attempted Assassinations and other Violence Enacted on Members of the U S Congress* Nancy Marion and Willard Oliver examine the assassinations and attempted assassinations of members of Congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events Marion and Oliver also look closely at other violent attacks against Congressional members including beatings and bio attacks The book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on Capitol Hill

Conflicting Loyalties N. V. Baker, 1992 Baker provides the first comprehensive analysis of the history and structure of the U S Attorney General She documents how attorneys general have differed in their responses seeing themselves as either advocates of the president or neutral expounders of the law She focuses in particular on Robert Kennedy Edwin Meese Elliot Richardson Griffin Bell Robert Jackson Edward Levi A Mitchell Palmer and Roger Taney

Robert Kennedy and His Times. Illustr. with Photogr Arthur M. Schlesinger, Robert Kennedy, 1978

The Kennedys: America's Emerald Kings Thomas Maier, 2009-03-25 Meticulously researched both here and abroad The Kennedys examines the Kennedy s as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy s arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK s pioneering campaign for president rested on a tradition of navigating a cultural divide that began when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe Kennedy s tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier s original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country s foremost political dynasty

Legacy of Secrecy Lamar Waldron, Thom Hartmann, 2009-03-01 This painstakingly researched follow up to *Ultimate Sacrifice* draws on explosive new material from the National Archives to piece together the puzzle of JFK s assassination *Vanity Fair* A riveting take on the assassination itself and the devastating results of government secrets Publishers Weekly John F Kennedy s assassination launched a frantic search to find his killers It also launched a flurry of covert actions by Lyndon Johnson Robert F Kennedy and other top officials to hide the fact that in November 1963 the United

States was on the brink of invading Cuba as part of a JFK authorized coup The coup plan s exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy s assassination a legacy of secrecy that would impact American politics and foreign policy for the next forty five years It also allowed two men who confessed their roles in JFK s murder to be involved in the assassination of Dr Martin Luther King in 1968 Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now *The Presidency of John F. Kennedy* James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot s kingdom *Robert Kennedy and His Times* Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,Rh Value Publishing,1988-12-12 **Robert Kennedy** Brian Dooley,1995 Concentrating on Kennedy s Senate years and his 1968 presidential bid Dooley examines his shift from conservative Democrat to anti Vietnam war radical Using interviews with key members of Kennedy s staff and his political opponents Dooley examines Kennedy s involvement in civil rights the New Left and foreign policy and analyses the 1968 presidential campaign with its tragic end in Kennedy s assassination *The President Shall Nominate* Mitchel A. Sollenberger,2008 A comprehensive and path breaking study of what happens behind the scenes before presidents publicly

announce to the Senate and thus the nation their nominees for federal positions **Everett Dirksen and His Presidents**
Byron C. Hulse, 2000 He was as recognizable by his mellifluous voice as by his rumpled appearance Everett McKinley
Dirksen was one of the most colorful American politicians of the twentieth century and was considered by some the most
powerful man in Congress Now Byron Hulse takes a new look at the senator from Illinois to show how his interactions with
the White House made him a pivotal figure in American politics during the Cold War era Hulse traces Dirksen's
relationships with four presidents to show how the senator shifted from being a major Republican critic of Truman to an
ardent Republican supporter of LBJ Dirksen learned suprapartisan politics from Eisenhower and became Ike's most trusted
confidant on Capitol Hill then as Senate Minority Leader he played a key role in furthering the ambitious goals of the Johnson
administration Hulse analyzes the reasons for Dirksen's dramatic policy reversals telling how the senator who in 1950
warned of the dangers of a leviathan executive came to embrace the power of the presidential office to provide for the social
welfare contain the spread of communism and guarantee civil rights Drawing on primary sources at the Johnson presidential
library and the Dirksen Congressional Center Hulse shows how the senator combined legislative craftsmanship with the
ability to get bills passed He links Dirksen to the issues and events that shaped the 1950s and 1960s and tells how the
Johnson Dirksen coalition moved domestic policy forward through civil rights legislation but ran aground on the
insurmountable problem of Vietnam Hulse also uses Dirksen's career to explore change continuity and conflict in the
Republican Party over two decades He explains how the GOP evolved through internal political and ideological tensions from
the Taft Eisenhower contest through the McCarthy era to the beginning of Nixon administration revealing Dirksen's role in
that process By the time of Dirksen's death in 1969 the Vietnam War the explosion of urban riots and President Nixon's
preference for the politics of resentment put an end to the suprapartisan spirit Hulse's book recreates a Washington milieu
the likes of which may never be seen again offering a lens for viewing postwar American politics while painting the definitive
political portrait of one of our most remarkable leaders **Robert Kennedy and His Times Vol. II.** Arthur Schlesinger,
Robert Kennedy his victories tragedies *Robert Kennedy and his times* Arthur Meier Schlesinger (ml.), 1978 **Robert
Kennedy and His Times** Arthur M. Schlesinger, 1976

The Enigmatic Realm of **Robert Kennedy And His Times**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Robert Kennedy And His Times** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
