Macquarrie,1969-01-15 Letters to Limbo Robert Laird Borden (Sir.),1971 *A Time Such as There Never Was Before* Alan Bowker,2014-08-19 Ottawa Book Award 2015 Shortlisted Between 1918 and 1921 a great storm blew through Canada and raised the expectations of a new world in which all things would be possible The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade promising a world made new But it had cost Canada sixty thousand dead and many more wounded and it had widened the many fault lines in a young diverse country In a nation struggling to define itself and its place in the world labour farmers businessmen churches social reformers and minorities had extravagant hopes irrational fears and contradictory demands What had this sacrifice achieved Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today Finance, Politics, and Imperialism A. Dilley,2011-12-15 Andrew Dilley offers a major new study of financial dependence examining the connections this dependence forged between the City and political life in Edwardian Australia and Canada mediated by ideas of political economy In doing so he reconstructs the occasionally imperialistic politics of finance which pervaded the British World at this time *Across the Aisle* David E. Smith,2013-01-01 David E Smith

argues that Canada has in fact failed to develop such a tradition He investigates several possible reasons for this failure including the long dominance of the Liberal party which arrested the tradition of viewing the opposition as an alternative government periods of minority government induced by the proliferation of parties the role of the news media which have largely displaced Parliament as a forum for commentary on government policy and finally the increasing popularity of calls for direct action in politics The Oxford History of the British Empire: The nineteenth century William Roger Louis, Andrew N. Porter, Elaine M. Low, 1999 To China and Latin America often regarded as central components of a British informal empire

Let the Eastern Bastards Freeze in the Dark Mary Janigan, 2013-08-27 The first big book on one of the most overlooked episodes in Canadian history and the origin of today's greatest national debate *Let the Eastern Bastards Freeze in the Dark* relives the 1918 attempt by 3 premiers to wrest control of their natural resources away from Ottawa and end their role as second class provinces The oil sands Global warming The National Energy Program Though these seem like modern Canadian subjects Mary Janigan reveals them to be a legacy of longstanding regional rivalry Something of a Third Solitude since entering Confederation the West has long been overshadowed by Canada's other great national debate But as the conflict over natural resources and their effect on climate change heats up 150 years of antipathy are coming to a head Janigan takes readers back to a pivotal moment in 1918 when Canada's western premiers descended on Ottawa determined to control their own future and as Margaret MacMillan did in Paris 1919 she deftly illustrates how the results reverberate to this day **Making National News** Gene Allen, 2014-01-31 For almost a century Canadian newspapers radio and television stations and now internet news sites have depended on the Canadian Press news agency for most of their Canadian and through its international alliances foreign news This book provides the first ever scholarly history of CP as well as the most wide ranging historical treatment of twentieth century Canadian journalism published to date Using extensive archival research including complete and unfettered access to CP's archives Gene Allen traces how CP was established and evolved in the face of frequent conflicts among the powerful newspaper publishers John Ross Robertson Joseph Atkinson and Roy Thomson among others who collectively owned it and how the journalists who ran it understood and carried out their work Other major themes include CP's shifting relationships with the Associated Press and Reuters its responses to new media its aggressive shaping of its own national role during the Second World War and its efforts to meet the demands of French language publishers *Making National News* makes a substantial and original contribution to our understanding of journalism as a phenomenon that shaped Canada both culturally and politically in the twentieth century The Railway King of Canada R. B. Fleming, 2007-10-01 During the first two decades of this century Sir William Mackenzie was one of Canada's best known entrepreneurs He spearheaded some of the largest and most technologically advanced projects undertaken in Canada during his lifetime building enterprises that became the foundations for such major institutions as Canadian National Railways Brascan and the Toronto Transit Commission He built a business empire that stretched from Montreal to British Columbia

and to Rio de Janeiro and Sao Paulo in Brazil It included gas electric telephone and transit utilities railroads hotels and steamships as well as substantial coal mining whaling and timber interests For a time Mackenzie also owned Canada's largest newspaper La Presse He accumulated an enormous personal fortune but when he died in 1923 his estate was virtually bankrupt as a result of the dramatic collapse of his Canadian Northern Railway during the First World War In an era when the entrepreneur has come to be seen as a media hero and when struggles about the role of state enterprise in the transportation and energy sectors consume public policy debate it is ironic that Mackenzie is largely forgotten by all but a few historians and railway aficionados He left no papers to guide biographers After a decade of gathering and piecing together fragments from an immense array of sources Rae Fleming has written the first biography of the man that the German press extolled as the Railway King of Canada Mackenzie was wily crafty manipulative and intimidating Starting as a general contractor in Eldon Township in rural Ontario he built a small fortune contracting for the CPR in the Selkirk in the 1880s and then moved on to bigger things Along the way he funded the first full length documentary movie was toasted by the House of Lords received a knighthood from George V and developed close friendships with the major politicians of his day including Borden and Meighen In a business biography intended as much for general readers as for a scholarly audience Fleming offers a revisionist perspective on Mackenzie He dispels the simplistic approach of those historians and journalists who have depicted Mackenzie and his partner Sir Donald Mann as melodramatic crooks who could have stepped out of the pages of Huckleberry Finn

The Power of the Pen Richard Clippingdale, 2012-08-18 Arguably Sir John Willison had more influence on the evolution of Canada's emerging nationalism and public policy shifts than any other journalist had in his time or since Sir John Willison 1856-1927 was the most influential Canadian journalist in the late 19th and early 20th centuries while the country achieved economic growth intellectual maturation and world status With his incisive pen and clear reasoning Willison utilized Toronto's Globe and News his Times of London contributions his many books and speeches and his unparalleled connections with key political leaders to establish himself as a major national figure Uniquely Willison was at the heart of both the Liberal and Conservative Parties as a devoted supporter and good friend of Sir Wilfrid Laurier a first employer early booster and continual admirer of William Lyon Mackenzie King and a close ally of Sir Robert Borden Willison was a major player in the epochal federal political shifts of 1896 1911 and 1917 and articulated highly influential views on the nature and evolution of Canadian nationalism and public policy
