Robert Lewis Dabney The Prophet Speaks:

Robert Lewis Dabney Robert Lewis Dabney,1997 *Robert Lewis Dabney* Douglas W. Phillips,Robert Lewis Dabney,2003-01-25 With remarkable accuracy Rl Dabney predicted the rise of feminism government education and even the children s rights movement His insights are thought provoking **Robert Lewis Dabney** Sean Michael Lucas,2005 This new biography on Robert Lewis Dabney presents Dabney as a representative southern Presbyterian who provides a window into the post bellum southern Presbyterian mind **Building God's Kingdom** Julie J. Ingersoll,2015-07-01 For the last several decades at the far fringes of American evangelical Christianity has stood an intellectual movement known as Christian Reconstruction The proponents of this movement embrace a radical position that all of life should be brought under the authority of biblical law as it is contained in both the Old and New Testaments They challenge the legitimacy of democracy argue that slavery is biblically justifiable and support the death penalty for all manner of crimes described in the Bible including homosexuality adultery and Sabbath breaking But as Julie Ingersoll shows in this fascinating new book this Biblical Worldview shapes their views not only on political issues but on everything from private property and economic policy to history and literature Holding that the Bible provides a coherent internally consistent and all encompassing worldview they seek to remake the entirety of society church state family economy along biblical lines Tracing the movement from its mid twentieth century origins in the writings of theologian and philosopher R J Rushdoony to its present day sites of influence including the Christian Home School movement advocacy for the teaching of creationism and the development and rise of the Tea Party Ingersoll illustrates how Reconstructionists have broadly and subtly shaped conservative American Protestantism over the course of the late twentieth and early twenty first centuries Drawing on interviews with Reconstructionists themselves as well as extensive research in Reconstructionist publications *Building God's Kingdom* offers the most complete and balanced portrait to date of this enigmatic segment of the Christian Right [Kingdom Leadership Institute Manual](#) Rusty Lee Thomas,2009-09 Life is not a playground It is a war zone a clash of worldviews competing for the souls of men and the destiny of nations Fundamentally the crisis of our time is one of leadership The KLI Manual *Raising Up Leaders a Time Like This Demands* is a spiritual field manual designed to train Christian leaders who will not shrink back in the day of battle Are you concerned for this generation adrift on a sea of turmoil with no purpose vision or sense of destiny Do you yearn for God to replace their apathy lethargy and indifference with courage vision and a clarion call to vital service for King Jesus The KLI Manual *Raising Up Leaders a Time Like This Demands* will give you hope for a godly future Rusty Thomas's passionate voice cries in the wilderness of America His message carries a clarion call that challenges our young to advance the Christian faith and the liberty it secures for our nation William J Federer American Minute Bestselling Author America's God and Country Encyclopedia of Quotations *Jesus and John Wayne* Kristin Kobes Du Mez,2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our

understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today s evangelicals might not be theologically astute but they know their VeggieTales they ve read John Eldredge s Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans

The Power Worshippers Katherine Stewart, 2020-03-03 The inspiration for the documentary God Country For readers of Democracy in Chains and Dark Money a revelatory investigation of the Religious Right s rise to political power For too long the Religious Right has masqueraded as a social movement preoccupied with a number of cultural issues such as abortion and same sex marriage In her deeply reported investigation Katherine Stewart reveals a disturbing truth this is a political movement that seeks to gain power and to impose its vision on all of society America s religious nationalists aren t just fighting a culture war they are waging a political war on the norms and institutions of American democracy Stewart pulls back the curtain on the inner workings and leading personalities of a movement that has turned religion into a tool for domination She exposes a dense network of think tanks advocacy groups and pastoral organizations embedded in a rapidly expanding community of international alliances and united not by any central command but by a shared anti democratic vision and a common will to power She follows the money that fuels this movement tracing much of it to a cadre of super wealthy ultraconservative donors and family foundations She shows that today s Christian nationalism is the fruit of a longstanding antidemocratic reactionary strain of American thought that draws on some of the most troubling episodes in America s past It forms common cause with a globe spanning movement that seeks to destroy liberal democracy and replace it with nationalist theocratic and autocratic forms of government around the world

Religious nationalism is far more organized and better funded than most people realize It seeks to control all aspects of government and society Its successes have been stunning and its influence now extends to every aspect of American life from the White House to state capitols from our schools to our hospitals The Power Worshippers is a brilliantly reported book of warning and a wake up call Stewart s probing examination demands that Christian nationalism be taken seriously as a significant threat to the American republic and our democratic freedoms
