Kerr* Anne Hodges Morgan, 1977 Assesses the contributions made by Robert S Kerr to Oklahoma the Democratic Party and national politics **Senate History** United States. Congress. Senate. Historical Office, 1978 Senators of the United States Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works **Senators of the United States** ,1995 *Hearings, Reports and Prints of the Senate Committee on Appropriations* United States. Congress. Senate. Committee on Appropriations, 1966 American Trade and Power in the 1960's Thomas W. Zeiler, 1992 American Trade and Power in the 1960s is a timely examination of the success and failure of United States trade policy under presidents Kennedy and Johnson Assessing a critical decade in postwar economic relations Thomas W Zeiler shows trade policy to be the decisive factor hastening America s economic decline vis a vis Western Europe and Japan By the early 1960s the international commercial might of the U S had begun to diminish as a result of the increased strength of the six member European Economic Community and a persistent balance of payments deficit Believing that America must either trade or fade Kennedy proposed a visionary foreign trade bill as a way to reinvigorate the U S economy and maintain the Western alliance against the Soviet With an astute reading of previously unused documents Zeiler provides a fascinating description of how Kennedy skillfully juggled powerful protectionist interests with his own more liberal trade sentiments to win passage of the bill Illustrating the harsh realities faced by the U S in a world where its economic dominance was no longer assured Zeiler also presents a masterful compendium of the GATT talks known as the Kennedy Round In a narrative noteworthy for its clarity theoretical sophistication and scrupulous attention to detail Zeiler shows how U S trade policy was thwarted by rising EEC integration and Gaullist obstructionism The GATT talks conclusively demonstrated that American hegemony had ended American Trade and Power in the 1960s brilliantly illuminates the roots of America s economic decline **Does People Do It?** Fred L. Harris, 2014-10-22 One of Oklahoma s most famous native sons Fred Harris faced life s challenges with the same resolve as a favorite uncle Does people do it If people does it I can do it In this engaging memoir he describes how he met those challenges head on A child of the Great Depression Harris grew up in the small town of Walters Oklahoma where he was born in a two room house He describes that upbringing and his initiation into state politics and tells how he was elected to the U S Senate at the age of thirty three As he recounts his experiences in national politics he yields an insightful look at the turbulent 1960s and 1970s Earning a reputation as a new populist Harris chaired the national Democratic Party and was a serious presidential candidate Along the way he encountered such giants as Lyndon B Johnson Hubert Humphrey and Robert F Kennedy Enlivening his account with firsthand conversations Harris contributes to our understanding of the motivations and personalities of these figures including the infamous tensions

between Johnson and Kennedy Despite rubbing elbows with such power brokers Harris maintained his own reputation as a down to earth man of the people whose advocacy included American Indian causes Harris accomplished much in his distinguished career championing human rights at home and around the world His masterfully written memoir attests to a philosophical consistency and humane liberalism that today are all too rare Congressional Record United States. Congress,1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Real Making of the President** W. J. Rorabaugh,2009 When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory Rorabaugh cuts through the mythology of this election to explain the operations of the campaign and offer a corrective to Theodore White s flawed classic *The Making of the President* *The Presidency of John F. Kennedy* James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot s kingdom **Public Works Appropriations for Fiscal Year 1967** United States.
