Robert A. M. Stern Robert A. M. Stern, 1997 In over thirty years of practice Robert A M Stern has developed a distinctive architecture committed to the synthesis of tradition and innovation and above all to the creation and enhancement of a meaningful sense of place Inspired by the great legacy of American architecture the firm of Robert A M Stern Architects has produced a variety of building types in a range of stylistic vocabularies The design of houses for which the firm initially gained notice remains a cornerstone of the practice Beautifully illustrated in color this major monograph a companion volume to the best selling *Robert A M Stern Buildings* thoroughly documents more than forty five houses built over the course of thirty years These distinguished houses are located in diverse settings across the United States from San Francisco's Russian Hill to the Rocky Mountains to the Long Island and New England coasts In every case Stern has emphasized the importance of context by exploring the nature of place through houses that embody the region's vernacular architectural heritage as well as gracefully reflect each site's unique natural setting Whether considering classical New York town houses Shingle Style cottages by the sea or Scandinavian log houses as reinterpreted on the American frontier Stern has fostered a strong sense of architectural continuity and connection to the past by participating in the dialogue across time that he believes lies at the heart of architecture

Designs for Living Randy M. Correll, Gary L.

Brewer, Grant F. Marani, Roger H. Seifter, 2014-05-13 In *Designs for Living* Roger H Seifter Randy M Correll Grant F Marani and Gary L Brewer who lead the residential practice at Robert A M Stern Architects present fifteen houses the firm has completed over the past ten years From contemporary interpretations of the shingle style to robust Mediterranean designs the houses are stylistically diverse reflecting RAMSA's deep knowledge of history and precedent Each partner provides insight into the design process and his individual approach to working with clients Houses are located in dramatic settings from Napa and Sonoma to the spectacular coastline of the Hamptons and New England Whether overlooking the ocean or nestled into the mountainside these remarkable houses reveal the architects emphasis on the importance of context and their dedication to exploring the nature of place and environment Each house invokes the vernacular architectural heritage particular to its region while gracefully reflecting its natural surroundings Connecting contemporary lifestyles to traditional American aesthetics these residences are exceptional both for their timelessness and their ability to evoke a conversation with the past a dialogue the RAMSA partners believe lies at the heart of architecture *Open Studio* Robert A.M. Stern, 2018-11-27 *Open Studio* offers a window into the methods and unique culture of an architecture firm that has achieved international success Curated illustrations of hand sketches study models design sessions and site visits pull back the curtain on the creative collaboration behind the scenes at Robert A M Stern Architects Nearly 100 pages of photographs of finished work including academic buildings museums houses apartment houses and office towers demonstrate the firm's ability to realize modern buildings in a wide variety of stylistic vocabularies through a commitment to fundamental principles of architecture and a respect for context and history Founded in 1969 the 250 person New York based Robert A M Stern Architects has received numerous awards for design excellence from the American Institute of Architects the Congress for the New Urbanism the Urban Land Institute the Society for College and University Planning and the Institute of Classical Architecture and Art *The American Houses of Robert A.M.
