Robert Laws:

Robert Laws Hamish McIntosh, 1993 Biography of a famous pioneer missionary to the country now known as Malawi

Vernacular Bibles in Africa through European Eyes Misheck Nyirenda, 2023-09-30 The translation of Scripture into non European languages has been an essential undertaking of the modern missionary movement However when translators cling to the ideal of scholarly objectivity or fail to interrogate the lenses through which they view Scripture and the world they risk perpetuating a belief in the West's political cultural and epistemological superiority with dangerous consequences for the good news of the gospel This study provides detailed historical accounts of the origins of two of Africa's most revered vernacular Bibles the Efik Bible of modern day Nigeria and the Nyanja Bible of Southern Africa It illustrates the nature and challenges of early missionary translation work highlighting the impact of particular translation theories and tracing the development of modern approaches Evaluating Hugh Goldie's and Robert Law's translation practices against the interwoven backdrop of imperialism the modern missionary movement and the Enlightenment's belief in objectivity Dr Misheck Nyirenda demonstrates how the missionaries presuppositions often dominated their projects at the expense of African agency and epistemology Issuing a powerful warning for those involved in the vast ongoing task of translating Scripture into the world's vernacular languages Nyirenda reminds us that we must first reckon with our social cultural and historical embeddedness when seeking to communicate gospel truth across linguistic or cultural barriers New York Court of Appeals. Historical Dictionary of Malawi Owen J. M. Kalinga, 2011-12-09 Malawi established as the British protectorate of

Nyasaland in 1891 gained its independence in 1964 and moved immediately into three decades of one party rule. Since the mid 1990s however the country has held multi party elections as directed by its constitution and President Bingu wa Mutharika is currently serving his second term. The fourth edition of the Historical Dictionary of Malawi now newly expanded and updated covers a wide range of areas in Malawi history including the rise and fall of state systems, religious and socio political movements, the economy, environment, transportation, war, disease and natural sciences. Author Owen J M Kalinga charts developments from pre history to the post Banda Malawi, from Tom Bokwito to James Sangala and from the UMCA mission at Magomero to the second term of Bingu wa Mutharika's presidency, paying particular attention to the individuals, groups, communities and forces that have molded this South African country. The dictionary itself contains over 1 000 cross referenced entries on crucial aspects of Malawi history and it is the most extensive single volume reference work on Malawi available. In addition to the dictionary entries, Kalinga provides a chronology containing important dates and events and an informative bibliographical section organized by subject. The final part of the bibliography gives the reader a list of current and obsolete newspapers and periodicals related to Malawi, an ideal resource for further research. This newly updated edition is an excellent access point for students, researchers and anyone wanting to know more about Malawi.
