Pagan Portals - Poppets and Magical Dolls Lucya Starza, 2018-08-31 Poppets are dolls used for sympathetic magic and are designed in the likeness of individuals in order to represent them in spells to help heal or harm The word poppet

comes from the Middle Ages in England originally meaning a small doll or child and it is still in use today as a name of endearment The term is older than the phrase Voodoo doll Pagan Portals Poppets and Magical Dolls explores the history of poppets and offers a practical guide to making and using them in modern witchcraft It also covers seasonal dolls from Brigid dolls used in celebrations for the first stirrings of spring to fairy dolls enjoyed in tree dressing at Yuletide Other topics covered include spirit dolls ancestor dolls and dolls as representations of mythological beings and creatures from folklore The newest book from Lucia Starza author of Every Day Magic A Pagan Book of Days **The Magic of Serpents** Scott Irvine, 2023-06-30 A remnant from the age of the dinosaur the serpent was originally a symbol of arcane knowledge from the old gods Transformed into the devil for tempting Eve to eat from the forbidden tree the serpent has remained the villain ever since Scott Irvine's *The Magic of Serpents* is a profound search for the symbolism and worldwide mythology at the religious philosophical and spiritual levels for which the serpent stands *Subject Catalog* Library of Congress, 1976 *The Magic of Cats* Andrew Anderson, 2023-04-28 Discover the Cat of the Night and the Cat of the Day Over the centuries the relationship between cats and humans has been one of profound change of both darkness and light In Ancient Egypt we worshipped them as the physical embodiment of a goddess In Medieval Europe we tortured and punished them for being the familiars of witches In the twenty first century we are obsessed with filming and posting their antics on social media And while we may think of them as our pets that doesn't mean that we are in charge Far from it Cats know exactly how to get their humans to follow their orders They have been an ongoing source of intrigue and mystery throughout human history They are the stuff of myth and legend as well as being our best friends They sit among the stars and curl up on our laps There is nothing so wonderful as the magic of cats **Kitchen Witchcraft** Rachel Patterson, 2019-11-29 In *Kitchen Witchcraft* Crystal Magic best selling author Rachel Patterson looks at some of the more commonly available crystals and presents them in a magical light Combining an extensive reference section along with topics such as how to work with crystals for magical purpose connecting with crystal magical energy which crystals to use for specific magical intent creating crystal spell grids and using crystals for divination *Crystal Magic* is an essential book for the modern Kitchen Witch *Crystal Magic* is the third in a series of books that delve into the world of the Kitchen Witch Each book breaks down the whys and wherefores of the subject and includes practical guides and exercises Other titles include *Spell and Charms* *Garden Magic* and *The Elements* *Encountering the Dark Goddess* Frances Billingham, 2021-03-26 The Dark Goddess is often associated with the Underworld where she leads the uninitiated through a transformative journey of self discovery change and soul renewal She is connected with the unwanted the forgotten the ignored or even ashamed parts of our psyche However there is more to her than that *Encountering the Dark Goddess* A Journey into the Shadow Realms guides you through what this challenging facet of the Divine Feminine the Dark Goddess is truly about and encourages you to step through the veils into her hidden realm to explore 13 aspects of herself Whether you seek healing from past trauma release from fears or

Bogowie: A Study of Eastern Europe's Ancient Gods T.D. Kokoszka,2023-08-25 T D Kokoszka grew up in Texas with a Jewish mother and a Polish American father While he was aware of roots going back to Eastern Europe from both families he found it hard to learn very much about them He knew that Polish people would whack one another with palm leaves around Easter and he knew that his great grandmother purportedly believed in forest spirits known as borowy However it wasn t until he was in his teens that he became vaguely aware of an ancient people known as the Slavs who gave rise to the Polish Ukrainian Russian Serbian Bulgarian Slovakian Slovene and Czech languages It quickly became clear to him that this was a family of cultures currently under represented in popular culture and even in western scholarship Not simply a regurgitation of scholarship from the Soviet period and presenting new analyses by using previously neglected resources Bogowie A Study of Eastern Europe s Ancient Gods offers one of the most painstaking scholarly reconstructions of Slavic paganism These new resources include not only an overview of folklore from many different Slavic countries but also comparisons with Ossetian culture and Mordvin culture as well as a series of Slavic folktales that Kokoszka analyzes in depth often making the case that the narratives involved are mythological and shockingly ancient Readers will recognize many European folktale types and possibly learn to look at these folktales differently after reading this book
