Robert's Rules of Order Newly Revised In Brief, 2nd edition Henry M. Robert III, Daniel H. Honemann, Thomas J. Balch, 2020-06-25 The 1990 ninth edition of Robert's Rules of Order Newly Revised is the only currently authoritative volume to contain the complete Robert's Rules of Order subject matter. It has been totally reset and redesigned for easier use. This ninth edition supersedes all previous editions and automatically becomes the parliamentary authority in organizations whose bylaws prescribe Robert's Rules of Order. This edition has been updated to address common inquiries and it incorporates new rules, interpretations, and procedures made necessary by the evolution of parliamentary procedure. Among the more important areas of revision are more modern and appropriate usage is given for the chair's invitation to members to speak in debate or offer secondary motions after stating the question on a motion; the rule relating to the power of replacement of members on committees by the appointing authority is clarified; formal recognition is given to the practice of sending a suggested agenda to members in advance of a meeting; a subsection of hints to inexperienced presiding officers has been improved; greater prominence is given to rules relating to the growing practice of nominating for office by petition; specifications are provided for methods of expediting roll call voting in very large conventions and calling a roll by delegation rather than by individuals. In addition, the ninth edition of Robert's Rules of Order Newly Revised includes a special section printed on tinted paper which summarizes rules related to motions for quick and easy access. *Robert's Rules of Order Newly Revised, 12th edition* Henry M. Robert III, Daniel H. Honemann, Thomas J. Balch, 2020-08-25 The only current authorized edition of the classic work on parliamentary procedure now in a new updated edition, Robert's Rules of Order is the recognized guide to smooth, orderly, and fairly conducted meetings. This 12th edition is the only current manual to have been maintained and updated since 1876 under the continuing program established by General Henry M. Robert himself. As indispensable now as the original edition was more than a century ago, Robert's Rules of Order Newly Revised is the acknowledged gold standard for meeting rules. New and enhanced features of this edition include section-based paragraph numbering to facilitate cross references and eBook compatibility; expanded appendix of charts, tables, and lists; helpful summary explanations about postponing a motion, reconsidering a vote, making and enforcing points of order, and appeals; and newly expanded procedures for filling blanks. New provisions regarding debate on nominations, reopening nominations, and completing an election after its scheduled time. Dozens more clarifications, additions, and refinements to improve the presentation of existing rules incorporate new interpretations and address common inquiries. Coinciding with publication of the 12th edition, the authors of this manual have once again published an updated 3rd edition of Robert's Rules of Order Newly Revised In Brief, a simple and concise introductory guide cross-referenced to it.
