

Robespierre The French Revolution

Emily Kay Jolkovski

Robespierre The French Revolution:

Virtue and Terror Maximilien Robespierre, 2017-11-14 Robespierre's justification of the Terror in the French Revolution Robespierre's defence of the French Revolution remains one of the most powerful and unnerving justifications for political violence ever written. It has an extraordinary resonance in a world obsessed with terrorism and appalled by the language of its proponents. Yet today the French Revolution is celebrated as the event which gave birth to a nation built on the principles of Enlightenment. So how should a contemporary audience approach Robespierre's vindication of revolutionary terror? *ek's* introduction analyzes these contradictions with a prodigious breadth of analogy and reference. **The Revolutionary**

Career of Maximilien Robespierre David P. Jordan, 1989-07-15 As it changed forever the political landscape of the modern world the French Revolution was driven by a new type of personality the confirmed self-aware revolutionary Maximilien Robespierre originated the role and embodied its ideological essence and extremes the self that he projected to the people was equated with the ideals for which he strove. In creating this intellectual biography of so enigmatic a figure David Jordan has stressed the words of the man about himself. With great imagination and insight Jordan places Robespierre's self-conceptualization within the context of events and explains how Robespierre 'The Incorruptible' a man seen by contemporaries as virtuous could not only equate justice with vengeance and demand it of the people but also stand as its symbol before the world. **Robespierre and the French Revolution in World History** Tom McGowen, 2000

Traces the history of the French Revolution from the storming of the Bastille through the rise of Napoleon highlighting the influence of revolutionary leader Maximilien Robespierre from his early life through his involvement in the Reign of Terror. The Fall of Robespierre Colin Jones, 2021-08-12 The day of 9 Thermidor 27 July 1794 is universally acknowledged as a major turning point in the history of the French Revolution. At 12 00 midnight Maximilien Robespierre the most prominent member of the Committee of Public Safety which had for more than a year directed the Reign of Terror was planning to destroy one of the most dangerous plots that the Revolution had faced. By 12 00 midnight at the close of the day following a day of uncertainty surprises upsets and reverses his world had been turned upside down. He was an outlaw on the run and himself wanted for conspiracy against the Republic. He felt that his whole life and his Revolutionary career were drawing to an end. As indeed they were. He shot himself shortly afterwards. Half dead the guillotine finished him off in grisly fashion the next day. The Fall of Robespierre provides an hour by hour analysis of these 24 hours. **Robespierre** Colin Haydon, William Doyle, 1999-07-29

Two centuries after the French Revolution Maximilien Robespierre is still regarded as its towering figure. Perceived by some as the champion indeed the incarnation of the Revolution's purest and noblest ideals among others he will always be remembered as the reasoned advocate of the Terror the defender of mass killing during the Revolution's darkest and most tragic phase. This volume comprises essays by an array of international scholars and examines Robespierre's life and work from three main perspectives his ideology and vision of the Revolution his role in the period's tumultuous politics culminating

in his year on the Committee of Public Safety in 1793 94 and nineteenth and twentieth century representations of the Incorruptible by historians dramatists and writers of fiction This book illuminates many facets of Robespierre s career thought and reputation and provides a balanced and up to date appraisal of one of the great figures of European history

Fatal Purity Ruth Scurr,2006-04-18 Publisher Description

The Revolutionary Spirit Preceding the French

Revolution Félix Rocquain,2014-05-07 Citizens did you want a revolution without a revolution Maximilien Robespierre As one of the seminal social revolutions in human history the French Revolution holds a unique legacy especially in the West The early years of the Revolution were fueled by Enlightenment ideals seeking the social overthrow of the caste system that gave the royalty and aristocracy decisive advantages over the lower classes But history remembers the French Revolution in a starkly different way as the same leaders who sought a more democratic system while out of power devolved into establishing an incredibly repressive tyranny of their own once they acquired it The height of Republican France s tyranny came during a 10 month period forever known as the Reign of Terror the most notorious and arguably most memorable part of the French Revolution One of the first victims of the Reign of Terror was its most famous former French Queen Marie Antoinette But Antoinette was followed by thousands more including everyone from aristocrats to clergy to prostitutes and even instrumental revolutionaries like Danton Desmoulins and most notably Robespierre It was Robespierre whose position on the Committee of Public Safety made him the Reign of Terror s instrumental figure until he himself became a victim of it in July 1794 Robespierre s date with the guillotine is often considered the official end of the Reign of Terror but by then it is estimated that at least 16 000 people were guillotined in that time and possibly 25 000 more were summarily executed across the country

The Ninth of Thermidor: the Fall of Robespierre

Richard Bienvenu,1968 Maximilien Fran ois Marie Isidore de Robespierre IPA ma ksi mi lj f swa ma i i zi d d bs pj 6 May 1758 28 July 1794 was a French lawyer politician and one of the best known and most influential figures of the French Revolution As a member of the Estates General the Constituent Assembly and the Jacobin Club he advocated against the death penalty and for the abolition of slavery while supporting equality of rights universal suffrage and the establishment of a republic He opposed war with Austria and the possibility of a coup by the Marquis de Lafayette As a member of the Committee of Public Safety he was an important figure during the period of the Revolution commonly known as the Reign of Terror which ended a few months after his arrest and execution in July 1794 Wikipedia

Ending the Terror Bronislaw Baczko,1994-07-28 A major assessment of a crucial moment in the history of the French Revolution the fall of Robespierre in July 1794

Robespierre and the French

Revolution J. M. Thompson,1960

Robespierre and the French Revolution James Matthew Thompson,1960

Robespierre J. M. Thompson,2017-06-28 First published in 1935 this is widely regarded as the most definitive and comprehensive biography of Maximilien Fran ois Marie Isidore de Robespierre 1758 1794 the French lawyer and politician who would become one of the best known and most influential figures associated with the French Revolution and the Reign

of Terror As a member of the Estates General the Constituent Assembly and the Jacobin Club Robespierre was an outspoken advocate for the poor and for democratic institutions He campaigned for universal male suffrage in France price controls on basic food commodities and the abolition of slavery in the French colonies He played an important role in arranging the execution of King Louis XVI which led to the establishment of a French Republic Perhaps best known for his role in the French Revolution s Reign of Terror he was named as a member of the powerful Committee of Public Safety launched by his political ally Georges Danton and exerted his influence to suppress the left wing H bertists As part of his attempts to use extreme measures to control political activity in France Robespierre later moved against the more moderate Danton who was accused of corruption and executed in April 1794 The Terror ended a few months later with Robespierre s arrest and execution in July events that initiated a period in French history known as the Thermidorian Reaction This traditional biography is filled with extensive and reliable research on the man whose steadfast adherence and defense of the views he expressed earned him the nickname l Incorruptible The Incorruptible Unmissable reading *Robespierre* Peter McPhee,2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice *Robespierre and the French Revolution* Charles Warwick,2014-09-09 In many ways it is fitting that Maximilien Robespierre 1758 1794 is one of the best known figures of the French Revolution if not its most famous The early years of the Revolution were fueled by Enlightenment ideals seeking the social overthrow of the caste system that gave the royalty and aristocracy decisive advantages over the lower classes Few were as vocal in their support of Enlightenment ideals as Robespierre who was heavily versed in Rousseau and Montesquieu a champion of the bourgeoisie and an advocate of human rights who opposed both slavery and the death penalty But history remembers the French Revolution in a starkly different way as the same leaders who sought a more democratic system while

out of power devolved into establishing an incredibly repressive tyranny of their own once they acquired it For that reason the Reign of Terror became the most memorable aspect of the Revolution and at the head of it all was Robespierre whose position on the Committee of Public Safety made him the Reign of Terror s instrumental figure until he himself became a victim of the Revolution s extremism Robespierre has remained one of the Revolution s most controversial figures an enigma in both life and death Known as The Incorruptible to supporters and a bloodthirsty dictator to his opponents what all could agree on was that he was a vital figure during one of history s most momentous events [A Biography History of the French Revolution](#) John Mills Whitham,1930 **The French Revolution** Albert Mathiez,1962 Author Albert Mathiez considers Maximilien Robespierre a hero of the French Revolution rather than dictatorial and fanatical **Robespierre** John Hardman,1999 Robespierre was one of the most powerful and the most feared leaders of the French Revolution John Hardman describes the career of this ruthless political manipulator and in the process explores the dynamics of the French revolutionary movement and the ferocious and self destructive rivalries of its leadership This original book gets behind the polished but chilly surface of the public persona to reveal how Robespierre came by his extraordinary power and how he used it **The Incorruptible** Emily Kay Jolkovski,2013-04-21 In 1789 in the midst of the French Revolution a shy and awkward young lawyer from Arras came to Paris and soon found himself at the center of events This cartoon treatment of Robespierre s story explores how this he began as an idealistic proponent of Enlightenment ideals and wound up directing the horrific bloodbath known as the Terror **Robespierre and the Festival of the Supreme Being** Jonathan Smyth,2016-09-30 The search for a republican morality provides an exciting new study of an important event in the French Revolution and a defining moment in the career of its principal actor Maximilien Robespierre the Festival of the Supreme Being This day of national celebration was held to inaugurate the new state religion the Cult of the Supreme Being and whilst traditionally it has been dismissed as a compulsory political event this book redefines its importance as a hugely popular national event Hitherto unused or disregarded source material is used to offer new perspective to the national reaction to Robespierre s creation of the Festival and of his search for a new republican morality It is the first ever detailed study in English of this area of French Revolutionary history the first in any language since 1988 and will be welcomed by scholars and students of this period **Robespierre the Incorruptible** Max Gallo,1971 Maximilien Fran ois Marie Isidore de Robespierre IPA ma ksi mi lj f swa ma i i zi d d bs pj 6 May 1758 28 July 1794 was a French lawyer politician and one of the best known and most influential figures of the French Revolution As a member of the Estates General the Constituent Assembly and the Jacobin Club he advocated against the death penalty and for the abolition of slavery while supporting equality of rights universal suffrage and the establishment of a republic He opposed war with Austria and the possibility of a coup by the Marquis de Lafayette As a member of the Committee of Public Safety he was an important figure during the period of the Revolution commonly known as the Reign of Terror which ended a few months after his arrest and execution in July 1794 Influenced by

18th century Enlightenment philosophes such as Rousseau and Montesquieu he was a capable articulator of the beliefs of the left wing bourgeoisie His supporters called him The Incorruptible while his adversaries called him dictateur sanguinaire bloodthirsty dictator Wikipedia

This Enthralling World of Kindle Books: A Detailed Guide Revealing the Benefits of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and ease of access, have liberated readers from the limitations of physical books.
