The Hidden Treasure of Dutch Buffalo Creek

Jackson Badgenoone,2015-07-16 An eight year old boy named James aka the wannabe Cisco Kid nearly lost his life as he searched for precious metal in a bone dry southwest Arizona gulley He retrieved only pyrite before a desert flood swept away his world Over the course of half a century James acquired several additional nicknames They were reflections of his multiple personalities His dad called him Traveler or Trav Some coworkers referred to him as Point Man A few colleagues labeled him Knowledge Navigator or Nav Under the cool shimmering waters of Dutch Buffalo Creek in 2014 A D Trav came upon a rusty bayonet It was buried long ago in the Carolina Piedmont This discovery is no coincidence indeed this bayonet is a symbol of the abundant riches found in the river of history that connects both the past and future The blade reminded Point Man that all that glitters is not gold Nav expanded the search for real treasure beyond the water s edge The blade was a catalyst that drove James to sift through a lifetime of artifacts and bittersweet memories He found riches from the past and caught a glimpse of the future Just as the bayonet glimmered in the depths of the water so does the ongoing work of his family s unseen witnesses the Neverborn They reveal ancient treasures that go far beyond mere gold and silver James is guided into a deeper understanding that he and countless loved ones have been called by name as spoken by the prophet Isaiah I have summoned you by name you are mine When you pass through the waters I will be with you

Hebrews in Contexts

Gabriella Gelardini,Harold Attridge,2016-05-09 Scholars of Hebrews have repeatedly echoed the almost proverbial saying that the book appears to its reader as a Melchizedekian being without genealogy For such scholars the aphorism identified prominent traits of Hebrews its enigma its otherness its marginality Although Franz Overbeck might unintentionally have stimulated such correlations they do not represent what his dictum originally meant Writing during the high noon of historicism in 1880 Overbeck lamented a lack of historical context one that he had deduced on the basis of flawed presuppositions of the ideological frameworks prevalent of his time His assertion made an impact and consequently Hebrews

was not only othered within New Testament scholarship its context was neglected and by some even judged as irrelevant altogether Understandably the neglect created a deficit keenly felt by more recent scholarship which has developed a particular interest in Hebrews contexts Hebrews in Contexts edited by Gabriella Gelardini and Harold W Attridge is an expression of this interest It gathers authors who explore extensively on Hebrews relations to other early traditions and texts Jewish Hellenistic and Roman in order to map Hebrews historical cultural and religious identity in greater and perhaps surprising detail Memory in Ancient Rome and Early Christianity Karl Galinsky, 2016 Memory in Ancient Rome and Early Christianity presents perspectives from an international and interdisciplinary range of contributors on the literature history archaeology and religion of a major world civilization based on an informed engagement with important concepts and issues in memory studies
