Roman Letters History From A Personal Point Of View

Richard Q. Ford

Roman Letters History From A Personal Point Of View:

Roman Letters Matthew B. Schwartz, Finley Hooper, 2018-07-20 In this selection of letters notable Romans write about themselves and their times as well as about personal and public matters Seneca provides indignant remarks about the behavior of women in Nero's Rome From his monastic cell in Bethlehem St Jerome berates St Augustine for gossip he may have spread Some letters give a different perspective to history while other talk of harvests marriages and day to day events For historical continuity Hooper and Schwartz include a running commentary and brief biographical sketches on the writers

Ancient Epistolary Fictions Patricia A. Rosenmeyer, 2001-04-30 A comprehensive look at fictive letters in Greek literature from Homer to Philostratus first published in 2001 It includes both embedded epistolary narratives in a variety of genres epic historiography tragedy the novel and works consisting solely of letters such as the pseudonymous letter collections and the invented letters of the Second Sophistic The book challenges the notion that Ovid invented the fictional letter form in his *Heroides* and considers a wealth of Greek antecedents for the later European epistolary novel tradition Epistolary technique always problematizes the boundaries between fictionality and reality Based on a process of selection and self censorship the letter is a construction not a reflection of reality The author bypasses the question of sincerity for a close look at epistolary self representation the function of the letter form and the nature of the relationship between writer and reader in a wide range of ancient Greek texts

Philosophy and Community in Seneca's Prose Carey Seal, 2021 This book shows how the Roman philosopher Seneca balances the imperative to subject one's life to rational scrutiny with the claims of the Roman moral tradition

St. Cyprian of Carthage and the College of Bishops Benjamin Safranski, 2018-09-15 This book assesses episcopal cooperation as envisioned by the third century bishop Cyprian of Carthage It outlines and assesses the interactions between local bishops provincial groups of bishops and the worldwide college Assessing these interactions sheds light on the relationship between Cyprian's strong sense of local autonomy and the reality that each bishop was responsible to the world wide college Episcopal consensus was the *sine qua non* for Cyprian for a major issue of faith or practice to become one that defined membership in the college and ultimately the Church The book brings this assessment into a modern scholarly debate by concluding with an evaluation of the ecclesiology of the Orthodox scholar Nicolas Afanasiev and his critiques of Cyprian Afanasiev lamented Cyprian as the father of universal ecclesiology and claimed that Cyprian's college wielded authority above that of the local bishop This book argues that Afanasiev fundamentally misconstrued Cyprian's understanding of collegiality It is shown that for Cyprian collegiality was the framework for the common ministry of the bishops and did not infringe on the sovereignty of the local bishop Rather it was the college's collective duty to define the boundaries of acceptable Christian belief and practice

The Michigan Alumnus, 1991 In v 18 the final number consists of the Commencement annual

The Reputation of the Roman Merchant Jane Sancinito, 2024-01-02 Roman merchants artisans and service providers faced substantial prejudice Contemporary authors labeled them greedy while the Roman on

the street accused merchants of lying and cheating Legally and socially merchants were kept at arm's length from respectable society Yet merchants were common figures in daily life populating densely packed cities and traveling around the Mediterranean The Reputation of the Roman Merchant focuses on the strategies retailers craftsmen and many other workers used to succeed examining how they developed good reputations despite the stigma associated with their work In a novel approach blending social and economic history The Reputation of the Roman Merchant considers how reputation worked as an informal institution establishing and reinforcing traditional Roman norms while lowering the cost of doing business for individual workers From histories and novels to inscriptions and art this volume identifies common reputation strategies explores how points of pride and personal accomplishments were shared with others and explains responses to merchant activities on the small scale The book concludes that merchants invested heavily in their reputations as a way to set themselves apart from common negative stereotypes without admitting that there was anything shameful about the work they did

The Naked Heart Peter Gay, 1996 In investigating the inner life of the whole Victorian bourgeoisie that vast class in Emile Zola's words reaching from the common people to the aristocracy Gay turns also to the letters and confessional diaries of both obscure and prominent men and women Jacket

Letter-writing Manuals and Instruction from Antiquity to the Present Carol Poster, Linda C. Mitchell, 2007 Once nearly as ubiquitous as dictionaries and cookbooks are today letter writing manuals and their predecessors served to instruct individuals not only on the art of letter composition but also in effect on personal conduct Poster and Mitchell contend that the study of letter writing theory which bridges rhetorical theory and grammatical studies represents an emerging discipline in need of definition In this volume they gather the contributions of eleven experts to sketch the contours of epistolary theory and collect the historic and bibliographic materials from Isocrates to email that form the basis for its study

The Naked Heart: The Bourgeois Experience Victoria to Freud Peter Gay, 1996-10-17 In *The Naked Heart* Peter Gay explores the bourgeoisie's turn inward At the very time that industrialists inventors statesmen and natural scientists were conquering new objective worlds Gay writes the secret life of the self had grown into a favorite and wholly serious indoor sport Following the middle class's preoccupation with inwardness through its varied cultural expressions such as fiction art history and autobiography Gay turns also to the letters and confessional diaries of both obscure and prominent men and women These revealing documents help to round out a sparkling portrait of an age

Long Story Short Dillon T. Thornton, 2022-02-28 Many people think of the Bible as a confused mixture of entries episodes characters and commands Sixty six books written by some thirty authors scattered over a period of roughly 1 500 years including virtually every genre known to man Clearly the Bible consists of many parts Yet it communicates a metanarrative one great story the drama of redemption And when we understand this story and find our place within it it brings us unparalleled purpose and hope

Biblical Stories for Psychotherapy and Counseling Kalman Kaplan, Matthew Schwartz, 2013-10-23 Integrate Biblical spirituality into psychotherapy and examine centuries old answers to modern

psychological questions The Joint Commission on the Accreditation of Hospitals now mandates taking spiritual assessments of all patients This book is devoted to helping therapists employ Biblical spirituality in the actual treatment program Biblical Stories for Psychotherapy and Counseling A Sourcebook organizes the wisdom of the Old Testament into episodes that can shed light on specific psychological issues From the familiar to the obscure these stories can help us better understand self esteem loyalty and obligations decision making temptation anger morality various disorders family dynamics support systems developmental issues recovery issues aging suicidal behavior and more From the authors As brilliant and as penetrating as Freud's insights are they are limited in the sense that Freud relied heavily on Greek myth and literature for his models and ideas His view of man was in many ways that of the Greeks a view that concentrated on the pathological underside of man and on the bedrock of his developmental problems The Greeks could never really shake the sense of doom the foreboding and the fatalism that led so many great figures in Greek literature and in real life Greek history to depression and in a surprising number of cases to suicide In contrast the focus of the Bible is far more optimistic depression can be successfully dealt with and suicide is a sad error that should be and usually can be avoided It encourages people to hope and teaches that day to day human effort has a purpose and meaning and that heroism is not a fair or useful aim for man to set for himself The Bible offers the hope of filling every moment of human life with greater meaning and feeling New solutions to mental health problems are always welcome Ours is a new approach yet a very old one We present stories that offer a vast treasure of knowledge and wisdom about the way people think and act and why they do so The stories are drawn from the Hebrew Bible a compendium whose latest books are already twenty four hundred or so years old Yet through all those centuries the basic story of man's searching and yearning has changed little We shall concentrate on the psychological meaning of these narratives and what they tell us about how their characters dealt with challenges of family handicap depression and more You'll also find information drawn from modern clinical research that parallels the Biblical narratives The wisdom gained from these ancient stories is applied to help people gain self understanding and deal with their own situations today For psychotherapists these Biblical foundation stories can be used as a basis for integrating spirituality into psychotherapy The story of Moses who overcame a speech problem can be applied to the problems of a Midwestern college student and the account of David and Goliath can help a businessman overcome his fears of lack of macho A small sample of the Bible stories and their clinical implications that you'll find in this volume the foundation of self esteem Saul the courage to emigrate Abraham assuming responsibility for one's self Lot's wife focusing on one's main aim Sarah and Hagar dealing with commandments Abraham and Isaac dealing with temptations Adam and Eve drunkenness and disrespect Noah reciprocity between generations Naomi and Ruth amoral intellectualism Balaam aging Ecclesiastes dealing with disability Moses and Aaron abandonment David protected regression Jonah Biblical Stories for Psychotherapy and Counseling A Sourcebook will become a well used reference in your professional teaching collection These Biblical stories will be helpful to therapists cle

Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms [The Rhetorical Arts in Late Antique and Early Medieval Ireland](#) Brian James Stone, 2025-10-01 The Rhetorical Arts in Late Antique and Early Medieval Ireland represents the first study of the art of rhetoric in medieval Ireland a culture often neglected by medieval rhetorical studies In a series of three case studies Brian James Stone traces the textual transmission of rhetorical theories and practices from the late Roman period to those early Irish monastic communities who would not only preserve and pass on the light of learning but adapt an ancient tradition to their own cultural needs contributing to the history of rhetoric in important ways The manuscript tradition of early Ireland which gave us the largest body of vernacular literature in the medieval period and is already appreciated for its literary contributions is also a site of rhetorical innovation and creative practice **Reading**

Sidonius' Epistles M. P. Hanaghan, 2019-02-14 Sidonius Apollinaris letters offer a vivid series of glimpses into an otherwise sparsely documented period His rich anecdotes feature the events characters and moments that defined his life ranging from the treason trial of Arvandus to the Visigothic raiding of Clermont from the corrupt and vile Seronatus to the holy widow Eutropia and the day to day incidents that confronted a Gallo Roman poet aristocrat and bishop as the Late Roman West transitioned into the barbarian successor kingdoms Like any good storyteller Sidonius exploited a wide array of narratological tools manipulating temporality for dramatic effect sketching his heroes and villains in vivid detail and recreating witty dialogue in a collection that is highly organised and carefully strategised This book provides a fuller understanding of his contribution to Latin literature as a careful arranger of his self image a perceptive exploiter of narrative dynamics and an influential figure in Late Antique Gaul **A Chaos of Delight** Geoffrey Dobson, 2016-06-16 Humans throughout history have sought ways of understanding their place within the world Religion science and myth have been at the forefront of this quest for meaning A Chaos of Delight examines how various cultures from the early Sumerians Egyptians and Greeks to contemporary Western society have looked at the same phenomena and devised totally different world views The rise of modern science is examined alongside questions of evolution and the origins of life This comprehensive volume is an essential read for students and scholars interested in the history of ideas and the role of religion science and myth in the development of Western thought *The Parables of Jesus* Richard Q. Ford, In this startling new way to read the parables Ford unlocks seven of the longer parables attributed to Jesus He focuses on the two major characters in each parable who are separated by social inequality and he entirely bypasses the common approach that assumes that the superior character

represents God and the subordinate character the Christian believer Drawing on his own therapeutic training Ford offers unique insight into the psychodynamics at work in the parables He proposes that the two characters are equally balanced in their multiple misperceptions of each other and shows how Jesus stories invite listeners to advert to issues of conflict and power and to struggle toward reconciliation

The Fast John Oakes,2024-02-13 With fasting at an all time high in popularity here is an enlightening exploration into the history science and philosophy behind the practice essential to many religions and wellness routines Whether for philosophical political or health related reasons fasting marks a departure from daily routine Based on extensive historical scientific and cultural research and reporting The Fast illuminates the numerous facets of this act of self deprivation John Oakes interviews doctors spiritual leaders activists and others who guide him through this practice and embarks on fasts of his own to deliver a book that supplies anyone curious about fasting with profound new understanding appreciation and inspiration In recent years fasting has become increasingly popular for a variety of reasons from weight loss to detoxing to the faithful who fast in prayer to seekers pursuing mindfulness to activists using hunger strikes as protest Notable fasters include Moses Buddha Jesus Muhammad Gandhi George Washington Abraham Lincoln Emily Dickinson Mark Twain Cesar Chavez and a long list of others who have drawn on its power over the ages and across borders and cultures The Fast looks at the complex science behind the jaw dropping biological changes that occur inside the body when we fast Metabolic switching can prompt repair and renewal down to the molecular level providing benefits for those suffering from obesity and diabetes cancer epilepsy cardiovascular disease neurodegenerative disorders and more Longer fasts can both reinvigorate the immune system and protect it against damage Beyond the physical experience fasting can be a great collective unifier and it has been adopted by religions and political movements all over the world for millennia Fasting is central to holy seasons and days such as Lent Christianity Ramadan Islam Yom Kippur Judaism Uposatha Buddhism and Ekadashi Hinduism On an individual level devout ascetics who master self deprivation to an extreme are believed to be closer to the divine ascending to enlightenment or even sainthood Fasting reminds us of the virtues of holding back of not consuming all that we can Broad in scope and rich in insight Publishers Weekly starred review this book shows us that fasting is about much more than food it is about taking control of your life in new and empowering ways and reconsidering your place in the world

Caesaris Augusti Res gestae ; et, Fragmenta Augustus,Herbert W. Benario,1990 The Res Gestae and Fragmenta by Caesar Augustus annotated for beginning Latin students

Greek Realities Finley Hooper,1978 The questions they raised and the answers they offered are still the concern of us all Finley Hooper

The Healing Power of Spirituality J. Harold Ellens,2009-12-30 This three volume set addresses how the role of spirituality and its constructive expressions in various religions and outside of formal religion enhances human personality and experience Theologian and acclaimed scholar J Harold Ellens now offers a breakthrough work on the positive impact of faith In The Healing Power of Spirituality and Religion an extraordinary group of scholars discuss the latest scientific

research into the connection between belief and psychological and physical well being Each volume of The Healing Power of Spirituality focuses on a specific aspect of the scientific exploration of faith and well being volume one examines the healing power of personal spiritualities like I Ching and Transcendentalism volume two looks at the subject in the context of Christianity Judaism and other world faiths and volume three explores the psychodynamics of healing spirituality and religion including the role of biochemical and chemical reactions in heightening psychospiritual apperception
