

ROMAN SOCIAL HISTORY

A SOURCEBOOK

Tim G. Parkin and Arthur J. Pomeroy

Routledge Sourcebooks for the Ancient World

Roman Social History

Peter Stewart

Roman Social History:

Roman Social History Tim Parkin, Arthur Pomeroy, 2007-10-17 This Sourcebook contains a comprehensive collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD. Designed to form the basis for courses in Roman social history, this excellent resource covers original translations from sources such as inscriptions, papyri, and legal texts. Topics include social inequality and class games, gladiators, and attitudes to violence; the role of slaves in Roman society; economy and taxation; the Roman legal system; the Roman family and gender roles. Including extensive explanatory notes, maps, and bibliographies, this Sourcebook is the ideal resource for all students and teachers embarking on a course in Roman social history.

Roman Social History Susan Treggiari, 2002-09-10 This lively and original guidebook is the first to show students new to the subject exactly what Roman social history involves and how they can study it for themselves. After presenting a short history of the development and current position of the discipline, the author discusses the kinds of evidence that can be used and the full range of resources available. Two case studies provide practical examples of how to approach sources and what we can learn from them. Clear, concise, and accessible, with all text extracts translated into English, this is the ideal introduction to an increasingly popular subject.

The Social History of Rome Géza Alföldy, 1985 This book treats such topics as the structure of archaic Roman society; social changes from the beginning of Roman expansion to the Second Punic War; slave uprisings and other conflicts in the society of the Late Republic; the social system of the early Empire; the crisis of the Roman Empire; and late Roman society to the fall of the Empire.

Roman Social History Lecturer in Classical Studies Janet Huskinson, TIM PARKIN, Arthur Pomeroy, 2007-12-11 This Sourcebook contains a comprehensive collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD. Designed to form the basis for courses in Roman social history, this excellent resource covers original translations from sources such as inscriptions, papyri, and legal texts. Topics include social inequality and class games, gladiators, and attitudes to violence; the role of slaves in Roman society; economy and taxation; the Roman legal system; the Roman family and gender roles. Including extensive explanatory notes, maps, and bibliographies, this Sourcebook is the ideal resource for all students and teachers embarking on a course in Roman social history.

Roman Social History Tim G. Parkin, Arthur John Pomeroy, 2007 Contains a collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD. This work covers topics such as social inequality and class games, gladiators, and attitudes to violence; the role of slaves in Roman society; economy and taxation; and the Roman family and gender roles.

The Social History of Rome (Routledge Revivals) Dr Geza Alföldy, 2014-10-14 This study, first published in German in 1975, addresses the need for a comprehensive account of Roman social history in a single volume. Specifically, Alföldy attempts to answer three questions: What is the meaning of Roman social history? What is entailed in Roman social history? How is it to be conceived as history? Alföldy's approach brings social structure

much closer to political development following the changes in social institutions in parallel with the broader political milieu. He deals with specific problems in seven periods: Archaic Rome, the Republic down to the Second Punic War, the structural change of the second century BC, the end of the Republic, the Early Empire, the crisis of the third century AD, and the Late Empire. Excellent bibliographical notes specify the most important works on each subject, making it useful to the graduate student and scholar as well as to the advanced and well-informed undergraduate.

Discovering the Roman Family K. R. Bradley, 1991. These essays on various aspects of family life in ancient Rome offer an especially timely and provocative new characterization of how this most elementary component of Roman society was structured. Recognizing that a traditional nuclear model is necessary for a basic understanding of Roman family organization, Keith R. Bradley argues that a broader, more extensive context must be established if this structure is to be fully appreciated. Examining the roles of slaves, servants, and other surrogates in the upbringing and socialization of children, and concentrating on the parts played by wet nurses and male childerminders, his book molds an entirely new framework for the study of the Roman family. He investigates the extent of serial marriage, especially among the upper classes, and the effects of the widespread familial dislocation that resulted, and for the first time considers the prevalence of child labor in the Roman world, contrasting the experiences of upper-class and lower-class children. Bringing these themes together in a lively final section through a fresh, thorough examination of Cicero's correspondence, Bradley portrays the life of an actual Roman family. A seminal contribution to Roman social history, this book is essential reading for anyone interested in how the family worked and lived in classical times.

The Social History of Roman Art Peter Stewart, 2008-05-29. An introduction to the study of ancient Roman art in its social context.

As the Romans Did Jo-Ann Shelton, Pauline Ripat, 2022-08. *As the Romans Did* offers a rich, revealing look at everyday Roman life. It provides clear, lively translations of a fascinating array of documents drawn from Latin and Greek source material, from personal letters, farming manuals, medical texts, and recipes to poetry, graffiti, and tombstone inscriptions. Each selection has been translated into readable, contemporary English. Extensive annotations, abundant biographical notes, maps, appendices, cross-references to related topics, and a newly updated bibliography provide readers with the historical and cultural background material necessary to appreciate the selections. Arranged thematically into chapters on family life, housing, education, entertainment, religion, and other important topics, the translations reveal the ambitions and aspirations, not only of the upper class but of the average Roman citizen as well. They tell of the success and failure of Rome's grandiose imperialist policies and also of the pleasures and hardships of everyday life. Wide-ranging and lively, the second edition of *As the Romans Did* offers the most lucid account available of Roman life in all its diversity.

Roman Social History PARKIN & POMEROY, 2009-01-01.

Discovering the Roman Family K. R. Bradley, 1991. These essays on various aspects of family life in ancient Rome offer an especially timely and provocative new characterization of how this most elementary component of Roman society was structured. Recognizing that a traditional nuclear model is necessary for a basic understanding of Roman

family organization Keith R Bradley argues that a broader more extensive context must be established if this structure is to be fully appreciated Examining the roles of slaves servants and other surrogates in the upbringing and socialization of children and concentrating on the parts played by wet nurses and male childerminders his book molds an entirely new framework for the study of the Roman family He investigates the extent of serial marriage especially among the upper classes and the effects of the widespread familial dislocation that resulted and for the first time considers the prevalence of child labor in the Roman world contrasting the experiences of upper class and lower class children Bringing these themes together in a lively final section through a fresh thorough examination of Cicero s correspondence Bradley portrays the life of an actual Roman family A seminal contribution to Roman social history this book is essential reading for anyone interested in how the family worked and lived in classical times *Inventing Ancient Culture* Mark Golden, Peter Toohey, 1997 First published in 1996 Routledge is an imprint of Taylor Francis an informa company *The Social History of Rome (Routledge Revivals)* Geza Alföldy, 2015-11-12 This study first published in German in 1975 addresses the need for a comprehensive account of Roman social history in a single volume Specifically Alföldy attempts to answer three questions What is the meaning of Roman social history What is entailed in Roman social history How is it to be conceived as history Alföldy s approach brings social structure much closer to political development following the changes in social institutions in parallel with the broader political milieu He deals with specific problems in seven periods Archaic Rome the Republic down to the Second Punic War the structural change of the second century BC the end of the Republic the Early Empire the crisis of the third century AD and the Late Empire Excellent bibliographical notes specify the most important works on each subject making it useful to the graduate student and scholar as well as to the advanced and well informed undergraduate *Roman Society* Henry Charles Boren, 1977 **The Roman Household** Jane F. Gardner, Thomas Wiedemann, 2013-01-11 With the help of a wide variety of source material particularly legal documents and inscriptions some of it made available for the first time in English this book illustrates the activities associated with the household demonstrating the different and frequently conflicting roles and moral values expected from its various members male and female old and young freedman and slave

Materialising Roman Histories Astrid Van Oyen, Martin Pitts, 2017-09-30 The Roman period witnessed massive changes in the human material environment from monumentalised cityscapes to standardised low value artefacts like pottery This book explores new perspectives to understand this Roman object boom and its impact on Roman history In particular the book s international contributors question the traditional dominance of representation in Roman archaeology whereby objects have come to stand for social phenomena such as status facets of group identity or notions like Romanisation and economic growth Drawing upon the recent material turn in anthropology and related disciplines the essays in this volume examine what it means to materialise Roman history focusing on the question of what objects do in history rather than what they represent In challenging the dominance of representation and exploring themes such as the impact of standardisation

and the role of material agency *Materialising Roman History* is essential reading for anyone studying material culture from the Roman world and beyond *Childhood, Class and Kin in the Roman World* Suzanne Dixon, 2005-08-19 An international collection of experts go beyond the usual canon of literary texts and assess a vast range of evidence inscriptions burial data domestic architecture sculpture and the law *Growing Up Fatherless in Antiquity* Sabine R. Hübner, Sabine Hübner, David M. Ratzan, 2009-02-19 This book investigates the effects of fatherlessness on the societies cultures politics and families of the ancient Mediterranean world *A Companion to Families in the Greek and Roman Worlds* Beryl Rawson, 2011-01-18 A Companion to Families in the Greek and Roman Worlds draws from both established and current scholarship to offer a broad overview of the field engage in contemporary debates and pose stimulating questions about future development in the study of families Provides up to date research on family structure from archaeology art social cultural and economic history Includes contributions from established and rising international scholars Features illustrations of families children slaves and ritual life along with maps and diagrams of sites and dwellings Honorable Mention for 2011 Single Volume Reference Humanities Social Sciences PROSE award granted by the Association of American Publishers **A Companion to the Roman Republic** Nathan Rosenstein, Robert Morstein-Marx, 2011-09-07 This Companion provides an authoritative and up to date overview of Roman Republican history as it is currently practiced Highlights recent developments including archaeological discoveries fresh approaches to textual sources and the opening up of new areas of historical study Retains the drama of the Republic's rise and fall Emphasizes not just the evidence of texts and physical remains but also the models and assumptions that scholars bring to these artefacts Looks at the role played by the physical geography and environment of Italy Offers a compact but detailed narrative of military and political developments from the birth of the Roman Republic through to the death of Julius Caesar Discusses current controversies in the field

Yeah, reviewing a ebook **Roman Social History** could go to your close links listings. This is just one of the solutions for you to be successful. As understood, finishing does not suggest that you have wonderful points.

Comprehending as without difficulty as concord even more than other will present each success. next-door to, the proclamation as capably as sharpness of this Roman Social History can be taken as well as picked to act.
