Roman Inquisition The Index And The Jews:

The Roman Inquisition, the Index and the Jews Stephan Wendehorst, 2004-10-01 In comparison to the Iberian Inquisitions little research has been done on the attitude of the Roman and Universal Inquisition to the Jews The present volume deals with the relations between the Catholic Church Jews and Judaism and the potential of the now accessible sources in the archive of the Congregation for the Doctrine of the Faith in Rome for throwing new light on this intricate relationship It starts with contributions by Kenneth Stow Piet van Boxel Hanna W grzynek Amnon Raz Krakotzkin Eleazar Gutwirth Michael Studemund Hal vy and Sandra Neves Silva on key areas of the encounter between the Roman Church and the Jews such as papal policy censorship and the Converso milieu It moves on to presentations of archival material from the Congregations of the Roman Inquisition and of the Index by Claus Arnold Antje Br cker and John Tedeschi and concludes with sketches of ongoing and prospective research projects by Stephan Wendehorst Ariella Lang and Hubert Wolf *The Roman Inquisition, the Index and the Jews* Stephan Wendehorst, Kluwer Academic Publishers (Dordrecht), 2003 *Catholic Spectacle and Rome's Jews* Emily Michelson, 2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In *Catholic Spectacle and Rome's Jews* Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city's most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man's career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over two and a half centuries *Catholic Spectacle and Rome's Jews* argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity **The Censor, the Editor, and the Text** Amnon Raz-Krakotzkin, 2007-08-06 By bringing together two apparently unrelated issues the role of censorship in the creation of print culture and the place of Jewish culture within the context of Christian society the author advances a new outlook on both allowing each to be examined through the conceptual framework usually reserved for the other **2003** Dan Diner, 2014-07-24 No detailed description available for 2003 *2004* Sara Grosvald, 2012-02-14 This work includes international secondary literature on anti-Semitism published throughout the world from the earliest times to

the present It lists books dissertations and articles from periodicals and collections from a diverse range of disciplines Written accounts are included among the recorded titles as are manifestations of anti Semitism in the visual arts e g painting caricatures or film action taken against Jews and Judaism by discriminating judiciaries pogroms massacres and the systematic extermination during the Nazi period The bibliography also covers works dealing with philo Semitism or Jewish reactions to anti Semitism and Jewish self hate An informative abstract in English is provided for each entry and Hebrew titles are provided with English translations

[Christian Images and Their Jewish Desecrators](#) Katherine Aron-Beller,2024-01-09 In *Christian Images and Their Jewish Desecrators* historian Katherine Aron Beller analyzes the common Christian charge that Jews habitually and compulsively violated Christian images identifying this allegation as one that functioned alongside other anti Jewish allegations such as ritual murder blood libel and host desecration to ultimately inform dangerous and long lasting prejudices in medieval and early modern Europe Through an analysis of folk tales myths legal proceedings and religious art Aron Beller finds that narratives alleging that Jews committed violence against images of Christ Mary and the disciples flourished in Europe between the fifth and seventeenth centuries She then explores how these narratives manifested differently across the continent and the centuries finding that their potency reflected not Jewish actions per se but Christians own concerns about slipping into idolatry when viewing depictions of religious figures In addition Aron Beller considers Jews own attitudes toward Christian imagery and the ways in which they responded to and rejected or embraced such allegations By examining how desecration allegations affected Jewish individuals and communities spanning Byzantium medieval England France Germany and early modern Spain and Italy Aron Beller demonstrates that this charge was a powerful expression of the Christian majority s anxiety around committing idolatry and their eagerness to participate in practices of veneration that revolved around visual images an anxiety that evolved through the centuries and persists to this day

Bencemero-Chazanuth Isidore Singer,1902 *Jews on trial* Katherine Aron-Beller,2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license *Jews on trial* concentrates on Inquisitorial activity during the period which historians have argued was the most active in the Inquisition s history the first forty years of

the tribunal in Modena from 1598 to 1638 the year of the Jews enclosure in the ghetto Scholars have in the past tended to group trials of Jews and conversos in Italy together This book emphasises the fundamental disparity in Inquisitorial procedure as well as the evidence examined and argues that this was especially true in Modena where the secular authority did not have the power during the period in question to reject or even significantly monitor Inquisitorial trial procedure It draws upon the detailed testimony to be found in trial transcripts to analyse Jewish interaction with Christian society in an early modern community This book will appeal to scholars of inquisitorial studies social and cultural interaction in early modern Europe Jewish Italian social history and anti-Semitism

God's Jury Cullen Murphy, 2012-01-17 From Torquemada to Guant namo and beyond Cullen Murphy finds the inquisitorial impulse alive and only too well in our world Jane Mayer author of Dark Money Established by the Catholic Church in 1231 the Inquisition continued in one form or another for almost seven hundred years Though associated with the persecution of heretics and Jews and with burning at the stake its targets were more numerous its techniques were more ambitious and its effect on history has been greater than many understand The Inquisition pioneered surveillance censorship and scientific interrogation As time went on its methods and mindset spread far beyond the Church to become tools of secular persecution Traveling from freshly opened Vatican archives to the detention camps of Guant namo to the filing cabinets of the Third Reich the author of Are We Rome masterfully traces the social legal and political evolution of the Inquisition and the inquisitorial process from its origins in late medieval Christian France to its eerily familiar secular cousin in the modern world San Francisco Chronicle God s Jury is a reminder and we need to be constantly reminded that the most dangerous people in the world are the righteous and when they wield real power look out Murphy wears his erudition lightly writes with quiet wit and has a delightful way of seeing the past in the present Mark Bowden author of Hue 1968 Beautifully written very smart and devilishly engaging The Boston Globe

Intimate Strangers Fredric Brandfon, 2023-05 2024 Catholic Media Association Book Award Winner in History The Jewish community of Rome is the oldest Jewish community in Europe It is also the Jewish community with the longest continuous history having avoided interruptions expulsions and annihilations since 139 BCE For most of that time Jewish Romans have lived in close contact with the largest continuously functioning international organization the Roman Catholic Church Given the church s origins in Judaism Jews and Catholics have spent two thousand years negotiating a necessary and paradoxical relationship With engaging stories that illuminate the history of Jews and Jewish Catholic relations in Rome Intimate

Strangers investigates the unusual relationship between Jews and Catholics as it has developed from the first century CE to the present in the Eternal City Fredric Brandfon innovatively frames these relations through an anthropological lens how the idea and language of family have shaped the self understanding of both Roman Jews and Catholics The familial relations are lopsided the powerful family member often persecuting the weaker one the church ghettoized the Jews of Rome longer than any other community in Europe Yet respect and support are also part of the family dynamic for instance church members and institutions protected Rome s Jews during the Nazi occupation and so the relationship continues Brandfon begins by examining the Arch of Titus and the Jewish catacombs as touchstones painting a picture of a Jewish community remaining Jewish over centuries Papal processions and the humiliating races at Carnival time exemplify Jewish interactions with the predominant Catholic powers in medieval and Renaissance Rome The Roman Ghetto the forcible conversion of Jews emancipation from the Ghetto in light of Italian nationalism the horrors of fascism and the Nazi occupation in Rome the Second Vatican Council proclamation absolving Jews of murdering Christ and the celebration of Israel s birth at the Arch of Titus are interwoven with Jewish stories of daily life through the centuries Intimate Strangers takes us on a compelling sweep of two thousand years of history through the present successes and dilemmas of Roman Jews in postwar Europe
