Roman Satirists In Seventeenth Century England:

Roman Satirists in Seventeenth-century England William Kupersmith, 1985 *Roman Satirists in Seventeenth-Century England* William Kupersmith, 1985-01-01 *English Versions of Roman Satire in the Earlier Eighteenth Century* William Kupersmith, 2007 This book discusses Imitations of the ancient Roman verse satirists Horace Juvenal and Perseus published in Britain in the first half of the eighteenth century It endeavors to put major writers such as Alexander Pope and Samuel Johnson in the context of lesser writers of the period It also devotes attention to other canonical writers such as Jonathan Swift Henry Fielding and Christopher Smart The Practice of Satire in England, 1658-1770 Ashley Marshall, 2013-06-28 An exhaustive study of satire in the long eighteenth century Outstanding Academic Title Choice In The Practice of Satire in England 1658 1770 Ashley Marshall explores how satire was conceived and understood by writers and readers of the period Her account is based on a reading of some 3 000 works ranging from one page squibs to novels The objective is not to recuperate particular minor works but to recover the satiric milieu to resituate the masterpieces amid the hundreds of other works alongside which they were originally written and read The long eighteenth century is generally hailed as the great age of satire and as such it has received much critical attention However scholars have focused almost exclusively on a small number of canonical works such as Gulliver s Travels and The Dunciad and have not looked for continuity over time Marshall revises the standard account of eighteenth century satire revealing it to be messy confused and discontinuous exhibiting radical and rapid changes over time The true history of satire in its great age is not a history at all Rather it is a collection of episodic little histories **The Oxford History of Classical Reception in English Literature** Patrick Cheney, Philip Hardie, 2015-10-29 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading The Oxford

History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume and third to appear in the series covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading

Laudian and Royalist polemic in seventeenth-century England Anthony Milton, 2013-07-19 This is the first full length study of one of the most prolific and controversial polemical authors of the seventeenth century Newly available in paperback it provides a detailed analysis of the ways in which Laudian and royalist polemical literature was created tracing continuities and changes in a single corpus of writings from 1621 through to 1662 In the process the author presents important new perspectives on the origins and development of Laudianism and Anglicanism and on the tensions within royalist thought Milton s book is neither a conventional biography nor simply a study of printed works but instead constructs an integrated account of Peter Heylyn s career and writings in order to provide the key to understanding a profoundly polemical author Throughout the book Heylyn s shifting views and fortunes prompt an important reassessment of the relative coherence and stability of royalism and Laudianism Historians of early modern English politics and religion and literary scholars will find this book essential reading

The Oxford Handbook of Eighteenth-Century Satire Paddy Bullard, 2019-07-30 Eighteenth century Britain thought of itself as a polite sentimental enlightened place but often its literature belied this self image This was an age of satire and the century s novels poems plays and prints resound with mockery and laughter with cruelty and wit The street level invective of Grub Street pamphleteers is full of satire and the same accents of raillery echo through the high scepticism of the period s philosophers and poets many of whom were part time pamphleteers themselves The novel a genre that emerged during the eighteenth century was from the beginning shot through with satirical colours borrowed from popular romances and scandal sheets This Handbook is a guide to the different

kinds of satire written in English during the long eighteenth century It focuses on texts that appeared between the restoration of the Stuart monarchy in 1660 and the outbreak of the French Revolution in 1789 Outlier chapters extend the story back to the first decade of the seventeenth century and forward to the second decade of the nineteenth The scope of the volume is not confined by genre however So prevalent was the satirical mode in writing of the age that this book serves as a broad and characteristic survey of its literature The Oxford Handbook of Eighteenth Century Satire reflects developments in historical criticism of eighteenth century writing over the last two decades and provides a forum in which the widening diversity of literary intellectual and socio historical approaches to the period s texts can come together *The Oxford Handbook of British Poetry, 1660-1800* John T. Lynch, 2016 In the most comprehensive up to date account of the poetry published in Britain between the Restoration and the end of the eighteenth century a team of leading experts surveys the poetry of the age in all its richness and diversity They provide a systematic overview and restore these poetic works to a position of centrality in modern criticism

Persius and Juvenal Maria Plaza, 2009-08-07 The last decades have seen a lively interest in Roman verse satire and this collection of essays introduces the reader to the best of modern critical writing on Persius and Juvenal The eight articles on Persius range from detailed analyses of his fine technique to readings inspired by theoretical approaches such as New Historicism Reader Response Criticism and Dialogics The nine selections on Juvenal focus upon the pivotal question in modern Juvenalian criticism how serious is the poet when he voices his appallingly misogynist homophobic and xenophobic moralism The contributors challenge the straightforward equivalence of author and speaker in a variety of ways and they also point up the technical aspects of Juvenal s art Three papers have been newly translated for this volume and all Latin quotations are also given in English A specially written Introduction provides a useful conspectus of recent scholarship *The Oxford History of Classical Reception in English Literature: The Oxford History of Classical Reception in English Literature* David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012-09-27 The present volume 3 is the first to appear of the five that will comprise The Oxford History of Classical Reception in English Literature henceforth OHCREL Each volume of OHCREL will have its own editor or team of editors

Preface

A Comparative Study of Early and Late Seventeenth Century Satire Lenora Childress, 1929

The Literature of Satire Charles A. Knight, 2004-02-12 The Literature of Satire is an accessible but sophisticated and wide ranging study of satire from the classics to the present in plays novels and the press as well as in verse In it Charles Knight analyses the rhetorical problems created by satire s complex relations to its community and examines how it exploits the genres it borrows He argues that satire derives from an awareness of the differences between appearance ideas and discourse Knight provides illuminating readings of such satirists familiar and unfamiliar as Horace Lucian Jonson Moli re Swift Pope Byron Flaubert Ostrovsky Kundera and Rushdie This broad ranging examination sheds light on the nature and functions of satire as a mode of writing as well as on theoretical approaches to it It will be of interest to

scholars interested in literary theory as well as those specifically interested in satire *Teaching Modern British and American Satire* Evan R. Davis, Nicholas D. Nace, 2019-05-01 Offers pedagogical techniques for teaching British and American satire from 1700 to the present in college classrooms including considerations of modern theories of satire verbal irony parody gender elitism postcolonialism comics television offensive humor and individualism Provides bibliographical resources and suggestions for teaching satire in composition gateway and survey courses **A Companion to Persius and Juvenal** Susanna Braund, Josiah Osgood, 2012-11-29 A Companion to Persius and Juvenal breaks new ground in its in depth focus on both authors as satiric successors detailed individual contributions suggest original perspectives on their work and provide an in depth exploration of Persius and Juvenal s afterlives Provides detailed and up to date guidance on the texts and contexts of Persius and Juvenal Offers substantial discussion of the reception of both authors reflecting some of the most innovative work being done in contemporary Classics Contains a thorough exploration of Persius and Juvenal s afterlives

The Oxford Guide to Literature in English Translation Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

Juvenal: Oxford Bibliographies Online Research Guide Christopher Nappa, 2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

The Cambridge Companion to Ben Jonson Richard Harp, Stanley Stewart, 2000-11-30 Ben Jonson is in many ways the figure of greatest centrality to literary study of the Elizabethan and Jacobean period He wrote in virtually every literary genre

in drama comedy tragedy and masque in poetry epigram epistle and lyric in prose literary criticism and English grammar He became the most visible poet of his age honored more than even William Shakespeare and his dramatic works in particular his major comedies continue to be performed today This Companion brings together leading scholars from both sides of the Atlantic to provide an accessible and up to date introduction to Jonson s life and works It represents an invaluable guide to current critical perspectives providing generous coverage not only of his plays but also his non dramatic works The volume is informed by the latest development in Jonson scholarship and will therefore appeal to scholars and teachers as well as newcomers to his work The Legacy of Rome Richard Jenkyns,1992 Long considered the standard introduction to Rome s influence on later centuries the original was published in 1923 this completely new edition of the classic work brings together the latest scholarship in the field Unlike the previous version which focused on such narrow topics as commerce and administration the new edition broadens the spectrum of influence showing the impact for example of Roman literature art politics law and language on western civilization With 24 pages of plates Annotation copyrighted by Book News Inc Portland OR The Temper of the Seventeenth Century in English Literature Barrett Wendell,1904

If you ally need such a referred **Roman Satirists In Seventeenth Century England** books that will come up with the money for you worth, get the unquestionably best seller from us currently from several preferred authors.
