Roman Vergil

William Francis Jackson Knight

Roman Vergil:

The Roman Vergil and the Origins of Medieval Book Design David Herndon Wright, British Library, 2001-01-01 The 5th century AD Roman Vergil is one of the most precious manuscripts in the Vatican Library Wright presents a wide ranging discussion of the influence of the manuscript on the history and development of medieval manuscript art and of book design

Roman Vergil William Francis Jackson Knight, 1944 **Roman Vergil** William Francis Jackson Knight, 1944 *Roman Vergil* W. F. Jackson Knight, 1964 *A Companion to Vergil's Aeneid and its Tradition* Joseph Farrell, Michael C. J.

Putnam, 2014-01-28 *A Companion to Vergil's Aeneid and its Tradition* presents a collection of original interpretive essays that represent an innovative addition to the body of Vergil scholarship Provides fresh approaches to traditional Vergil scholarship and new insights into unfamiliar aspects of Vergil's textual history Features contributions by an international team of the most distinguished scholars Represents a distinctively original approach to Vergil scholarship [A Handbook to Classical Reception in Eastern and Central Europe](#) Zara Martirosova Torlone, Dana LaCourse Munteanu, Dorota Dutsch, 2017-02-06

A Handbook to Classical Reception in Eastern and Central Europe is the first comprehensive English language study of the reception of classical antiquity in Eastern and Central Europe This groundbreaking work offers detailed case studies of thirteen countries that are fully contextualized historically locally and regionally The first English language collection of research and scholarship on Greco Roman heritage in Eastern and Central Europe Written and edited by an international group of seasoned and up and coming scholars with vast subject matter experience and expertise Essays from leading scholars in the field provide broad insight into the reception of the classical world within specific cultural and geographical areas Discusses the reception of many aspects of Greco Roman heritage such as prose philosophy poetry material culture Offers broad and significant insights into the complicated engagement many countries of Eastern and Central Europe have had and continue to have with Greco Roman antiquity **Vergil and Elegy** Alison Keith, Micah Y. Myers, 2023-04-28

Born in 70 BCE the Roman poet Vergil came of age during a period of literary experimentalism among Latin authors These authors introduced new Greek verse forms and metres into the existing repertoire of Latin poetic genres and measures foremost among them being elegy a genre that the ancients thought originated in funeral lament but which in classical Rome became first person poetry about the poet lover's amatory vicissitudes Despite the influence of notable elegists on Vergil's early poetry his critics have rarely paid attention to his engagement with the genre across his body of work This collection is devoted to an exploration of Vergil's multifaceted relations with elegy Contributors shed light on Vergil's interactions with the genre and its practitioners across classical medieval and early modern periods The book investigates Vergil's hexameter poetry in relation to contemporary Latin elegy by Gallus Tibullus and Propertius and the subsequent reception of Vergil's radical combination of epic with elegy by later Latin and Italian authors Filling a striking gap in the scholarship *Vergil and Elegy* illuminates the famous poet's wide ranging engagement with the genre of elegy across his oeuvre [T. S. Eliot: A](#)

Virgilian Poet Gareth Reeves,1989-10-13 **The Aeneid of Vergil, Books I-VI** Virgil,1928 *Vergil's Georgics* Katharina Volk,2008-08-21 A collection of ten classic essays on Vergil's Georgics written between 1970 and 1999 The contributions represent recent developments in Vergilian scholarship and are placed in context in a specially written Introduction

Virgil's Ascanius Anne Rogerson,2017-01-20 Ascanius is the most prominent child hero in Virgil's Aeneid He accompanies his father from Troy to Italy and is present from the first book of the epic to the last he is destined to found the city of Alba Longa and the Julian family to which Caesar and Augustus both belonged and he hunts fights makes speeches and even makes a joke In this first book length study of Virgil's Ascanius Anne Rogerson demonstrates the importance of this character not just to the Augustan family tree but to the texture and the meaning of the Aeneid As a figure of prophecy and a symbol both of hopes for the future and of present uncertainties Ascanius is a fusion of epic and dynastic desires Compelling close readings of the representation and reception of this understudied character throughout the Aeneid expose the unexpectedly childish qualities of Virgil's heroic epic

Virgil: The Aeneid Philip R. Hardie,1999 *Virgil: Aeneid Book XI* Scott McGill,2020-01-30 Virgil's Aeneid XI is an important yet sometimes overlooked book which covers the funerals following the fierce fighting in Book X and a council of the Latins before they and the Trojans resume battle after the end of the truce This edition contains a thorough Introduction which provides context for Book XI both within and beyond the rest of the poem explores key characters such as Aeneas and Camilla and deals with issues of metre and textual transmission The line by line Commentary will be indispensable for students and instructors wishing to enhance their understanding of the poem and especially of Virgil's language and syntax Accessible and comprehensive the volume will help readers to appreciate features of Virgilian style as well as deepening their engagement with the content and themes of the Aeneid as a whole **AETOS**

Ihor Sevcenko,Irmgard Hutter,2012-01-02 No detailed description available for AETOS **Time, History, and Literature** Erich Auerbach,2021-08-10 Important essays from one of the giants of literary criticism including a dozen published here in English for the first time Erich Auerbach 1892-1957 best known for his classic literary study Mimesis is celebrated today as a founder of comparative literature a forerunner of secular criticism and a prophet of global literary studies Yet the true depth of Auerbach's thinking and writing remains unplumbed Time History and Literature presents a wide selection of Auerbach's essays many of which are little known outside the German speaking world Of the twenty essays culled for this volume from the full length of his career twelve have never appeared in English before and one is being published for the first time Foregrounded in this major new collection are Auerbach's complex relationship to the Judaeo-Christian tradition his philosophy of time and history and his theory of human ethics and responsible action Auerbach effectively charts out the difficult discovery in the wake of Christianity of the sensuous the earthly and the human and social worlds A number of the essays reflect Auerbach's responses to an increasingly hostile National Socialist environment These writings offer a challenging model of intellectual engagement one that remains as compelling today as it was in Auerbach's own time *The*

Gospels and Homer Dennis R. MacDonald, 2014-11-05 These two volumes of *The New Testament and Greek Literature* are the magnum opus of biblical scholar Dennis R MacDonald outlining the profound connections between the New Testament and classical Greek poetry MacDonald argues that the Gospel writers borrowed from established literary sources to create stories about Jesus that readers of the day would find convincing In *The Gospels and Homer* MacDonald leads readers through Homer's *Iliad* and *Odyssey* highlighting models that the authors of the Gospel of Mark and Luke Acts may have imitated for their portrayals of Jesus and his earliest followers such as Paul The book applies mimesis criticism to show the popularity of the targets being imitated the distinctiveness in the Gospels and evidence that ancient readers recognized these similarities Using side by side comparisons the book provides English translations of Byzantine poetry that shows how Christian writers used lines from Homer to retell the life of Jesus The potential imitations include adventures and shipwrecks savages living in cages meals for thousands transfigurations visits from the dead blind seers and more MacDonald makes a compelling case that the Gospel writers successfully imitated the epics to provide their readers with heroes and an authoritative foundation for Christianity

Preposterous Virgil Juan Christian Pellicer, 2022-06-02 This study in reception develops close readings of English literature as means of interrogating Virgil's texts Through four case studies bookended by wide ranging introductory and concluding chapters this book shows how interpreting the *Eclogues* *Georgics* and *Aeneid* through modern responses can serve to focus on aspects of Virgil that would otherwise be differently perceived or else escape notice altogether Juan Christian Pellicer probes our perceptions of the three Virgilian genres pastoral georgic and epic and analyzes the ways in which modern reconfigurations of these genres can inform our readings of Virgil's works as well as help us realize how our own ideas about Virgil reflect the literary receptions through which we approach his texts This book offers a practical demonstration of classical reception and its value as a critical procedure By testing the value of modern responses to Virgil as means by which to read his texts Pellicer critically examines a central tenet of reception studies of classical authors namely that our understanding of their work can benefit from the receptions through which we perceive them The reader will find Virgil's texts reconfigured in challenging new ways and will find new appreciations of the classical traditions that inform key texts in the English canon

Study Guide to The Aeneid by Virgil Intelligent Education, 2020-06-28 A comprehensive study guide offering in depth explanation essay and test prep for selected works by Virgil ancient Roman poet Titles in this study guide include *The Aeneid* As a poet of the Augustan period his poems are regarded as one of the most important poems in Latin literature Moreover *The Aeneid* captures the personal qualities of Romans and what life in Rome looked like This Bright Notes Study Guide explores the context and history of Virgil's classic work helping students to thoroughly explore the reasons they have stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of

literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research Finding Italy Kristopher Fletcher,2014-11-24 Finding Italy explores the journey of the Romans ancestor Aeneas and his fellow Trojans from their old home Troy to their new country Italy narrated in Vergil s epic poem Aeneid K F B Fletcher argues that a main narrative theme is patriotism specifically the problem of how one comes to love one s new country The various directions Aeneas receives throughout the first half of the poem are meant to create this love explaining both to Aeneas and to Vergil s readers how they should respond to the new unified Italy synonymous with Rome These directions come from the gods or from people close to Aeneas who have divine connections and they all serve to instill an emotional connection to the land creating a mental image of Italy that tells him far more about his destination than merely its location and ultimately making him fall in love with Italy enough to fight for it soon after his arrival The poem thus dramatizes the birth of nationalism as Italy is only a concept to Aeneas throughout his trip these directions do not describe Italy as it is at the time of Aeneas journey but as an ideal to be realized by Aeneas and his descendants reaching its final perfect form under Augustus Caesar Finding Italy provides a very detailed reading of the directions Aeneas receives by situating them within their relevant contexts ancient geography Greek colonization narratives prophecy and ancient views of wandering Vergil draws on all of these concepts to craft instructions that create in Aeneas an attachment to Italy before he ever arrives a process that dramatizes a key emotional problem in the late first century BCE in the wake of the Social and Civil Wars how to balance the love of one s modest birthplace with the love of Rome the larger city that now encompasses it

The Stoic Tradition from Antiquity to the Early Middle Ages, Volume 1. Stoicism in Classical Latin Literature Marcia L. Colish,2022-03-28
