Rereading Romans from the Perspective of Paul's Gospel Yung Suk Kim,2019-07-02 Paul did not write a systematic theology or specific church doctrines when he wrote Romans His audience was Roman Christians and his last will was to preach the gospel to all especially gentiles in Spain Through this letter Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain The question is this What kind of the gospel does he want to share with them Traditionally the letter has been read from the perspective of forensic salvation that an individual justification occurs once and for all by faith in Christ This view remains with the so called New Perspective on Paul and Christ s faithfulness has not been explored Rereading the letter with a renewed concept of the good news in the letter this book challenges the traditional reading of Romans and explores Paul s threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian

The Compilation of Romans Yoseop Ra,2025-02-27 In this book Yoseop Ra would like to reveal that Paul sent letters to the Roman church four times Accordingly it will be revealed that Romans was not written to convey doctrine rather he wrote them to achieve his own purpose He requested help from the Romans to spread the gospel in gentile regions even as far as Spain It seems however that his attempt was rejected due to the renewed theology When this is properly revealed the actual history and theology that Paul had with the Romans will be revealed The most important content was that righteousness is obtained by faith in God who raised Jesus Christ from the dead This was unacceptable to the Romans at the time from a Jewish perspective Paul had to write four letters to persuade them reflecting the fact that they did not agree with his arguments Accordingly the actual history that Paul had with the Romans is different from what has been known to us today If Ra s argument is valid early Christian history will have to be rewritten

Studebaker,2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatological categories [Topical Memory System for Kids](#) The Navigators,2021-09 Begin a lifetime of
