## **Romantic Manifesto:**

**The Romantic Manifesto** Ayn Rand, 1971-10-01 In this beautifully written and brilliantly reasoned book Ayn Rand throws a new light on the nature of art and its purpose in human life Once again Miss Rand eloquently demonstrates her refusal to let popular catchwords and conventional ideas stand between her and the truth as she has discovered it The Romantic Manifesto takes its place beside *The Fountainhead* as one of the most important achievements of our time **The Romantic Manifesto** Ayn Rand, 1975 [The Romantic Manifesto](#) Ayn Rand, 1969 *Ayn Rand* Chris Matthew Sciabarra, 2013-10-15 Author of *The Fountainhead* and *Atlas Shrugged* Ayn Rand 1905 1982 is one of the most widely read philosophers of the twentieth century Yet despite the sale of over thirty million copies of her works there have been few serious scholarly examinations of her thought Ayn Rand *The Russian Radical* provides a comprehensive analysis of the intellectual roots and philosophy of this controversial thinker It has been nearly twenty years since the original publication of Chris Sciabarra's *Ayn Rand The Russian Radical* Those years have witnessed an explosive increase in Rand sightings across the social landscape in books on philosophy politics and culture in film and literature and in contemporary American politics from the rise of the Tea Party to recent presidential campaigns During this time Sciabarra continued to work toward the reclamation of the dialectical method in the service of a radical libertarian politics culminating in his book *Total Freedom Toward a Dialectical Libertarianism* Penn State 2000 In this new edition of *Ayn Rand Chris Sciabarra* adds two chapters that present in depth analysis of the most complete transcripts to date documenting Rand's education at Petrograd State University A new preface places the book in the context of Sciabarra's own research and the recent expansion of interest in Rand's philosophy Finally this edition includes a postscript that answers a recent critic of Sciabarra's historical work on Rand Shoshana Milgram Rand's biographer has tried to cast doubt on Rand's own recollections of having studied with the famous Russian philosopher N O Lossky Sciabarra shows that Milgram's analysis fails to cast doubt on Rand's recollections or on Sciabarra's historical thesis **Romanticism in National Context** Roy Porter, Mikulas Teich, 1988-05-27 Special emphasis is placed on the interplay between Romantic culture and social political and economic change in this study of the course of Romanticism in various European countries *The Romantics* Stephen Prickett, 2016-04-20 First published in 1981 This book aims to show Romanticism as a response to certain questions in literature art religion philosophy and politics that were being asked increasingly towards the end of the eighteenth century The essays focus on growth and change in society and the individual nature feeling and reason and subjectivism examining how these questions arose why they were felt to be important and the kinds of answers that consciously or unconsciously the Romantics provided This title will be of interest to students of literature history and philosophy **Romantic Postmodernism in American Fiction** Eberhard Alsen, 2023-12-21 Intended for teachers and students of American Literature this book is the first comprehensive analysis of romantic tendencies in postmodernist American fiction The book challenges the opinion expressed in the *Columbia History of*

the American Novel 1991 and propagated by many influential scholars that the mainstream of postmodernist fiction is represented by the disjunctive and nihilistic work of such writers as Kathy Acker Donald Barthelme and Robert Coover Professor Alsen disagrees He contends that this kind of fiction is not read and taught much outside an isolated but powerful circle in the academic community It is the two part thesis of Professor Alsen s book that the mainstream of postmodernist fiction consists of the widely read work of the Nobel Prize laureates Saul Bellow and Toni Morrison and other similar writers and that this mainstream fiction is essentially romantic To support his argument Professor Alsen analyzes representative novels by Saul Bellow J D Salinger Norman Mailer Flannery O Connor John Updike Kurt Vonnegut Philip Roth Thomas Pynchon Toni Morrison the later John Barth Alice Walker William Kennedy and Paul Auster Professor Alsen demonstrates that the traits which distinguish the fiction of the romantic postmodernists from the fiction of their disjunctive and nihilist colleagues include a vision of life that is a form of philosophical idealism an organic view of art modes of storytelling that are reminiscent of the nineteenth century romance and such themes as the nature of sin or evil the negative effects of technology on the soul and the quest for transcendence

**The DIM Hypothesis** Leonard Peikoff, 2013-12-03 With his groundbreaking and controversial DIM hypothesis Dr Leonard Peikoff casts a penetrating new

light on the process of human thought and thereby on Western culture and history In this far reaching study Peikoff identifies the three methods people use to integrate concrete data into a whole as when connecting diverse experiments by a scientific theory or separate laws into a Constitution or single events into a story The first method in which data is integrated through rational means he calls Integration The second which employs non rational means he calls Misintegration The third is Disintegration which is nihilism the desire to tear things apart In The DIM Hypothesis Peikoff demonstrates the power of these three methods in shaping the West by using the categories to examine the culturally representative fields of literature physics education and politics His analysis illustrates how the historical trends in each field have been dominated by one of these three categories not only today but during the whole progression of Western culture from its beginning in Ancient Greece Extrapolating from the historical pattern he identifies Peikoff concludes by explaining why the lights of the West are going out and predicts the most likely future for the United States
