Romantic Border Crossings Professor Jeffrey Cass, Professor Larry Peer, 2013-04-28 Romantic Border Crossings participates in the important movement towards otherness in Romanticism by uncovering the intellectual and disciplinary anxieties that surround comparative studies of British American and European literature and culture As this diverse group of essays demonstrates we can now speak of a global Romanticism that encompasses emerging critical categories such as Romantic pedagogy transatlantic studies and transnationalism with the result that new works by writers marginalized by class gender race or geography are invited into the canon at the same time that fresh readings of traditional texts emerge Exemplifying these developments the authors and topics examined include Elizabeth Inchbald Lord Byron G rard de Nerval English Jacobinism Goethe the Gothic Orientalism Emily Dickinson Walt Whitman Anglo American conflicts manifest destiny and teaching romanticism The collection constitutes a powerful rethinking of the divisions that continue to haunt Romantic studies *Transforming Conflict through Communication in Personal, Family, and Working Relationships* Peter M.

Kellett, Thomas G. Matyók, 2016-11-15 A transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures Central to this book is the idea that the origins of transformation can be momentary situational and small scale or large scale and systemic The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people Momentary transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inward to more personal levels This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in personal family and working relationships and organizational contexts The resulting volume presents an engaging mix of scholarly chapters think pieces and personal experiences from the field of practice and everyday life The book embraces a wide variety of theoretical and methodological approaches including narrative critical intersectional rhetorical and quantitative It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively sustainably and ethically **American Lumberman** , 1924

Portrait of America Jerrold Hirsch, 2004-07-21 How well do we know our country Whom do we include when we use the word American These are not just contemporary issues but recurring questions Americans have asked themselves throughout their history and questions that were addressed when in 1935 the Roosevelt administration created the Federal Writers

Project FWP under the aegis of the Works Progress Administration Although the immediate context of the FWP was work relief national FWP officials developed programs that spoke to much larger and longer standing debates over the nature of American identity and culture and the very definition of who was an American Hirsch reviews the founding of the FWP and the significance of its American Guide series considering the choices made by administrators who wanted to celebrate diversity as a positive aspect of American cultural identity In his exploration of the FWP s other writings Hirsch discusses the project s pioneering use of oral history in interviews with ordinary southerners ex slaves ethnic minorities and industrial workers He also examines congressional critics of the FWP vision the occasional opposition of local Federal Writers especially in the South and how the FWP s vision changed in response to the challenge of World War II In the course of this study Hirsch raises thought provoking questions about the relationships between diversity and unity government and culture and ultimately culture and democracy

Another Year Finds Me in Texas Vicki Adams Tongate, 2016-02-23 In one of the few women's diaries from Civil War era Texas a Northerner trapped in the Confederacy at the outbreak of war recounts her experience Lucy Pier Stevens a twenty one year old woman from Ohio came to visit her aunt's family near Bellville Texas on Christmas Day 1859 Little did she know how drastically her life would change on April 4 1861 when the outbreak of the Civil War made returning home impossible Stranded in enemy territory for the duration of the war how would she reconcile her Northern

upbringing with the Southern sentiments surrounding her Lucy Stevens's diary offers a unique perspective on daily life at the fringes of America's bloodiest conflict. An educated and keen observer, Stevens took note of everything: the weather, illnesses, food shortages, parties, church attendance, chores, schools, childbirth, death, the family's slaves, and political and military news. As Stevens confided her private thoughts to her journal, she revealed how her love for her Texas family and the Confederate soldiers she came to know blurred her loyalties. Showing how the ties of heritage, kinship, friendship, and community transcended the sharpest division in US history, this rare diary and Vicki Adams Tongate's insightful historical commentary on it provide a trove of information on women's history, Texas history, and Civil War history.
