Romantic Ghost Stories:

Fireside Ghost Stories for Valentine's Day M. Kellermeyer, 2018-01-23 Romance has always had a dark side something sinister possessive even fatal lurks behind the desire to attract and be attracted For centuries something spiritual even supernatural has been suspected in the ways of lovers in the night Shakespeare called love making the beast with two backs in many ages the monomaniacal lust of a man for one woman has been blamed on witchcraft the French refer to the sleep that follows intercourse as le petite mort the little death There is a night side to our amours a dark animalistic release that takes place when we are alone with our love drenched with shadows and candlelight Something vestigial and primitive about romance returns us to our less civilized forms and for some of us it is one of the few moments that we can genuinely sense our relationship to infinity and the realm of spirits Consequently romance has become one of the most prominent themes in Gothic fiction from Dracula to The Phantom of the Opera from Wuthering Heights to The Raven nothing bridges the gap between reality and imagination the physical and the spiritual quite so nimbly as carnal attraction and no genre is more capable of deconstructing these emotions quite so nimbly as horror The collection presented here offers samples of some of the greatest romantic ghost stories and supernatural fiction from the Golden Age of Horror There are tales of ghostly highwaymen resurrected vampires Deceased lovers returning from the grave marriages between ghosts and the living marriages between skeptics and decapitated corpses attractions struck up after breaking into haunted houses attractions frustrated by hereditary curses abductions by demon lovers abductions by possessive spirits abductions by vengeful ghosts romantic waltzes with the Grim Reaper in female form revenge had by jilted lovers revenge had by murdered rivals revenge had by deceased wives romances with revived Egyptian slave girls romances with cursed mummies romances with enchanted portraits romances across dimensions of time and space tragedies involving poor communication between the genders tragedies involving hypnosis tragedies involving unintended affairs and tragedies involving assault by animated statues Oh and much much more If your Valentine has a taste for the macabre and the romantic pair this book with your roses and your box of chocolates And make sure the chocolate is dark very dark [Romantic Ghost Stories](#) Julie Burtinshaw, 2003 Based on true accounts these stories explore the lasting effects of lost love among the living *The Ghost Next Door* Ginny Baird, 2013-08 A single mom and her teenage daughter move next to a spooky old house and the small town sheriff comes to their aid THE GHOST NEXT DOOR When destiny takes a hand You've got to hold on tight When single mom Elizabeth Jennings gets sent to a new town to revamp its weekly paper she resists Her daughter Claire is just fifteen and has recently started high school But Elizabeth's boss insists so the two pack up and move to the tiny Virginia town which isn't even on most maps Their luck goes from bad to worse when they discover the house Elizabeth rented online cozies up to an abandoned house When creepy things start occurring next door Elizabeth's glad to have the small town sheriff in their corner Nathan Thorpe is not just a stand up guy they can trust he's cool to have around when things go bump in the night Elizabeth

also learns he's good at holding her tight And when she's wrapped in his arms she becomes afraid of more than ghostly happenings She fears she's losing her heart Like most folks in Blayton Nathan Thorpe is here for a reason Only he didn't fully understand what that reason was until a stunning brunette and her daughter came to town Nathan's immediately drawn to Elizabeth and feels motivated to protect her and Claire believing that means shielding them from nonsensical small town lore With Halloween approaching there are rumors swirling about concerning the old Fenton place located across the street from the graveyard and next to the newer home occupied by the Jennings Nathan's a calm thinker who can find a rational explanation for almost anything Yet there are deeper mysteries in Blayton than Nathan can explain When he learns the truth will he still be able to hold onto the woman he loves Haunted (The Haunted Love Ghost Stories YA Trilogy Boxed Set)

Wandering Souls Lennox Harlow,AI,2025-02-26 Wandering Souls explores

the enduring fascination with ghosts and spirits across cultures religions and literature revealing how these spectral figures reflect deep seated human anxieties about death and the unknown Even with scientific advancements belief in spirits persists shaping cultural practices and individual psychology The book uniquely bridges folklore religious studies and literary analysis to provide a comprehensive understanding of this age old phenomenon The book examines ancient burial rituals spirit communication practices and the evolution of ghost stories highlighting how different cultures conceptualize the afterlife For instance it looks at recurring themes in ghost stories such as vengeful spirits and guardian spirits and how major religions address spirits through concepts like purgatory and reincarnation By analyzing literary and artistic representations Wandering Souls demonstrates how these depictions shape our understanding of both these figures and the human condition Beginning with core concepts like animism and ancestor worship Wandering Souls progresses through folklore religious beliefs and their literary representations It concludes by synthesizing these elements showcasing how the persistent belief in ghosts reflects humanity s ongoing struggle to reconcile with mortality and make sense of the unknown offering a culturally sensitive exploration without sensationalism
