Rome Haul New York Classics:

Rome Haul Walter Dumaux Edmonds,1987 **The Boyds of Black River** Walter D. Edmonds,1988-11-01 **Upstate** Edmund Wilson,2019-11-19 Historical recollections of life in upstate New York from Edmund Wilson one of America's preeminent literary critics of the twentieth century What I have written shows the gradual but steady expiration of the world of New York State as I knew it in my childhood and the modifications that its life has undergone It is true that Lowville and Boonville have changed less unless perhaps Charlottesville Virginia than any other part of this country that I knew when I was a child But as has been seen it has reflected all the changes that to a greater degree have been taking place in the life of the country as a whole Edmund Wilson Grandfather Stories Samuel Hopkins Adams,1989-04-01 **Canal Town** Samuel Hopkins Adams,1988-11-01 Samuel Hopkins Adams presents a fictional portrait of an Erie Canal town in the early nineteenth century This piece of classic literature relates the tale of a young doctor setting up a practice in the canal town *The Traitor and the Spy* James Thomas Flexner,1991-11-01 An account of the traitorous trio who almost toppled the American nation at its birth Benedict Arnold offered to sell his soldiers with the key fortress of West Point and to deliver to the enemy dead or alive George Washington The plot promised to destroy the American battle of freedom **The Best Adirondack Stories of Philander Deming** Philander Deming,1997-03-01 In simple darkly faceted stories Philander Deming writes as a person whose childhood knowledge of the Adirondacks has been honed to a fine sense for its potential human tragedy In this the first collection of his best work a haunting vision of the Adirondacks comes through that is hard to forget Deming's themes revolve around deception and self deception loneliness and good intentions gone awry Most of his stories occur just before or after the Civil War In almost every story however Deming shows his characters looking back towards the mountains from the Mohawk or St Lawrence Valley or from lonely settlements on the edge of the forest or across Lake Champlain Few Adirondack writers have been so convincing in conveying the keen isolation of life in the northern forest and its peculiar effects on the human mind The wilderness community is cruel fostered by ignorance and isolation In the end the mountains seemingly a neutral backdrop against which individuals confront a collective morality are the real source of his inspiration

Erie Canal Sings, The: A Musical History of New York's Grand Waterway Bill Hullfish With Dave Ruch,2019 Life working along the banks of the Erie Canal is preserved in the songs of America's rich musical history Thomas Allen's Low Bridge Everybody Down has achieved iconic status in the American songbook but its true story has never been told until now Erie songs such as The Erie Is a Risin would transform into The C O Is a Risin as the song culture spread among a network of other canals including the Chesapeake and Ohio and the Pennsylvania Main Line As motors replaced mules and railroads emerged the canal song tradition continued on Broadway stages and in folk music recordings Author Bill Hullfish takes readers on a musical journey along New York's historic Erie Canal *In the Hands of the Senecas* Walter D. Edmonds,1995-12-01 These stories tell how the Indians captured pioneer women on the warring frontier in revolutionary

New York how the rigours of frontier life affected the women and how in many cases they were equal to the situation The book is organised as a series of loosely related narratives

Mostly Canallers Walter D. Edmonds,1987-06-01 Edmund Wilson felt this collection of twenty four stories originally published in 1934 contains some of Walter Edmonds best work The Atlantic Monthly wrote that Upstate New York has provided Edmonds with an inexhaustible store of characters one would like to know A number of the stories were award winning and appeared in such collections as Best Stories of 1929 and The O Henry Memorial Award Prize Stories Black Wolf The End of the Towpath Death of Red Peril these and others faithfully depict an era and region for which Edmonds became chief literary spokesman Episodic and anecdotal they catch in various ways something of the nuances of real life as it was in the days when the Erie Canal offered a passage west for many travelers and settlers and a livelihood for many more

Mount Allegro Jerre Mangione,1998-03-01 Mount Allegro is an extraordinary memoir a celebration of Sicilian life an engaging sociological portrait a moving reminiscence of a fledgling writer's escape from the restrictive culture in which he grew up Jerre Mangione's autobiographical chronicle of his youth in a Sicilian community in Rochester is one of the truly enduring books about the immigrant experience in this country Family squabbles soul nourishing food and the casting of evil eyes are only some of the ingredients of this richly textured book although they must all take second place to its unforgettable characters As Eugene Paul Nassar writes in the book's Foreword Mount Allegro gave a literary visibility and identity amiable and appealing to a poorly understood ethnic group in America and did so at a very high level of artistry

Time To Go Home Walter D. Edmonds,1994-10-01 This is a children's story about the field mice who yearly leave the meadow to go home for the winter This year Smalleata falls in love with Raffles a house mouse and an ultimately approved and celebrated mixed marriage follows

A Vanished World Anne Gertrude Sneller,1994-08-01 A Vanished World is an elegant and exquisite personal portrait of a rural turn of the century childhood from a young girl's perspective But Anne Sneller's vanished world is not just the small world she knew as a child it is the world of the old rural America a peaceful world of family farms quiet country roads and small towns which stretched from New England to the West Coast from Minnesota to Texas

Drums Along the Mohawk Walter Dumaux Edmonds,1963 Gilbert Martin and his new bride Lana pioneers in the Mohawk Valley live and protect their land through weather disasters love and hate and Indian attacks

The Rivers of America Carol Fitzgerald,2001 A comprehensive description of the 65 title Rivers of America book series 1937 1974

The Mohawk Codman Hislop,1989-10-01 Hislop writes living history Father Jogues is there as are Sir William Johnson and Molly Brant Nicholas Herkimer DeWitt Clinton Eliphalet Nott the Remingtons Charles Steinmetz and a host of others Fur trading land grabbing Dutch Palatines Yankees the Battle of Oriskany the Erie Canal the Mohawk and Hudson Railroad General Electric are all part of the story of The Mohawk Hislop's presentation of this unique region is both informative and compelling

Bert Breen's Barn Walter D. Edmonds,1991-06-01 Tom Dolan is an impoverished

youth who lives in upstate New York with his mother and two sisters Set in the early part of this century the story concerns young Tom s fascination with Bert Breen s barn a huge structure that looms on the landscape long ago deserted and uninhabited and the mystery of Bert Breen s treasure a large sum of money rumored to have been buried on the barn grounds Tom gets the idea into his head that he would like to buy the barn some day and move it down to his own family s land some seven miles away The story builds to an exciting conclusion with the reconstruction of the entire barn and a sudden and unexpected answer to young Tom s dreams **Bulletin and Italiana** ,1929
