Romeo And Juliet Julius Caesar Hamlet Macbeth:

Romeo and Juliet William Shakespeare, Mark Van Doren, 1960 *Romeo and Juliet, Julius Caesar, Hamlet, Macbeth*
WILLIAMS. SHAKESPEARE, 2001 **Romeo and Juliet** William Shakespeare, 1950 **Four Great Tragedies** William
Shakespeare, 1956 Romeo and Juliet ; Julius Caesar ; Hamlet ; Macbeth William Shakespeare, Alfred Leslie
Rowse, 1984-01-01 Romeo and Juliet ; Julius Caesar ; Hamlet ; Macbeth William Shakespeare, 1958 **Four great
tragedies** William Shakespeare, 1997* **Shakespeare the Playwright** Victor L. Cahn, 1996-03-30 When Victor Cahn's
Shakespeare the Playwright was issued in 1991 it was highly recommended for any general public library and for academic
collections at all undergraduate levels. Chosen and viewed as a useful guide for the general reader as well as high school and
undergraduate students. Library Journal. Now Professor Cahn has revised his introduction to make the context of Shakespeare's
plays more meaningful to the beginning researcher and to show how the plays have been performed from the 16th century
onward. In addition, the bibliographies for each of the 37 plays have been updated to include the best new research. These
updates and revisions will enhance the use of this guide for the general reader, student, and researcher from high school
onward. Since their first production four centuries ago, the plays of William Shakespeare have been the most widely produced,
popularly acclaimed, and critically examined works in the world's literature. In this unique book, Victor L. Cahn, an acclaimed
teacher of drama, guides the reader scene by scene through each of Shakespeare's thirty-seven plays, re-creating the
freshness and theatrical effect of performance. Cahn has based his approach on the assumption that the fundamental appeal
of Shakespeare's plays lies in the characters, and with clarity and subtlety he focuses on how the implications of the
characters' actions and the nuances of their language contribute to the plays' impact. The introduction briefly traces
Shakespeare's life and career and explains some of the social and artistic circumstances that influenced his work. The plays
are grouped by genre: Tragedies, Histories, Comedies, and Romances. This structure allows Cahn to explore Shakespeare's
development in all four dramatic forms as well as to suggest relationships between characters, themes, and images throughout
the works. In addition, Cahn discusses the plays as reflective of Shakespeare's age, particularly the Renaissance concern with
the tension between individual rights and social responsibility. The text is free from extensive scholarly apparatus but
valuable suggestions for further reading follow the analysis of each play, and a selected bibliography concludes the volume.
The comprehensiveness of the book, as well as the accessibility and quality of its interpretations, make it a valuable resource
for courses in Shakespeare drama and British literature and a worthy addition to high school, college, university, and public
library reference collections. **William Shakespeare** Douglas J. King, 2020-10-08 Based on solid research and clear
explanations, this book provides a thorough and up-to-date analysis of 10 key facts and fictions regarding the life and works of
William Shakespeare. Shakespeare is perhaps the most famous author in world literature. His works have attracted
tremendous critical and historical attention, and the world in which he lived has been the subject of hundreds, if not thousands

of books But for all the attention given to Shakespeare and his world arguments continue about what we can say for sure concerning his life and works This book brings a unique perspective to the ongoing fascination and debate over the life and works of the most renowned writer of all time The book focuses on 10 separate key issues including Shakespeare s sexuality his religion his marriage and family his education and the vexing authorship question Each chapter treats a particular topic and provides a section on what people think happened how the story developed and what we now believe is the historical truth This book looks objectively and closely at evidence to provide the most likely explanations for questions that cannot be definitively answered Using historical primary source documents it gives readers the clearest possible view of endlessly fascinating topics *Catalogue of Ohio Wesleyan University for ..., Delaware, Ohio* Ohio Wesleyan University,1913
