Roswell S Ripley 1823 1887 was a man of considerable contradictions exemplified by his distinguished antebellum service in the US Army followed by a controversial career as a Confederate general After the war he was active as an engineer entrepreneur in Great Britain Author Chet Bennett contends that these contradictions drew negative appraisals of Ripley from historiographers and in Resolute Rebel Bennett strives to paint a more balanced picture of the man and his career Born in Ohio Ripley graduated from the US Military Academy and served with his classmate Ulysses S Grant in the Mexican War during which Ripley was cited for gallantry in combat In 1849 he published The History of the Mexican War the first book length history of the conflict While stationed at Fort Moultrie in Charleston Ripley met his Charleston born wife and began his conversion from unionism to secessionism After resigning his US Army commission in 1853 Ripley became a sales agent for firearms manufacturers When South Carolina seceded from the Union Ripley took a commission in the South Carolina Militia and was later commissioned a brigadier general in the Confederate army Wounded at the Battle of Antietam in 1862 he carried a bullet in his neck until his death Unreconciled in defeat Ripley moved to London where he unsuccessfully attempted to gain control of arms manufacturing machinery made for the Confederacy invented and secured British patents for cannons and artillery shells and worked as a writer who served the Lost Cause After twenty five years researching Ripley in the United States and Great Britain Bennett asserts that there are possibly two reasons a biography of Ripley has not previously been written First it was difficult to research the twenty years he spent in England after the war Second Ripley was so denigrated by South Carolina's governor Francis Pickens and Gen P G T Beauregard that many writers may have assumed it was not worth the effort and expense Bennett documents a great disconnect between those negative appraisals and the consummate sincere military honors bestowed on Ripley by his subordinate officers and the people of Charleston after his death even though he had been absent for more than twenty years A vitally useful addition to the Civil War Charleston literature Civil War Books and Authors A deeply researched and closely argued study General Roswell S Ripley emerges from the margins of Civil War history thanks to the able pen of Chet Bennett A Wilson Greene author of Civil War Petersburg Confederate City in the Crucible of War

The Maryland Campaign of September 1862 Joseph Pierro, 2012-08-21 Completed in the early 1900s The Maryland Campaign of September 1862 is still the essential source for anyone seeking understanding of the bloodiest day in all of American history As the U S War Department s official expert on the Battle of Antietam Ezra Carman corresponded with and interviewed hundreds of other veterans from both sides of the conflict to produce a comprehensive history of the campaign that dashed the Confederacy s best hope for independence and ushered in the Emancipation Proclamation Nearly a century after its completion Carman s manuscript has finally made its way into print in an attractively packaged one volume edition painstakingly edited annotated and indexed by Joseph Pierro This edition the first to publish the

entire Carman manuscript including the fifteen appendices is designed for ease of use with standardized punctuation and spelling and conveniently footnoted explanations wherever necessary The Maryland Campaign of September 1862 is a crucial document for anyone interested in delving below the surface of the military campaign that forever altered the course of American history and is still the only complete edition of Carman's work on the market Due to an unfortunate case of mistaken identity the man currently appearing in the frontispiece of The Maryland Campaign of September 1862 is not the actual Ezra Carman but someone who looks remarkably similar to him The real Mr Carman can be found at <http://www.loc.gov/pictures/item/cwp2003001783> PP We apologize for the mistake and will correct this error in further printings
