Adams,2022-01-18 Born in Iowa Harry Lloyd Hopkins 1890 1946 graduated from Grinnell College and took a job at Christadora House a social settlement house in New York City where he later worked in the Bureau of Child Welfare and the New York Temporary Emergency Relief Administration TERA before President Roosevelt asked him to run the Federal Emergency Relief Administration FERA the Civil Works Administration and the Works Progress Administration WPA which he built into the largest employer in the US Hopkins was Secretary of Commerce from 1938 until 1940 From 1940 until 1943 he lived and worked in the White House He enjoyed close relationships with FDR and with Eleanor Roosevelt During World War II he oversaw the 50 billion Lend Lease program of military aid to the Allies and as FDR s personal envoy to Churchill and Stalin had a key role in shaping Allied military strategy Hopkins was considered a potential successor to FDR as President until the late 1930s when his health began to decline due to a long running battle with stomach cancer He died at the age of 55 The author is the first since Robert Sherwood to complete a full biography of Harry Hopkins He has added significant detail based on new sources while confirming Sherwood s portrait of a brave and loyal aide who ranked with George Marshall in his contribution to victory in World War II The three most influential foreign policy advisers to Presidents in this century were Colonel House for Wilson Hopkins and Henry A Kissinger Hopkins was more loyal than House less innovative than Kissinger but equal to both in his ability to get things done He died in 1946 exhausted and in debt Gaddis Smith Foreign Affairs A fascinating well written book Hopkins s influence on national social welfare policy developments lasted only a relatively short time from 1932 to 1938 when he was appointed Secretary of Commerce Then the events that were to lead to World War II were shaping up and Roosevelt chose Hopkins to serve as his personal ambassador That part of the story is completely absorbing and the reader will find it well worth his time as general history and intimate biography F R B Social Service Review This first detailed biography of Harry Hopkins is essential reading to one interested in the domestic and foreign policies of Franklin Roosevelt Hopkins was closer and had a greater impact on Roosevelt during his presidency than any other single individual The book is well written interesting and thoroughly documented Hopkins role as head of the Works Progress Administration is skillfully

outlined The importance of his work during World War II in acting as Roosevelt s liaison with both Churchill and Stalin cannot be underestimated Despite the obviously important matters of substance in which Hopkins was involved the book does not neglect his personal life domestic problems and poor health He comes through it all as a very interesting individual with whom one would have enjoyed working Victor B Levit American Bar Association Journal      **Roosevelt and Hopkins** Robert Emmet Sherwood,1950      *Roosevelt und Hopkins ; (Hermann Stresau besorgte d. O'Sullivan,2014-10-30 One of the most controversial figures of the New Deal Era Harry Hopkins elicited few neutral responses from his contemporaries Millions admired him and believed the New Deal agencies he headed had rescued them from despair but many of President Roosevelt s enemies passionately hated him and derisively called him the world s greatest spender or FDR s left wing Rasputin Hopkins was a paradoxical man a trained social worker who enjoyed the company of the swells attending cocktail parties and gambling at the track Once the quintessential New Dealer during World War II he single mindedly devoted himself to aiding the allies downplaying his previous commitment to social reform and rupturing his friendship with Eleanor Roosevelt among others He was sickly and underweight yet a profane and blunt spoken man lacking in any outward affectations of charisma Still FDR curiously saw Hopkins who moved into the White House on the very day that Germany invaded France in May 1940 as his most suitable successor the New Deal s legatee a possible Democratic nominee for president Much of what FDR accomplished would never have been possible without Hopkins whom the press described as not only FDR s most trusted official but also his most intimate personal friend Analyzing Hopkins role in wartime diplomacy and his personal relationships with the twentieth century s most indispensable leaders historian Christopher O Sullivan offers enormous insight into the most controversial aspects of FDR s foreign policy the New Deal Era and the beginning of modern American history      **Harry Hopkins** June Hopkins,1999 A biography of the theorist who shaped the modern welfare state examines Harry Hopkin s origins in social work his commitment to impoverished Americans and his contributions to FDR s New Deal reforms including the Social Security Act of 1935      **The ^AHopkins Touch** David L. Roll,2013-01-04 An engaging biography of one of FDR s closest advisors and political point man during World War II The Hopkins Touch brings this significant figure to life through previously private diaries and letters      **Roosevelt and Hopkins** Robert Emmet Sherwood,1950      *Harry Hopkins* Christopher D. O'Sullivan,2014-10-30 One of the most controversial figures of the New Deal Era Harry Hopkins elicited few neutral responses from his contemporaries Millions admired him and believed the New Deal agencies he headed had rescued them from despair but many of President Roosevelt s enemies passionately hated him and derisively called him the world s greatest spender or FDR s left wing Rasputin Hopkins was a paradoxical man a trained social worker who enjoyed the company of the swells attending cocktail parties and gambling at the track Once the quintessential New Dealer during World War II he single mindedly devoted himself to aiding the allies downplaying his

previous commitment to social reform and rupturing his friendship with Eleanor Roosevelt among others. He was sickly and underweight yet a profane and blunt spoken man lacking in any outward affectations of charisma. Still FDR curiously saw Hopkins who moved into the White House on the very day that Germany invaded France in May 1940 as his most suitable successor, the New Deal's legate, a possible Democratic nominee for president. Much of what FDR accomplished would never have been possible without Hopkins, whom the press described as not only FDR's most trusted official but also his most intimate personal friend. Analyzing Hopkins' role in wartime diplomacy and his personal relationships with the twentieth century's most indispensable leaders, historian Christopher O. Sullivan offers enormous insight into the most controversial aspects of FDR's foreign policy, the New Deal Era, and the beginning of modern American history.
