Roosevelt Hopkins An Intimate History:

Roosevelt and Hopkins Robert Emmet Sherwood,1950 **Roosevelt and Hopkins** Robert E. Sherwood,1950 *How Roosevelt Failed America in World War II* Stewart Halsey Ross,2006-05-17 Reeling from the devastation of World War I many Americans vowed never again to become involved in European conflicts This stance was formalized in 1935 when Congress passed the first Neutrality Act which was not only designed to keep America out of foreign wars but also called for the president to declare an immediate embargo of arms and munitions to all belligerent countries As war loomed and eventually erupted in 1939 President Franklin D Roosevelt instituted several policies that aided the Allies and American neutrality was questionable many months before the attack on Pearl Harbor This work examines how Roosevelt navigated prewar neutrality to push the United States toward intervention on the side of the Allies in World War II and considers critically his wartime policy of unconditional surrender and his unprecedented acceptance of a fourth term It covers his prewar policies that sidestepped neutrality including covert submarine warfare air patrol of the North Atlantic the Lend Lease Act and coordination between the American and British navies and critiques his plans for rebuilding postwar Europe Thirteen appendices parallel prewar planning by Roosevelt and Woodrow Wilson and reproduce such key documents as the Atlantic Charter and the Potsdam Declaration **Roosevelt and Hopkins** Robert E. Sherwood,2001 This book has the inside story of the final triumph and how FDR organized and used the men and tools at his disposal to bring about defeat of the Axis and to end fascism to the world Roosevelt and Hopkins, an Intimate History Robert E.. Sherwood,1948 **Roosevelt and Hopkins** Robert Emmet Sherwood,1950 Roosevelt's Lost Alliances Frank Costigliola,2013-02-24 This study brings to light key overlooked documents such as the Yalta diary of Roosevelt s daughter Anna the intimate letters of Roosevelt s de facto chief of staff Missy LeHand and the wiretap transcripts of estranged advisor Harry Hopkins The book lays out a new approach to foreign relations history **The War Against Japan, 1941-1945** John J. Sherwood,1950 **Federal Theatre, 1935-1939** Jane DeHart Mathews,2015-03-08 The WPA Theatre Project conceived as a relief measure a work program and an artistic experiment enjoyed a brief but lively existence With skill and sensitivity Mrs Mathews explores its turbulent history from its ambiguous origins in 1935 to its tragic demise in 1939 The book recreate the atmosphere of the era and conveys a vivid sense of the Joys frustrations and personal sacrifices undergone by those dedicated few who recognized the need for an American People s Theatre Mrs Mathews also provides a detailed account of the Congressional hearings which occasioned the disbanding of the Project and a fascinating portrait of Hallie Flanagan the Projects colorful National Director Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Churchill, Roosevelt & Company Lewis E. Lehrman,2017-01-30 During World War II the special relationship between the United States and Great Britain cemented the alliance that won the war But the ultimate victory of that partnership has obscured many of the conflicts behind Franklin Roosevelt s grins and Winston Churchill s victory signs the clashes of principles and especially personalities between and within the two nations Synthesizing an impressive variety of sources from memoirs and letters to histories and biographies Lewis Lehrman explains how the Anglo American alliance worked and occasionally did not work by presenting portraits and case studies of the men who worked the back channels and back rooms the secretaries and under secretaries ambassadors and ministers responsible for carrying out Roosevelt s and Churchill s agendas while also pursuing their own and thwarting others This was the domain of Joseph Kennedy American ambassador to England often at odds with his boss spymasters William Donovan and William Stephenson Secretary of State Cordell Hull whom FDR frequently bypassed in favor of Under Secretary Sumner Welles British ambassadors Lord Lothian and Lord Halifax and above them all Roosevelt and Churchill who had the difficult task not always well performed of managing their subordinates and who frequently chose to conduct foreign policy directly between themselves Scrupulous in its research and fair in its judgments Lehrman s book reveals the personal diplomacy at the core of the Anglo American alliance **The Morgenthau Plan** John Dietrich,2013 Contrary to what is often reported in history books the Morgenthau Plan was a major element in postwar planning led by Washington before the war was even over This book traces the roles played by Henry Morgenthau Jr Secretary of the Treasury to President Roosevelt and his assistant

Harry Dexter White in the planning for the postwar world Close attention is given to the discussions leading up to the Second Quebec Conference in 1944 where Winston Churchill's acceptance of the plan was obtained It is clear that the effects of the policy were understood in advance The book follows the devastating consequences of the policies based on the plan and their contribution to the postwar collapse of the European economy Damning evidence shows that the Allies intentionally brought starvation and disease to large civilian populations while condemning millions of Germans to slave labor in neighboring countries and knowingly sending surrendered Russians to be sent back home for certain execution The motives of revisionist historians are suspect as they should be It is obvious that the conclusions that can be drawn from this account could be abused They could be used to condemn all Americans for the policies of some of their leaders They could also be used by people trying to justify the behavior of the National Socialists or by anti Semites However it should be pointed out that the American people paid an extremely high price for their Secretary of Treasury's interference in foreign affairs It should also be pointed out that one of the severest critics of Western postwar policy was the Jewish publicist Victor Gollancz This account is based primarily on unclassified information that has been available to the public for decades Although many accounts of the Morgenthau Plan accept the euphemisms understatements and outright fabrications offered by the individuals concerned this account will demonstrate that it was not impossible for a conscientious researcher to uncover a more accurate picture of the truth However most scholars have decided to accept at face value statements that on close inspection are obviously false Some of these misstatements concerning the Morgenthau Plan are understandable It is less understandable when a respected biographer like Robert E Sherwood intentionally distorts the historical record The contradictions between what really happened and what Americans believe and have been told are manifold It is ironic that Nazis who committed the most terrible crimes frequently received more humane treatment at the hands of the Allies than Germans who had opposed Nationalist Socialism It is also striking to note the evidence that key individuals had Communist leanings and it was the Soviet Union that benefited most from the Morgenthau Plan Many of the subjects dealt with in this manuscript are fertile ground for a researcher wanting to make a name for himself They are nearly virgin territory Why have so many of these subjects been treated as taboo When will our historians feel free to explore the implications that America's progressive establishment was frequently in alignment with Communist goals Roosevelt and Hopkins Nina Lee Weisinger, 1950

Roosevelt and Hopkins : an Intimate History: From Pearl Harbor to victory Robert Emmet Sherwood, 1950 *Harry L. Hopkins and Anglo-American-Soviet Relations, 1941-1945* Dwight William Tuttle, 1983 With the death of Franklin Roosevelt and the onset of the Cold War President Harry S Truman relied on Hopkins to resolve several outstanding differences between America and Russia in the spring of 1945 The new President however did not accept Hopkins' advice that the United States must be more assertive in future conflicts with the Soviet Union Truman believed that Roosevelt's policy of postwar cooperation with the Soviet Union was still possible This study relies primarily on the papers of Harry Hopkins and Franklin

D Roosevelt in the Roosevelt Library collections in the Harry S Truman Library published documents of the Department of State the Department of State Files in the National Archives and the Oral History Project at Columbia University Personal interviews with Hopkins children and Elliott Roosevelt provide an additional significant perspective **Parameters** ,1991
