Lima, John A. young people and it was the era of Rock and Roll Elvis Buddy Holly and the Everly Brothers were household names Dick Clark's American Bandstand was on TV in the afternoons and everyone rushed home from school to watch the latest dances There were only records at the time 45's and 78's which were played on phonographs It would be years before cassettes CD's and iPods were invented The music was portable though because everyone was getting transistor radios If a group of kids got together at a lake or somewhere out in the middle of nowhere they would just tune their car radios to the same station and turn up the volume I have tried throughout the book to portray life back in those days with many details depicting the culture and fads of that time I am hoping that this book will give today's teenagers a different perspective on life at that time while giving my own generation a chance to walk down Memory Lane

Records & Briefs New York State Appellate Division,

Fire-Breathing Liberal Rep. Robert Wexler, David Fisher, 2008-06-24 There's a reason The Nation America's leading progressive magazine named Robert Wexler the country's Most Valuable Congressman It's the same reason right wing radio host Rush Limbaugh refers to him as disgusting It's because for the last twelve years Wexler has been Congress's most outspoken liberal taking on George W Bush Dick Cheney Condoleezza Rice Alberto Gonzales General David Petraeus and when necessary even his own party In Fire Breathing Liberal Wexler brings readers onto the floor of the House and puts them at the center of some of the last decade's biggest controversies He passionately describes how he defended Bill Clinton from impeachment and how he stood up against the Bush brothers when the butterfly ballots in his Florida district wrongly

decided the 2000 presidential election He also offers an honest and brutal assessment of the Iraq war and explains why he has become a leader in the movement to impeach Vice President Cheney And with warmth and wit Wexler shares some of the funniest stories from the corridors of Congress including how he became The Colbert Report s most talked about guest This is a remarkably candid first person account of recent political history that shows government as it has rarely been seen by a Democrat in the middle of the storms

Gone but Not Forgotten: an Ozark Autumn to Be Remembered Suella Thrasher,2016-03-16 The tall young woman with sparkling green eyes and long curly copper red hair stooped gracefully and placed her autumn colored bridal bouquet on the grave at the base of the tombstone Five little graves beside hers were testimony to the sorrow and pain of loss as written in the century old journal held by the young bride The autumn sun danced through the leaves of red orange yellow and gold and on the bent face of the young woman as she whispered Thank you grandmother I wish you could see me and hear me God does answer prayer This fictional account is about trusting God in all situations and allowing Him to direct your ways Points for reflection or group discussion are at the end of the book
