Sensation Hollywood Daughters:

Secret Daughter June Cross,2006 The daughter of a white mother and black father describes the factors that caused her mother to place her in the custody of an African American family and the impact of her mother's later choice to hide the truth about their relationship Vincent Price: A Daughter's Biography Victoria Price,2018-09-12 The inside story of the legendary actor's 65 year career from radio to classic movies and horror films to Broadway and his family life Entertaining and touching The New York Times **Hollywood's Monstrous Moms** Kassia Krone,2024-04-08 From Carrie and Rosemary's Baby to Us Hereditary and Run the image of the mentally ill mom as villain looms large in the horror genre What do these movies communicate about mothers living with mental illness and how do these depictions affect them Portraying mentally ill moms as problems to be overcome often by their own children perpetuates harmful stereotypes with potential real world consequences such as the belief that these women are unfit to bear or raise children More compassionate representations are needed to lessen the social stigma associated with the mentally ill Fortunately some of the contemporary horror films are attempting to achieve that task with critical success Using case studies from a broad range of films including the classic campy slasher or prestige and placing them within their historical context this work extends conversations about horror and mental illness such as post partum depression bulimia Munchausen by proxy syndrome and others Highlighting the trope of the mentally ill mother as a pervasive image within the genre furthers examination of how these films challenge or reflect existing stereotypes and illustrates how horror can be both a site of oppression and a source for positive transformation

Common Sense Tom Pain, 2020-11-10 This book is designed to represent the thought process of an independent middle class voter After a lifetime of experience in a wide range of occupations the author hopes to express

opinions using humor and insight by adding a variety of personal interest vignettes that are presented as commentary. Independents will have a significant impact on the 2020 elections. The reasons why I voted for Donald Trump were articulated in detail and were based on my analysis of what an average hardworking American Middle Class Independent Voter felt about the Political, Cultural, and Economic conditions that existed at the onset of the 2016 Presidential Election. Donald Trump appeared on the scene at the precise time he was needed. The Middle Class was hurting financially and their dreams for a better life had been ignored by both parties for decades. Spending so many years working dead end jobs or even two jobs barely allowed us to keep our heads above water. The politically correct culture wars drained our strength and tested our patience. The political parties that we had trusted were elitist, disappointing, and arrogant, which is why we became Independent voters. Donald Trump instinctively knew we were ripe for the picking. We instinctively knew that he was the right one to pick. And we did.
