Quebec **Canadian Books in Print** ,2003 **Grade Teacher** ,1955 **Lightkeeping on the St. Lawrence** Normand Lafrenière,1996-08-07 Lightkeeping on the St Lawrence outlines the history of lightkeeping in the St Lawrence River and Gulf from its emergence in 1803 until automation replaced the last lightkeeper in 1988 Fog hidden reefs rocks and sandbars have made the waters of the river and gulf among the most treacherous in the world In the earliest days of lightkeeping in this region the safety of the mariners had to be weighed against the problem of giving aid to enemy ships With peace between French and English safety became the overriding factor and the number of lighthouses then light pillars and lightships increased dramatically This is a tale of shipwrecks and storms of the lonely existence of the keeper who endured harsh working conditions often alone or with but one or two assistants While some lighthouses offered accommodation for the keeper s family the occupation of lightkeeping was always one of stark isolation Based on extensive archival material and interviews with surviving lighthousekeepers the book describes the onerous working day of the men of the lights whose duties ranged from painstakingly cleaning reflectors to repeatedly sounding the fog signal on an endless night watch It was a difficult life with scant reward but the diligence of the keeper kept the country open to commerce in times of peace and safe from enemy attack in times of war Published with the assistance of Parks Canada in both English and Fench editions the book includes thirty five illustrations many in full colour maps and tables **Lightkeeping on the St. Lawrence** Canada. Canadian Heritage,1996 The Tourists' Guide of the Wonderful St. Lawrence, with the Scenic Gems Albert Herman Smith,1911 **Camping on the St. Lawrence** Everett T. Tomlinson, Camping on the St Lawrence On the Trail of the Early Discoverers In this story I have endeavored to take my young readers to one of our noblest rivers and not only to make them share in the stirring experiences which are to be had on its waters but also to make them feel something of the power of the wonderful history of those who first looked upon its scenes of beauty The events recorded have largely been taken from actual occurrences the characters I trust will not be found untrue to life and the historical references not inaccurate or uninteresting Young people are able to feel the inspiration of nature s power when they are not able to define or express it and perhaps the best form of teaching is that which enables them to look out with the inner vision rather than to observe these things from the outside Inspiring as is the majestic river no less inspiring is the story of the men who first sailed over its waters Their heroism persistence and consecration are qualities which are needed by all men and in all places and times We never outgrow these things though the best parts of our lives may grow out of them A better understanding of our own land its natural beauty its history and heroes is certainly not one of the least of the demands of the present time and the author of this story has had the modest hope that its readers may gain a desire in its perusal to see and know more of those possessions which with pardonable pride they are able to claim as their own Chisholm's All Round Route and Panoramic Guide of the St. Lawrence Anonymous,2022-12-04 Reprint of the original first published in 1871 **The Picturesque St. Lawrence** Clifton Johnson,2022-08-01 DigiCat Publishing presents to you this special edition of The Picturesque St Lawrence
