Making The Team Inside The World Of Sport Initiations And Hazing

L Cohen

Making The Team Inside The World Of Sport Initiations And Hazing:

Making the Team Jay Johnson, Margery Jean Holman, 2004 Media attention has recently raised public awareness of hazing rituals generating curiosity interest and debate about hazing as an initiation practice *Making the Team* is a ground breaking collection of contemporary perspectives on this topic This book provides a theoretical analysis of hazing from a sociological perspective both in the United States and in Canada It is designed to provide an understanding of hazing for use in sociology and sport management classes and is also highly suitable for courses that examine gender roles and socialisation The collection chronicles the hazing practices that exist in sport and offers an historical overview of hazing and its emergence in today s sport culture It also provides a theoretical and legal guide for understanding and managing hazing in sport The discussion focuses on the role of tradition power and violence in hazing and on how the rituals serve as a confirmation of masculinity and dominance These issues engage the reader in critical thought about a contentious aspect of sport that until recently has gone unchallenged Routledge Handbook of Applied Sport Psychology Stephanie J. Hanrahan, Mark B.

Andersen, 2010-10-18 Now available in paperback the *Routledge Handbook of Applied Sport Psychology* is a definitive guide to the theory and practice of applied sport psychology It goes further than any other book in surveying the full variety of issues that practising sport psychologists will confront in their working lives It introduces the most important tools and skills that psychologists will need to be truly helpful to their clients and it also adopts a holistic definition of the role of the sport psychologist explaining how effective counseling assessment and therapeutic models can add important extra dimensions to professional practice The book is divided into seven thematic sections addressing counseling assessment theoretical and therapeutic models issues for the individual athlete from injury and overtraining to depression issues for teams from conflict resolution to travel working with special populations mental skills such as imagery goal setting and concentration Moving beyond the traditional tracks of clinical psychology and performance enhancement the authors in this book argue convincingly that psychologists would benefit from attempting to understand athletes social and familial contexts their health happiness and interpersonal dynamics in the broadest sense if they are to serve their clients best interests With contributions from many of the world s leading sport psychologists and with clear descriptions of best practice in each chapter the *Routledge Handbook of Applied Sport Psychology* is essential reading for all serious students and practitioners of sport psychology counseling applied sport science health psychology and related fields **The Psychology of Sub-Culture in**

Sport and Physical Activity Robert J. Schinke, Kerry R. McGannon, 2014-08-21 *International Perspectives on Key Issues in Sport and Exercise Psychology* is a series of edited books with a global focus which reflect the state of art in areas of current and emerging interest in the study of sport and exercise psychology Each volume in the series contributes to the better understanding of a key issue facing researchers and practitioners in sport psychology This volume in the series focuses upon the sociocultural issues that challenge and often undermine participation performance and well being in sports Contributors

address a number of important issues such as exclusion miscommunication and ineffective practice in sport The book extends the recent interest in culture within sport psychology by using a critical approach to highlight less mainstream sports such as martial arts circus arts extreme sports and dance and it will help sports participants and social scientists to gain an understanding of these marginalized sporting identities By highlighting subcultural contexts with their individual practices and values it is hoped that the volume will promote the goal of achieving a more just inclusive and ethical sport psychology The Psychology of Sub Culture in Sport and Physical Activity will be ideal reading for sport and exercise academics and practitioners advanced students of applied sport psychology and related fields such as sport science critical studies sociology cultural studies and social anthropology Cultures of Sport Hazing and Anti-Hazing Initiatives for the 21st Century Jay

Johnson, Jessica W. Chin, 2024-12-06 Providing a much needed cutting edge update on the last major publication on sport hazing practices published more than two decades ago chapters cover the continuation of potentially harmful traditional initiations and the cycle of status from initiated to initiator **Routledge Handbook of Athlete Welfare** Melanie Lang, 2020-10-26 Athlete welfare should be of central importance in all sport This comprehensive volume features cutting edge research from around the world on issues that can compromise the welfare of athletes at all levels of sport and on the approaches taken by sports organisations to prevent and manage these In recent years sports organisations have increased their efforts to ensure athlete health safety and well being often prompted by high profile disclosures of sexual physical and emotional abuse bullying discrimination disordered eating addiction and mental health issues In this book contributors lift the lid on these and other issues that jeopardise the physical emotional psychological social and spiritual welfare of athletes of all ages to raise awareness of the broad range of challenges athletes face Chapters also highlight approaches to athlete welfare and initiatives taken by national and international sport organisations to provide a safer more ethical sports environment As the first book to focus exclusively on athlete welfare this is an essential read for students and researchers in sports studies coaching psychology performance development and management and physical education It is also a useful reference point for anyone working in welfare safeguarding child protection and equity and inclusion in and beyond sport

Routledge International Handbook of Sport Psychology Robert J. Schinke, Kerry R. McGannon, Brett Smith, 2016-02-05 Contemporary sport psychology is a rapidly developing and theoretically rich discipline and a sophisticated and challenging profession The Routledge International Handbook of Sport Psychology offers a comprehensive and authoritative guide to contemporary sport psychology in all its aspects Written by a team of world leading researchers and practitioners from five continents including both established scholars and the best emerging talents the book traces the contours of the discipline of sport psychology introducing fundamental theory discussing key issues in applied practice and exploring the most important themes topics and debates across the sport psychology curriculum Uniquely the book presents comparative studies of the history and contemporary practice of sport psychology in ten countries including the US UK China Japan Brazil Russia and

Israel helping the reader to understand the cultural and contextual factors that shape international practice in sport psychology As well as covering in depth the core pillars of sport psychology from motivation and cognition to group dynamics the book also includes a full section on cultural sport psychology a vital but under explored sub discipline that is having a profound influence on contemporary theory and practice With 56 chapters and unparalleled range depth and currency the Routledge Handbook of International Sport Psychology is an essential addition to any library with a serious holding in sport psychology

The Young Are Making Their World Yuya Kiuchi, Francisco A. Villarruel, 2016-06-09 Young people have long used popular culture to explore define and express who they are For many popular culture is also a tool of survival Gone are the days when proscriptive programs were needed for young people to transition to adulthood Today youth culture is communicated through information technology particularly social media enabling young people to engage the world Yet as always youth culture is often a cause of concern for adults and policy makers This collection of new essays focuses on modern youth popular culture There are such topics as social justice and youth mobilization in Ferguson Missouri social media and sexual literacy among LGBT youth and youth culture s influence on children s sports

Sport, Theory and Social Problems Eric Anderson, Adam White, 2010-06-25 What impact does sport have on the lives of ordinary people How does sport help to perpetuate inequalities in society What can social theory tell us about the role of sport in society At their origin competitive sports were institutionalized in Western cultures for the privilege of white heterosexual men Over time sport has become more open to categories of people traditionally marginalized in society women those from lower social classes gay men people of colour and those differently abled However focusing solely on increased social inclusion in sport masks significant problems with both the culture and structure of sport This critical textbook examines social exclusion in sport and analyzes the socio negative attributes associated with competitive institutionalized sport for all who play Focusing on sport at non elite levels this book explores the lives of everyday citizens who play and examines how inequality and social deviance are structured into the social and sporting system Each chapter uses a key social theory to address a particular social problem in sport such as learned obedience to authority the acceptance of pain and injury the adoption of hyper masculine homophobic and sexist attitudes the teaching of in group out group and the use of sport as a false mechanism for social mobility By concentrating on real sport and through the use of startling vignettes illustrating the experiences of real people this textbook develops the critical senses social conscience and theoretical understanding of all students of sport and anybody for whom sport is part of their everyday life

Inclusive Masculinities in Contemporary Football Rory Magrath, 2016-10-04 Football has traditionally been an institution hostile toward sexual minorities Boys and men in the sport have deployed high levels of homophobia for multiple reasons However the ground breaking research within this book shows that intolerant attitudes toward gay men are increasingly being challenged Based on unprecedented access to Premier League academies *Inclusive Masculinities in Contemporary Football* Men in the Beautiful Game explores these changing

attitudes toward homophobia in football today Revealing a range of masculine identities never before empirically measured at this level of football this book discusses the implications for the complex and enclosed structures of professional sport and extends our understanding of contemporary masculinity It also offers fresh insights to the importance of banter in the development of relationships and identities This culture of banter often plays a paradoxical role both facilitating and disrupting friendships formed between male footballers As the first title in the Routledge Critical Studies of Men and Masculinities Series this book is fascinating reading for all students and scholars interested in football and the study of gender sexuality and the sociology of sport

Sport and Society Barrie Houlihan, 2007-12-20 Praise for the First Edition Barrie Houlihan's astonishingly ambitious and skilfully assembled collection examines the relations between sport social policy and the social context that underlies the two Organized around such themes as exclusion commercialism and international comparisons the book allows the reader to understand not only the centrality of sport to contemporary society but the often perplexing policies that contrive to encourage or deny participation promote or deter public sector involvement and support or undermine physical education Importantly Houlihan never prioritises the general over the particular always striving to find detail amid the bigger picture Ellis Cashmore Professor of Culture Media and Sport Staffordshire University The most comprehensive study of contemporary issues in sport by leading international scholars Houlihan's book is the answer to sports students' prayers full of information statistics tables and figures extensive guides to further reading and most important of all challenging ideas A weighty vademecum for the early 21st century Jim Riordan Honorary Professor of Sports Studies University of Stirling Professor Emeritus at University of Surrey and President of the European Sports History Association Fully updated and revised the Second Edition of Barrie Houlihan's ground breaking book provides students and lecturers with a one stop text that is comprehensive multi disciplinary accessible international and engaging *Sport and Society* allows students to Approach the study of sport from a multi disciplinary perspective Understand the importance of social structure power and inequality in analyzing the nature and significance of sport in society Address the rapid commercialization and regulation of sport Engage in comparative analysis to understand problems clearly and produce sound solutions Expand their knowledge through chapter summaries guides to further reading and extensive bibliographies This Second Edition contains five brand new chapters which reflect recent concerns with young athletes and human rights sport and the city sport and violence sport and health and sport and Islam A superb teaching text it will be relished by lecturers seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs

Sport, Violence and Society Kevin Young, 2019-03-28 In this fully updated and revised new edition of his landmark study of violence in and around contemporary sport Kevin Young offers a comprehensive sociological analysis of an issue of central importance within sport studies The book explores organised and spontaneous violence both on the field and off and calls for a much broader definition of sports related violence to include issues as diverse as criminal

behaviour by players abuse within sport and exploitative labour practices Offering a sophisticated theoretical framework for understanding violence in a sporting context and including new case studies and updated empirical data from professional soccer in Europe to ice hockey in North America the book establishes a benchmark for the study of violence within sport and wider society Through close examination of often contradictory trends from anti violence initiatives in professional sports leagues to the role of the media in encouraging hyper aggression the book throws new light on our understanding of the socially embedded character of sport and its fundamental ties to history culture politics social class gender and the law This new edition also recognises burgeoning new literatures such as research examining concussion and the link between sport and mental illness and includes student friendly pedagogical aids such as critical thinking questions at the end of each chapter Sport Violence and Society is a vital read for anyone studying or working in the areas of the Sociology of Sport Sport Psychology Ethics and Philosophy of Sport Sport and Politics Sports History and Sport and the Media

Bullying in School Lisa H. Rosen, Kathy DeOrnellas, Shannon R. Scott, 2017-02-15 This book posits that multiple perspectives of key school staff such as teachers principals school resource officers school psychologists and counselors nurses and coaches can provide a deeper understanding of bullying which remains an immediate and pressing concern in schools today In turn the authors suggest how this understanding can lead to the development of more effective prevention and intervention programs Most texts on this subject have been limited to student and teacher perspectives By adopting a more comprehensive approach the authors explore how to combat bullying by drawing from sorely underutilized resources

Safeguarding, Child Protection and Abuse in Sport Melanie Lang, Mike Hartill, 2014-07-11 The safeguarding of children and young people participating in sport has become an increasingly prominent concern in policy making and research communities around the world Major organisations such as the IOC and UNICEF now officially recognize that children in sport can be at risk of exploitation and abuse and this concern has led to the emergence of new initiatives and policies aimed at protecting vulnerable young people and athletes This book is the first to comprehensively review contemporary developments in child protection and safeguarding in sport on a global level The book is divided into two parts Part One critically analyses current child protection and safeguarding policy and practice in sport across a range of countries including the US Canada the UK Australia China and Germany providing a global context for current policy and practice This represents the most comprehensive review to date of the landscape of child protection and safeguarding in sport and provides a starting point for critical international comparisons Part Two explores a range of issues related to child protection and safeguarding in sport including many not covered in previous books such as emotional abuse injury and over training While in many instances the impetus for policy in this area has arisen from concerns about sexual abuse the second part of this book therefore opens up a broader more holistic approach to child and athlete welfare By bringing together many of the leading researchers working in child and athlete protection in sport from around the world this book is important reading for all advanced students

researchers policy makers or practitioners working in youth sport physical education sports coaching coach education or child protection

Battleground: Sports Michael Atkinson, 2008-12-30 Mega events like the Olympics the World Cup of soccer the World Series of baseball cycling s Tour de France and the Super Bowl draw our attention to the deep cultural significance of sport and its role in fostering social bonds Yet when it comes to sport there is no shortage of debate stereotypes regarding sexuality race gender and children have been hotly contested by critics for over 40 years Even today sport is one of the very few socially accepted sites of violence intense competition and controlled forms of social disorder Battleground Sports presents the 100 most contentious public and private controversies of the sports world Highlighted throughout are debates surrounding ethnicity gender sexuality and social identity sports fan behavior as well as the role of governments and corporations Engaging and accessible to a wide variety of readers this fascinating reference illustrates how sports controversies reflect the historically enduring and changing nature of our broader cultures and the social battles we engage on a day to day basis surrounding the struggles for equality debates about social violence the ethics of competition the politics of civic life the creation of global communities and the State s role in protecting citizens Entries contain an array of thoughtful perspectives on historic and current controversies and allow readers to formulate their own conclusions Enhanced with a timeline a thorough guide of print and electronic resources for high school and undergraduate student research this one stop reference goes beyond the newspaper headlines to provide readers with a guide map for understanding what sport controversies teach us about our culture and ourselves

Hazing (Ragging) at Universities: A Legal Perspective Aashish Srivastava, Neerav Srivastava, D.K. Srivastava, 2024-01-11 This is the first socio legal multi jurisdictional study on hazing ragging This book considers four countries the USA India Sri Lanka and Australia It states the legal position identifies lacunas in law and proposes possible legal solutions Unfortunately laws regulations and policies have failed to stamp out hazing from university campuses and residential colleges Hazing has spiralled out of control in a number of countries It has descended into a cruel barbaric and inhuman practice The number of students subjected to hazing and sexual abuse is alarming According to a 2022 survey more than half 53% of American students who were part of a fraternity or sorority experienced hazing Students are murdered harmed abused and suffer long term trauma The prevention of hazing is one of the most important responsibilities of 21st century universities The theme of the book is that universities are in the best position to protect students from hazing and must play a vital role As a sociological study the book also considers why hazing occurs and what can be done to prevent it Without engaging with the underlying causes legal punitive measures continue to address the symptom rather than the cause The book therefore explores how a more innovative approach to regulation can help tackle the cause The book will be of interest to policy makers regulators at universities education and legal academics and personal injury lawyers

Sexual Assault in Canadian Sport Curtis Fogel, Andrea Quinlan, 2023-11-15 Sexual assault by and against athletes is a pervasive and long standing problem in Canada but reports

are commonly minimized doubted and dismissed by sport administrators police and judges Through a detailed examination of over 300 cases appearing in news media and legal files across Canada from 1990 to 2020 *Sexual Assault in Canadian Sport* uncovers an enduring institutional tolerance of sexual assault in Canadian sport and the betrayal that many victims experience by those same institutions Curtis Fogel and Andrea Quinlan argue further that both the Canadian sport system and the criminal legal system have failed to ensure victims safety and often undermine sexual assault prevention and trauma informed care *Sexual Assault in Canadian Sport* opens new avenues for critical dialogue about sport law masculinities and gender based violence Crucially it also offers constructive strategies to increase safety in sport *Sport in a Changing World* Howard L. Nixon, 2015-11-30 In a stressful turbulent world sport can be an escape from reality Yet sport actually mirrors the issues and problems of our world today bearing the imprint of powerful forces of social change This book offers a sociological perspective for seeing and understanding the place of sport in society and how it is affected by big business and by demographic cultural organization economic political and technological change Nixon writes vividly of the making and unmaking of heroes and celebrities Throughout he shows how the combined influence of networks of major sports organizations media corporations and corporate sponsors is shaping sport around the world **The SAGE Dictionary of Sports Studies** Dominic Malcolm, 2008-03-27 a welcome addition to the literature in the rapidly expanding field of sports studies It is up to date comprehensive and well and clearly written Though primarily sociological in its orientation it will help students postgraduate and undergraduate alike and their teachers as well to establish connections between the various sub disciplines and guide them to sources which will enable them to probe issues more deeply It is a beautifully crafted book and is sure to be a hit with students and their teachers It would not surprise me in the least however if it appealed to sports lovers more generally It is a tour de force and I recommend it unreservedly Eric Dunning Professor in Sociology The Centre for the Sociology of Sport University of Leicester Sports studies is one of the fastest growing fields in higher education today The SAGE Dictionary of Sports Studies brings a timely much needed and comprehensive tool for all students in this multi disciplinary field Each entry provides a basic definition a guide to research themes and a clear account of the relevance of the concept in understanding sport Not only indispensable for quick clarification of terms it will give students a springboard for more in depth research and critical analysis It offers Cross referencing to assist critical thinking A list of key readings for each entry Expert definitions drawn from sociology history psychology economics management and business politics and policy physical education and health and research methods Concise student friendly and authoritative entries Covering sociology history psychology politics business physical education health and research methods The SAGE Dictionary of Sports Studies provides the first one stop reference guide for all students who study the social aspects of sport **The Ritual Animal** Harvey Whitehouse, 2021 Copying rituals has allowed cultural groups to proliferate over time Rare traumatic rituals produce strong cohesion in small relational groups whereas daily weekly rituals produce cohesion in expandable

communities This study presents a theory of how these two ritual modes have influenced history over thousands of years

Challenging Myths of Masculinity Lee F. Monaghan, Michael Atkinson, 2016-04-15 Many myths surround male bodies and associated bodywork especially when such bodywork is labelled culturally or socially atypical or problematic Bodybuilding for example has been explained in terms of gender inadequacy and an Adonis complex akin to reverse anorexia while men electing to undergo aesthetic cosmetic surgery are deemed too concerned about their appearance and thus woman like Myths also discredit men and boys who do not engage in appropriate bodywork when this is expected For instance amidst public health concerns surrounding a so called obesity epidemic men and boys who resist physical activity and or attempts to promote a healthy weight are deemed ignorant apathetic and in need of correction Drawing on extensive field research conducted in North America and Britain over a twenty year period this book challenges such masculine myth making Mindful of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities Presenting empirically grounded understandings of diverse bodily practices and discourses including bodybuilding cosmetic surgery dieting and nightclub security Challenging Myths of Masculinity will appeal to scholars of sociology geography and cultural studies with interests in gender embodiment and masculinities
