Mamas Disappointment:

Deadly Series Ann Christopher, 2017-07-24 *A Little Salty to Cut the Sweet* Sophie Hudson, 2013-06-04 There's nothing quite like family for good or bad. But in a world where we sometimes know more about the Kardashians than we do the people sleeping right down the hall, it's easy to forget that walking through life with our family offers all sorts of joy wrapped up in the seemingly mundane. There's even a little bit of sacred sitting smack dab in the middle of the ordinary. And since time's a wastin', we need to be careful that we don't take our people and their stories for granted. Whether it's a marathon bacon frying session, a road trip gone hysterically wrong, or a mother-in-law who makes every trip to the grocery store an adventure, author Sophie Hudson reminds us how important it is to slow down and treasure the day-to-day encounters with the people we love the most. Written in the same witty style as Sophie's BooMama blog, *A Little Salty to Cut the Sweet* is a cheerful, funny, and tender account of Sophie's very Southern family. It's a look into the real lives of real people and a real loving God right in the middle of it all.

My Mother, My Champion: Lessons and Inspirations From My Mother's Story Lorna Mae Johnson, 2024-09-04 This heartwarming memoir explores the complex and multifaceted life of the author's mother, Renza Bryant. Through her example, support, and guidance, Renza Bryant inspired and empowered others. Johnson describes her mother as a guiding light, a champion, and a woman who profoundly impacted her and everyone she met. Her mother's leadership, humility, accomplishments, and deep commitment to her community are highlighted. Woven into the narrative as the author explores her mother's remarkable life is a journey through Jamaican culture, offering the reader a chance to learn about her country.

The Mama's Boy Myth Kate Stone Lombardi, 2012-03-15 A New York Times contributor offers a radical reexamination of a hot button issue: the mother and son relationship, and advocates the end of the mama's boy taboo. New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons. Mother after mother confessed to Lombardi that her husband, brothers, and even female friends and family criticize the fact that she is too close to her sons. Many of these women are often startled by the strong connection they feel with their sons, but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting. It is as if there were an existing playbook based on gender preconceptions dating back to Freud's Oedipus, and beyond that, prescribes the way mothers and their sons should interact. Lombardi's much-needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons, as well as interviews with these women's sons and husbands. Lombardi persuasively argues that the rise of the new male one who is more emotionally intelligent and more sensitive without being less manly is directly attributable to women who

is *The House of Wittgenstein* Alexander Waugh, 2009-02-24 The House of Wittgenstein is the grand saga of a brilliant and tragic Viennese family whose members included a famous philosopher and the world's greatest one-handed classical pianist. The Wittgenstein family was one of the wealthiest, most talented and most eccentric in European history, held together by a fanatical love of music yet torn apart by money, madness, conflicts of loyalty and the upheaval of two world wars. Of the eight children, three committed suicide. Paul lost an arm in the war and yet stubbornly pursued a musical career, and Ludwig, the odd youngest son, is now regarded as one of the greatest philosophers of the twentieth century. Alexander Waugh, author of the acclaimed memoir *Fathers and Sons* and himself the offspring of a famous and eccentric family, tells their baroque tale with a novelistic richness to rival Thomas Mann's *Buddenbrooks*.

Brotherhood Anne Westrick, 2013-09-12 The year is 1867, the South has been defeated and the American Civil War is over. But the conflict goes on. Yankees now patrol the streets of Richmond, Virginia, and its citizens, both black and white, are struggling to redefine their roles and relationships. By day, fourteen-year-old Shadrach apprentices with a tailor and sneaks off for reading lessons with Rachel, a freed slave at her school for African American children. By night, he follows his older brother Jeremiah to the meetings of a group whose stated mission is to protect Confederate widows like their mother. But as the true murderous intentions of the group, now known as the Ku Klux Klan, are revealed, Shad finds himself trapped between old loyalties and what he knows is right. In this powerful and unflinching story of a family caught in the period of Reconstruction, A. B. Westrick provides a glimpse into the enormous social and political upheaval of the time.
