Mary McGrory John Norris,2016-11-01 A wildly entertaining biography of the trailblazing Washington columnist and the first woman to win the Pulitzer Prize for commentary Before there was Maureen Dowd or Gail Collins or Molly Ivins there was Mary McGrory She was a trailblazing columnist who achieved national syndication and reported from the front lines of American politics for five decades From her first assignment reporting on the Army McCarthy hearings to her Pulitzer winning coverage of Watergate and controversial

observations of President Bush after September 11 McGrory humanized the players on the great national stage while establishing herself as a uniquely influential voice Behind the scenes she flirted drank cajoled and jousted with the most important figures in American life breaking all the rules in the journalism textbook Her writing was admired and feared by such notables as Lyndon Johnson who also tried to seduce her and her friend Bobby Kennedy who observed Mary is so gentle until she gets behind a typewriter Her soirees filled with Supreme Court justices senators interns and copy boys alike were legendary Writing about Donald Trump s first divorce in 1990 she said Watching the Trumps Washington thinks of itself as wholesome As the red hot center of the Beltway in a time when the newsrooms were dominated by men McGrory makes for a powerfully engrossing subject Laced with juicy gossip and McGrory s own acerbic wit John Norris s colorful biography reads like an insider s view of latter day American history and one of its most enduring characters *Minutes of the Ohio Annual Conference of the Methodist Episcopal Church for the Year .. ,1852* **Teardrop** Patrick Gildea,2023-03-31 Tragedy strikes a young married couple living in Bradford West Yorkshire in the late 1940s Timmothy Dove s wife dies after prematurely giving birth to a set of triplets two sons and a daughter Timmothy struggles to bring up his new family on his own he finally realises that he can no longer give them the love attention and sustenance that they require therefore he has no option but to put his three children into the care of the local authority Two of the children are soon adopted the other one Sidney unbeknown to him was named after his late grandfather just seems to be the odd one out he is in and out of different fostering family homes and regularly returns back into the care of the local authority because of his disruptive behaviour None of the children were to be informed of the tragic circumstances in which both their parents died and it was agreed by the authority s that the children s new parents would also be given no background details of their past life **SOLD!** Cynthia Marlowe,2020-07-29 Mary Dove or Malaga Moll as she is known amongst historians has been a popular subject of folklore and mystery for decades Her true story has never been revealed until now Fully researched and documented **SOLD** takes you from the harem of the royal palace of Koch Behar India in 1682 and chronicles the incredible journey of a woman who is forced to transform from royalty to slave Then in the year 1750 in an epic twist where the Royal Narayan family must erase a bloodstain to preserve their kingdom they come to the aid of their long lost family members and to the courtrooms of Craven County North Carolina where they prove that Mary Dove was a free subject of the maharajas of Koch Behar India and therefore could not have been rightfully sold as a slave in the British colonies From a yet unexplored perspective this extensively researched true story documents the incredible lives of three generations and their unusual journey through the institution of slavery **SOLD** shows how a deep and enduring love can be found in unexpected places the violence of jealousy and slavery the pain of human possession and the depth of faith and compassion It reveals the unique turmoil of a proud woman who is sold but through dignity strength and the conviction of her beliefs is never truly a slave and how she taught her son and granddaughter the spirit of faith the strength of hope and belief in the invincible bonds that tie a family together
