to Galveston after high school when her parents retired to a beachfront home. It was there she developed a love of the ocean. After retiring first from a career as an army nurse then from the Copperas Cove Independent School system as a school nurse, plans began to materialize for Mary's around the world voyage. Once she established that she wanted to make the voyage on a freighter, she had to convince her husband that he also wanted to make the voyage with her. A year of planning began. Then three months prior to their projected sailing date, Mary and her husband were informed that they could not fulfill their entire journey on the freighter Rickmers Seoul due to cancellation of passage between Genoa and Singapore because of pirates around the horn of Africa. They were offered several alternatives but opted for a faster container ship, the CMA CGM Florida. In planning for freighter travel, Mary found very little information. She wrote this book to help others who are considering a freighter voyage.

The Mary Shelley Club Goldy Moldavsky, 2021-04-13 New York Times bestselling author Goldy Moldavsky delivers a deliciously twisty YA thriller that's *Scream* meets Karen McManus about a mysterious club with an obsession for horror. When it comes to horror movies, the rules are clear: x Avoid abandoned buildings, warehouses, and cabins at all times x Stay together, don't split up, not even just to check something out x If there's a murderer on the loose, do not make out with anyone. If only surviving in real life were this easy. New girl Rachel Chavez turns to horror movies for comfort, preferring stabby serial killers and homicidal dolls to the bored rich kids of Manhattan Prep and to certain memories she'd preferred to keep buried. Then Rachel is recruited by the Mary Shelley Club, a mysterious society of students who orchestrate Fear Tests, elaborate pranks inspired by urban legends and movie tropes. At first, Rachel embraces the power that comes with reckless pranking. But as the Fear Tests escalate, the competition turns deadly, and it's clear Rachel is playing a game she can't afford to lose.
