Mary Model Of Justice Reflections On The Magnificat:

Mary, Model of Justice William F. Maestri, William Maestri, 1987 Meditations on the themes of the Canticum of Mary

Mary Through the Centuries Jaroslav Pelikan, 1996-01-01 Explores how Mary has been represented in theology art music and literature throughout the ages **Breaking Silence** Meehyun Chung, 2006 Contributed research papers In Quest of

the Jewish Mary Mary Christine Athans, 2013 Jesus was born and raised as a Jew in first century Palestine A great deal of theological study has focused on the Jewish cultural and religious context of his life and ministry It is only natural that this attention should lead us to a new approach to his mother Mary of Nazareth In this book Mary Christine Athans draws on historical research the fruits of post Vatican II Jewish Christian dialogue the insights of feminist theology and contemporary spiritual reflection to rediscover the Jewish Mary a woman of enormous courage strength and prayer **Mary for Earth**

and Heaven William McLoughlin, Jill Pinnock, 2002 **Mission, a Service of Love** Francis Fernandez, Jose

Varickasseril, 1998 Contributed articles with reference to India **Marian Representations in the Miracle Tales of Thirteenth-century Spain and France** David A. Flory, 2000 The Marian miracle tale of thirteenth century Spain and France is an unusual thematic genre comprising tales songs poems plays and sermons dedicated to miraculous occurrences attributed to the Virgin Mary While there are scholarly articles on particular aspects of this large and important body of literature there has been no attempt to bring its principal authors together into a single scholarly study Bringing five well known thirteenth century authors together Gonzalo de Berceo Gautier de Coinci Cardinal Jacques de Vitry Rutebeuf and King Alfonso X of Spain the book shows how each used the Marian collections for individual purposes Mary is portrayed in a variety of manifestations as Mediatrix Monitrix Mater Dei National Patroness and even as something close to the troubadour s desired or unattainable Lady Berceo was a secular priest who found an older collection of tales useful as an instructive tool Gautier an aristocratic monk of intellectual refinement had a nearly exclusively artistic interest in his Marian materials while Cardinal Jacques de Vitry an eminent churchman and eloquent reformer sought with his carefully chosen tales to bring Marianism into the fold of doctrinal orthodoxy Rutebeuf a minstrel accepted the tales as popular piety and returned them to his audience in a spirit of reproach to the sometimes heavy handed didactic use made of the material by churchmen with vested interests Finally the personal voice and directing presence of Spain s King Alfonso X makes of his famous Marian collection the Cantigas de Santa Maria a part of his social and religious program for Spain Additionally a reflection upon the formalist criticism of Bakhtin and Todorov suggests new possibilities for seeing within some Marian tales of the period a subtle tool for the subverting of perceived Church excesses Marian Reflections on War and Peace Lenart Škof, Emily A. Holmes, Pavlo Smytsnyuk, 2025-03-31 This book presents an original Marian approach towards war and peace dedicated to the suffering of children women and men in Mariupol and elsewhere in Ukraine and in the world Offering new theological perspectives on the contemporary impact of war the contributions take inspiration from the figure and symbol of Mary as

protector of children and guardian of peace intermediary of the incarnation as well as model for ecumenical interreligious and intercultural engagements The chapters explore the role of Mary as a symbol for feminist and activist reflections for the communication of suffering as the mater dolorosa for power when appropriated for political ends and for healing and reconciliation in peace building efforts The book provides readers with valuable theological reflections on conflict global theological ethics ecofeminist and peace building thinking in theology and contemporary political theology Reconciliation Oliver Rafferty,1993 Mary According to Women Carol Frances Jegen,1985 Mary According to Women presents a contemporary study of the woman of Nazareth who changes the course of human history The seven chapters develop familiar titles of Mary in the context of the Vatican II Church particularly its emphasis of justice and peace Following the lead of the second Vatican Council in its historic document Lumen Gentium the book develops implications of the Council's treatment of Mary in the mystery of Christ and the Church of one who is truly involved in the lives and struggles of Christians today Significantly the book is written by women whose experience and insight give new perspective to a revitalized appreciation and love of Mary **Carmelus** ,1988 **Body-Poetics of the Virgin Mary** Jane Petkovic,2021-05-25 The Judeo Christian scriptures understand humans as being made in the image of God What exactly does this mean Basic agreement is that it means humans can only know and understand themselves in relation to God If however this God is pure uncreated spirit where does human embodiment fit in Is it an obstacle to understanding Or is it in some way instructive John Paul II comes down decisively in favor of the body's value and importance In his catechetical series widely known as the Theology of the Body John Paul II analyzes what is distinctive about human beings He undertakes a reading of the body This book reflects on John Paul II's interpretation extending his findings to the Virgin Mary Her specifically female maternal body is seen to offer insights into how the body images God in how it speaks The transformations of the female body parallel the transformations of language in poetry The reconfigurations and accommodations of the gestational body are this book suggests poetic incarnations of God likeness Body Poetics of the Virgin Mary offers a Mariological slant on theological anthropology and a new way to think of how humans poetically image God *Introducing Feminist Ecclesiology* Natalie K. Watson,2008-12-01 *Introducing Feminist Ecclesiology* explores women's experiences of being church and reclaiming the church in order to rebuild it as a meaningful open sacramental space where everybody's presence is celebrated Natalie Watson proposes a creative and constructive dialog with existing theological approaches to the church from different Christian traditions as well as more recent feminist theologians and suggests the development of criteria that hear women's experiences of being church and reclaiming church into speech The church is the embodied reality of all women children and men whose stories tell the story of the Triune God **Mary's Voice** Amy Orr-Ewing,2023-10-23 The mother of God is often portrayed as a passive figure yet Mary is described in Luke's gospel as a woman who exercised choice questioned things reflected responded spoke up and demonstrated great faith Mary had a voice This unique Advent devotional from British theologian Amy Orr Ewing
