Woman of Israel, daughter of Zion Bertrand Buby,1994 This final volume in the trilogy on the Blessed Virgin Mary is a study of the apocryphal and patristic texts of a truly golden age in Church history It retells the Marian stories narratives and reader responses of the Christian faithful during the first five centuries of Christianity from back cover *The Prayer of Mary and the Saints (Exploring Prayer)* Catherine Aubin,2024-10-17 When Mary has appeared anywhere in the world the locations of her apparitions have points in common with the biblical places where she stayed and lived This book reviews these places examining what they reveal to us about Mary s identity and what the inner spaces are that Mary asks us to dwell in today This book also explores the unique relationship Saint Catherine Labour and Saint Bernadette each had with Mary leading us toward a new deep revelation of Mary s closeness to each of us In preparation for the Ordinary Jubilee of 2025 the Exploring Prayer series delves into various dimensions of prayer in the Christian life These brief accessible books can help you learn to dialogue with God and rediscover the beauty of trusting in the Lord with humility and joy *Mary of Magdala* Mary R. Thompson,2006 Examines written accounts of Mary Magdalene from her own era including both canonical and apocryphal writings points out fallacies and inaccuracies about her life and her significance and highlights her role in early Christian history

Mary of Galilee Bertrand Buby,1997-03-01 A three volume study of Mary in the New Testament 1 the Hebrew Scriptures 2 and the Apocryphal Gospels and Sub Apostolic Writers 3 **Mary of Magdala** Marinella Perroni,Cristina Simonelli,2019 Two authors examine Mary Magdalene her role in the early Church and how the evolution of how she was viewed impacted the status of women in the early Church **Mary of Galilee: The Marian heritage of the early church : a legacy of the first 500 years** Bertrand Buby,1994 This final volume in the trilogy on the Blessed Virgin Mary is a study of the apocryphal and patristic texts of a truly golden age in Church history It retells the Marian stories narratives and reader responses of the Christian faithful during the first five centuries of Christianity from back cover

Notes and Queries William John Thoms,1868 **The Encyclopedia of Christianity** Erwin Fahlbusch,Geoffrey William Bromiley,1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This

comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA *Escaping Shame: Mary's Dilemma and the Birthplace of Jesus* N. Clayton Croy, 2022-08-01 The only narratives of Jesus birth locate the event in Bethlehem but the adult Jesus is consistently associated with Nazareth How do we reconcile these two indisputable facts Some dismiss Bethlehem as a theologoumenon a theological fabrication Others insist on Bethlehem based on the census of Quirinius In the present volume N Clayton Croy argues that both are wrong Instead Jesus birthplace was determined by the scandalous nature of Mary s pregnancy with it being necessary for Mary and Joseph to escape the inevitable shame of an ill timed conception and decamp to a less hostile environment In this light a Bethlehem born Jesus who grew up in Nazareth should never have been considered problematic *The Secret Teachings of Mary Magdalene* Claire Nahmad, Margaret Bailey, 2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you ve never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary s teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary s ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It s an interpretation that uncovers a rich subtext in Mary s words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness

Mary, Founder of Christianity Chris Maunder, 2022-04-07 A radical reassessment of the role of Mary the mother of Jesus and other women in the early Church Despite the commonly held assumption that the Bible says little about the mother of Jesus there are many indications that Mary preceded and inspired her son in fostering the emergence of a new faith community In the Gospel of John Mary instigates Jesus first miracle and in all four gospels she is present at the crucifixion suggesting hers was a place of unparalleled importance in the Christian story Setting aside presuppositions based on doctrine Chris Maunder returns to the New Testament to answer the question Who was Mary He re examines the virgin conception of Jesus Mary s contribution to Jesus ministry and her central role in the events of the crucifixion and the resurrection In so doing Maunder casts a thought provoking new light on Mary and the women including Mary Magdalene who stood alongside her **Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc**, 1868 **The Gospel of Mary** Esther De Boer, 2005-06-20 The success of Dan Brown s Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary Here the author examines Mary Magdalene

s influence on the beginnings of Christianity and asks what was her impact and her message And furthermore what became of her and her ideas Esther de Boer studies the Gospel of Mary the only Gospel to be named after a woman to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo the letters of Paul and the Gospel of John She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context In order to determine this context the study identifies the different portrayals of Mary Magdalene in the New Testament analyses their concepts of discipleship and their views on women and investigates their historical reality Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus

The Lost Mary James D. Tabor,2025-09-30

A world renowned historian of early Christianity and ancient Judaism lifts the veil on the life of Mary revealing her revolutionary role as the matriarch of the Jesus movement Tabor restores her voice her faith her motherhood and most of all

her humanity in this groundbreaking portrait that challenges everything we thought we knew about the origins of Christianity Reza Aslan author of *Zealot* Mary mother of Jesus is the best known and least known woman in history Revered and worshipped by millions she remains a figment of the imagination the ethereal subject of Raphaels and Botticellis bathed in heavenly light too virginal and pure to move among us But what about the real Mary The young Jewish woman and single mother of eight five boys and three girls The defiant citizen of Roman occupied Galilee who survived through one of the most dangerous periods of Jewish history an ancient game of thrones that claimed the lives of three of her sons Jesus and Simon by crucifixion James by stoning The historical Mary whose teachings and courageous example may in fact make her the first founder of what we now call Christianity This Mary has not only been lost to us she has been systematically erased over the past two millennia by a theological cultural and political program intent on removing her from the human realm and marginalizing her womanhood motherhood and Jewishness In *The Lost Mary* James D Tabor corrects the record laying out the results of his intensive textual and archaeological sleuthing over the past three decades including new evidence regarding Mary s genealogy which may be hiding in plain sight in the New Testament Tabor s quest for the historical Mary offers a transformative perspective on Jesus and his early followers and recovers the nature and essence of earliest Christianity

St. Mary Magdalene Tau Malachi, 2006 The first written account of a Sophian Gospel of Mary Magdalene offers a groundbreaking portrayal of the Saint depicting her as a powerful woman the innermost disciple and beloved wife of Jesus and a woman who is coequal with Jesus in the Christ revelation Original *The Crucifixion of Mary Magdalene*

Richard J. Hooper, 2005 A careful study of Christian origins and detailed analysis of all the canonical apocryphal and Gnostic Gospels in which Mary Magdalene appears Considered the first apostle of Christianity by early Christians the author explains why the patriarchs of the early church found it necessary instead to reinvent Mary as a wanton woman rather than Jesus most favored disciple Universal History on Scriptural Principles. For the use of children. [By Mary Bowley.], 1843 *The Journal of Sacred Literature and Biblical Record* ,1860
