British and Irish Dramatists Since World War II. John Stanley Bull,2005 Embraces the work of writers working in theatrical traditions ranging from the classic well made play to the most radical avant garde pieces This variety is indicative of the fact that this period is one of the most important in British drama comparable to the late Elizabethan Jacobean and post Restoration eras in terms of the quantity and quality of new work and surpassing both of them in the sheer variety of theatrical offerings *Impressions Quarterly* ,1900 *The Musical Times* ,1907 Children's Play in Literature Joyce E. Kelley,2018-07-04 While we owe much to twentieth and twenty first century researchers careful studies of children s linguistic and dramatic play authors of literature especially children s literature have matched and even anticipated these researchers in revealing play s power authors well aware of the way children use play to experiment with their position in the world This volume explores the work of authors of literature as well as film both those who write for children and those who use children as their central characters who explore the empowering and subversive potentials of children at play Play gives children imaginative agency over limited lives and allows for experimentation with established social roles play s disruptive potential also may prove dangerous not only for children but for the society that restricts them White Lens on Brown Skin Matthew B. Locey,2023-02-21 From the earliest accounts of contact with Europeans Polynesians have been perceived as sensual and sexual beings By the late 1800s publications lectures and stage plays about the Pacific became popular across Europe and often contained exotic and erotic components This book details the fusion of truth and fiction in the representation of Pacific Islanders focusing on the sexualization of Polynesians in American cinema and other forms of mass communications and commercial entertainment With messaging almost subliminal to American audiences the Hollywood media machine produced hundreds of tropical film titles with images of revealing grass skirts scanty sarongs female toplessness and glistening exposed male pectorals This critical filmography demonstrates how the concept of sex sells especially when applied on a large scale shaped American social views on Polynesian people and their culture Chapters document this phenomenon and an annotated filmography of sexualized tropes and several appendices conclude the book including a glossary of Polynesian terms and a film index **Foot-ball Rules ... Authorized and Adopted by the American Intercollegiate Association** National Collegiate Athletic Association,1911 Early volumes consisted of rules with a separate publication for text Later volumes consist of text and rules at first the official rules later the read easy rules Vols for 1976 78 do not include rules *The Works of Mary Russell Mitford* Mary Russell Mitford,1841 *Panics Without Borders* Gregory Mitchell,2022-09-13 We are living in a time of great panic about sex trafficking an idea whose meaning has been expanded beyond any real usefulness by evangelicals conspiracy theorists anti prostitution feminists and politicians with their own agendas This is especially visible during events like the FIFA World Cup and the Olympic Games when claims

circulate that as many as 40 000 women and girls will be sex trafficked Drawing on extensive fieldwork in Brazil as well as interviews with sex workers policymakers missionaries and activists in Russia Qatar Japan the UK and South Africa Gregory Mitchell shows that despite baseless statistical claims to the contrary sex trafficking never increases as a result of these global mega events but police violence against sex workers always does While advocates have long decried this myth Mitchell follows the discourse across host countries to ask why this panic so easily embeds during these mega events What fears animate it Who profits He charts the move of sex trafficking into the realm of the spectacular street protests awareness raising campaigns telenovelas social media and celebrity spokespeople where it then spreads across borders This trend is dangerous because these events happen in moments of nationalist fervor during which fears of foreigners and migrants are heightened and easily exploited to frightening ends Dramatic Mirror of the Stage and Motion Pictures ,1917

Instruments of Empire Mary Talusan,2021-08-23 At the turn of the twentieth century the United States extended its empire into the Philippines while subjugating Black Americans in the Jim Crow South And yet one of the most popular musical acts was a band of little brown men Filipino musicians led by an African American conductor playing European and American music The Philippine Constabulary Band and Lt Walter H Loving entertained thousands in concert halls and world s fairs held a place of honor in William Howard Taft s presidential parade and garnered praise by bandmaster John Philip Sousa all the while facing beliefs and policies that Filipinos and African Americans were uncivilized Author Mary Talusan draws on hundreds of newspaper accounts and exclusive interviews with band members and their descendants to compose the story from the band s own voices She sounds out the meanings of Americans responses to the band and identifies a desire to mitigate racial and cultural anxieties during an era of overseas expansion and increasing immigration of nonwhites and the growing threat of ragtime with its roots in Black culture The spectacle of the band its performance and promotion emphasized a racial stereotype of Filipinos as natural musicians and the beneficiaries of benevolent assimilation and colonial tutelage Unable to fit Loving s leadership of the band into this narrative newspapers dodged and erased his identity as a Black American officer The untold story of the Philippine Constabulary Band offers a unique opportunity to examine the limits and porousness of America s racial ideologies exploring musical pleasure at the intersection of Euro American cultural hegemony racialization and US colonization of the Philippines The Dain Curse Dashiell Hammett,2025-05-14 The Dain Curse is a novel by Dashiell Hammett first published in 1929 It is a compelling work of detective fiction that showcases Hammett s signature hard boiled style The story follows the adventures of an unnamed private detective often referred to as the Continental Op The novel is set against the backdrop of San Francisco and delves into themes of crime corruption and the complexities of human nature The narrative begins when the Op is hired to investigate a series of mysterious events surrounding the wealthy Dain family The family is plagued by a supposed curse that has led to a string of tragic incidents including deaths and disappearances As the Op delves deeper into the case he discovers that the Dain family is not only

Queer Politics in Times of New Authoritarianisms

Somak Biswas, Rohit K Dasgupta, Churnjeet Mahn, 2024-02-15 Queerness remains a central fault line in contemporary South Asia Colonial era anti-sodomy laws codified in Article 377 of the penal codes in India Bangladesh and Pakistan or Article 365 in Sri Lanka exemplify the shared imperial lineages of the region as also their long postcolonial afterlives Across South Asia and the world new authoritarianisms have reignited old fault lines around sexuality New media technologies have increasingly connected diasporic space with mainland South Asia globalising queer networks Yet these trajectories are necessarily discontinuous In the last two decades whilst there has been an explosion of LGBTQ visibility most notably in

South Asian film television and new media this visibility has come with mainstream ideological agendas which do not especially represent the diversity of queer lives in South Asia along key identities of caste class religion and region This book seeks to encourage critical thinking by suggesting ways in which notions of culture neoliberalism nationalism and queerness in the context of new authoritarianisms are disentangled The chapters in this volume take up these questions and offer critical imaginings of sexual politics and its imbrication with popular culture and authoritarian politics within contemporary South Asia The chapters in this book were originally published as a special issue of South Asian Popular Culture The Windsor Magazine ,1911 **A Dictionary of the Scottish Language** John Jamieson,1846 *Later Poems of Alexander Anderson* Alexander Anderson,1912 **Musical America** ,1928 Doomsday Cult John Lofland,1927 **Doomsday** Warwick Deeping,1927 **Race, Sex, and Gender in Contemporary Women's Theatre** Mary F Brewer,1999-01-01 Focusing on dramatic works by contemporary British and American playwrights in conjunction with feminist political and theoretical texts this book discusses feminist constructions of the category Woman
