Mary Olivier, a Life May Sinclair, 1982 **Mary Olivier** May Sinclair, 1949 *Sacrifice as a Narrative Strategy in May Sinclair, Mary Butts, and H. D.* Sanna Melin Schyllert, 2023-09-30 This book explores sacrifice as a narrative theme and a stylistic strategy in works by May Sinclair Mary Butts and H D It argues that the modernist experiment with pronoun use informs the treatment of acts of sacrifice in the texts understood both as acts of self renunciation and as ritual performance It also suggests that sacrifice if the conditions are right can serve as the structure upon which a cohesive community might be built The book offers in depth analyses of the three authors and their works deftly dissecting the modernist narrative experiment to show that it was by no means limited it was a means by which to approach a wide range of stories and materials **Mary Olivier; A Life** May Sinclair, 2024-04-07 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

Literature and Modern Time Trish Ferguson, 2020-05-06 Literature and Modern Time is a collection of essays that explore literature in the context of a wave of challenges to linear conceptions of time introduced by thinkers such as Bergson Einstein McTaggart Freud and Nietzsche These challenges were not uniform in character The volume will demonstrate that literature of the era under scrutiny was not simply reacting to new theories of time in some cases it is actually inspiring and anticipating them Thus Literature and Modern Time promises to offer a genuine dialogue between literature and time theory and in doing so will uncover and examine influences and connections sometimes unexpected between philosophers and writers of the era It will examine literary attempts to transcend and escape time and also challenge rupture based accounts of modernist time by demonstrating that literary texts commonly associated with brokenness decline or stasis also at the same time maintain faith in healing renewal and mobility This collection contains interdisciplinary research of the quite highest kind to see so many different kinds of time narrative historical mechanical subjective non linear time myth and nostalgia as well as time space discussed here is very stimulating indeed Professor Simon James *May Sinclair* Rebecca Bowler, 2016-12-05 May Sinclair was a bestselling author of her day whose versatile literary output including criticism philosophy poetry psychoanalysis and experimental fiction now frequently falls between the established categories of literary modernism In terms of her contribution to dominant modernist paradigms she was until recently best remembered for recasting the psychological novel as stream of consciousness narrative in a 1918 review of Dorothy Richardson s Pilgrimage This book brings together the most recent research on Sinclair and re contextualises her work both within and against dominant Modernist narratives It explores Sinclair s negotiations between the public and private the cerebral and the corporeal and the spiritual and the profane in both her fiction and non fiction **The Creators** May Sinclair, 2004-11-30 May Sinclair s The Creators is a study of a group of writers and would be writers and their struggles and or accommodations withing the literary marketplace It deals with the trials and tribulations of literary celebrity and with lack of recognition It

also focuses on the doubts and self divisions of the artist and on his or her battles with conventional gender roles The novel's subtitle a comedy puzzled some of its first readers and reviewers the TLS to speculate that the comedy must lie in that fact that the creators believe that they are geniuses Sinclair does not take her characters as seriously as they take themselves but her social comedy also exposes the limitations of the conventional middle class world which either exploits or fails to understand them First serialized in the Century Illustrated Monthly Magazine between November 1909 and October 1910 The Creators was first published in book form by John Constable in 1910 This edition restored the numerous and extensive cuts that were made to Sinclair's manuscript during the process of the novel's serialization
