Yoder,Yoder's Amish Country Store (LaGrange, Ind.),1985 **Candy Making Revolutionized** Mary Elizabeth Hall,2021-03-21 Candy Making Revolutionized From Mary Elizabeth Hall *Candy Recipes & Other Confections* May Belle Van Arsdale,Ruth Parrish Casa-Emellos,1975 *Candy-making at Home* Mary Mason Wright,1920

**Candy-making Revolutionized** Hall Mary Elizabeth,1901 **Candy-Making Revolutionized** Mary Elizabeth Hall,2023-04-14 The years of work in candy making that have made possible this book I now look back upon with a certain

feeling of satisfaction The satisfaction comes from the knowledge that because of the discovery that is here recorded the candy of the future will be purer more wholesome more nourishing than that of the past has been Even if the processes that are here set forth fail of the widest adoption I have still the satisfaction of knowing that just so far as they are adopted will there be greater healthfulness of confectionery Another reason for the satisfaction that I feel is my knowledge that my discovery has opened to the home candy maker a whole new world Previously many of the better sorts of confectionery particularly of the decorative kinds were out of her range either because of the cost of the necessary ingredients or the difficulty of their purchase or handling particularly under a heavy disadvantage has been the village or country cook who has not had the service rendered by the specialty stores of the great cities Many colors and flavors are made available by this discovery The use of beets for instance has added to the candy maker s palette a very attractive new shade Each vegetable contributes at least one new flavor Novel as are candies made from vegetables they must not be thought faddish Caramels marshmallows and bon bons and all the rest are here tastes that have already won favor are here and many new ones as well In places perhaps the directions that follow may seem over detailed Invariably however I have tried to give information about all the points that would come to the mind of the amateur confectioner I have tried to tell the why as well as the what Moreover the processes at times may seem perhaps a bit over long It should be noted however that vegetable candy making is no more complicated if as much so as is the making of any other confectionery Good candy invariably means effort and intelligent painstaking effort at that

**My Candy Secrets** Mary Elizabeth,2014-06-06 Mary Elizabeth in My Candy Secrets has in a veritable edition deluxe said the last word on the confection of sweets American dinners rarely include that weird product of English taste the savory after the sweets but no American dinner is complete without bon bons and bon bons as exquisite as possible It has been long admitted that the United States is the only country in which perfect ices especially those made with cream are produced but of late our country has led the world in the creation of candies Mary Elizabeth leads a carnival of candies a saturnalia of sweets And if you are systematic and have a certain touch of genius you may learn to make them yourself but you must take pains The simple table of contents would send Aladdin and all the heroes of the Arabian Nights who had to content themselves with chunks of Turkish Delight and peppered cream cakes into ecstasies It might be read as an accompaniment to a recitation of parts of Omar Khayyam or Tennyson s Dream of Fair Women The Bookman A Review of Books and Life Volume 52

*Candy-Making Revolutionized Confectionery From Vegetables* Mary Elizabeth Hall,2015-08-05 Excerpt from Candy Making Revolutionized Confectionery From Vegetables Confectionery From Vegetables When Mary Elizabeth Hall first brought her discovery to my attention I thought that it was indeed one that would revolutionize candy making both that of the amateur at home and of the manufacturer And in the months that have followed to this belief has been added the conviction that this revolution is one very much worth while Why so simple and obvious a discovery was not made long ago is a mystery to me perhaps its very simplicity and obviousness is proof of its importance Of cookery candy making is a branch which is entitled to more dignity than it ordinarily receives Negatively and positively the importance of sweets to the child can hardly be over estimated If he consumes a quantity of impure confectionery his digestion will be ruined for life how much of the confectionery bought is rankly impure it is well for the mother s peace of mind that she does not know About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an

important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
