Maryon Stewart's Zest for Life Plan Maryon Stewart, 1998 Cruising Through The Menopause Maryon Stewart, 2012-08-31 Published research now supports the fact that menopausal symptoms can be overcome without having to resort to HRT and in a way which still offers protection from both heart disease and osteoporosis in the long term. Despite this, the alternative approach is not widely known and is certainly not widely practised. Over the last thirteen years, the WNAS has pioneered an exceedingly simple, workable and enjoyable programme to help alleviate symptoms of both the perimenopause and the menopause, no matter how severe. This includes making specific dietary changes, including adding to the diet those foods that are rich in phytoestrogens, taking nutritional supplements, moderate weight-bearing exercise and a regular relaxation programme. Cruising Through the Menopause explains this programme clearly and also describes the pros and cons of taking HRT so that women everywhere can make informed choices about how they wish to tackle the menopause. It also includes numerous menu plans as well as over 80 delicious recipes.

The Natural Menopause Plan Maryon Stewart, 2017-07-18 A life-changing plan for alleviating the negative effects of menopause without hormone replacement therapy, with over 90 nutrient-rich recipes for supporting physical, mental and emotional health. The effects of menopause can be utterly debilitating for women, ravaging their physical, mental and emotional health and often their careers and relationships too. But conventional therapies come with side effects that sometimes seem nearly as bad. Bestselling author Maryon Stewart shows how you can alleviate the symptoms of menopause naturally and effectively through diet, supplements, herbal remedies, exercise and relaxation. The Natural Menopause Plan includes more than 90 delicious recipes. All are easy to make and brimming with vital nutrients such as calcium, magnesium and essential fatty acids. Many are especially designed to include naturally occurring estrogens, phytoestrogens, a safe and effective alternative to hormone replacement therapy. You'll find delicious smoothies, pancakes and muesli recipes for breakfast. Lunch and dinner choices include fresh salads, soups, risotto, bakes, curries, stir fries and more, with plenty of options for special diets. Desserts and snacks offer choices like cheesecake, fruit salads, cakes, bars and breads. Each is specially designed to alleviate menopausal symptoms in a healthy, lasting way. Complete with authoritative nutritional information, this is the ultimate guide to combating the effects of menopause the natural way.

Manage Your Menopause Naturally Maryon Stewart, 2020-11-10 Find Yourself Again with a Natural Approach. To a Natural Transition. Menopause is too often treated as a problem to be solved or an illness to be cured, not the natural process it is. World-renowned healthcare expert Maryon Stewart outlines her wonderfully comprehensive and practical Six Week Natural Menopause Solution, with steps that women can take to feel better right away. Detailed questionnaires help you assess which areas of your life most need addressing, from brain fog and mood swings to painful sex, weight gain and complexion issues.
