Note to the performers:

This song is about a mother singing to her perfect child. She knows what her child is going to go through in life and she wants to comfort him and hold him while she still can.

When you sing this song, think of someone you love, not a romantic love, but a love that would make you do anything for them. A love that makes you want to comfort them and hold them and tell them everything is going to be alright. A pure love.
