Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *Mary, Will I Die?* Shawn Sarles,2021-09-07 Bestselling author Shawn Sarles most terrifying YA horror yet It starts innocently enough Four kids three girls one boy are at one of their houses playing games One of them has read about Bloody Mary and the idea that if you look into a mirror and say her name thirteen times she will show you the future Some legends say she ll show you your one true love or a skull to mark your death within five years Others say that conjuring Bloody Mary will bring her into your world Both sets of legends are true The kids go through with the act saying her name thirteen times One girl looks in the mirror and sees her longtime crush One girl looks in the mirror and sees the boy in the group But she pretends to see something else One girl looks in the mirror and sees a girl she s never seen before but can t get out of her mind And the boy he sees a skull But he pretends to see something else They try to laugh it off And mostly they forget about it Or at least they don t talk about it Yes over the next few years whenever they look into a mirror it s like there s always another figure standing in the background getting closer Just short of five years later the four of them are no longer friends having gone on separate paths The girl whose house it was has always tried to avoid the mirror they used because she always sensed someone in the background One morning as she s passing by she sees much more than her own reflection it s a scary figure taunting her She startles and breaks the mirror When the pieces are put back together barely the figure is gone That day in school a new girl arrives Her name is Mary **[Un]framing the "Bad Woman"** Alicia Gaspar de Alba,2014-07-15 One of America s leading interpreters of the Chicana experience dismantles the discourses that frame women who rebel against patriarchal strictures as bad women and offers empowering models of struggle resistance and rebirth The Burning Glass (Jean Fairbairn/Alasdair Cameron Series,

Book 3) Lillian Stewart Carl, 2009-09-01 Alasdair and Jean are making a deliberate effort to put together a relationship Leaving Edinburgh to the crowds attending the annual Festival they move into the caretaker's cottage of an old and spooky castle near Rosslyn Chapel Rosslyn has been made so famous by The Da Vinci Code that only tour groups are admitted It's a medieval church where the Holy Grail or the treasure of the Knights Templar is rumored to be hidden Ferniebank Castle includes a small chapel that's very similar and obviously related to Rosslyn but is off the beaten path Or so they think Even before Jean meets Alasdair at Ferniebank she hears that trouble is brewing there and in the nearby village of Stanelaw a local councillor has disappeared a precious artifact has been stolen and the castle's former caretaker has died under circumstances that make Alasdair's police whiskers twitch It's a bad time for this sort of thing to be happening since the owner of a popular New Age travel company has just bought the chapel and its healing well intending to build a spa there something that will revive the village economy As though Jean and Alasdair's plans aren't thrown enough of a curve when the New Age guru turns out to be his ex-wife other crimes and then another death occur right on their doorstep And everything seems to track back to the former Mrs Cameron Even though Alasdair is no longer a formal member of other police force he and Jean must roll up their sleeves and wade in to yet another mystery Authentic dialect detailed descriptions of the castle and environs and vivid characters recreate an area rich in history and legend The tightly woven plot is certain to delight history fans with its dramatic collision of past and present Publishers Weekly A little romance a dash of mystery and a soupcon of history make a hearty dish Kirkus Reviews      **Certain Unfinished Mirrors from Belgium** United States International Trade Commission, 1987      Unsex'd Revolutionaries Eleanor Rose Ty, Professor Department of English Eleanor Ty, 1993-01-01 Using historical and feminist psycho-linguistic studies as a base Ty explores some of the complexities encountered in the writings of Mary Wollstonecraft Mary Hays Helen Maria Williams Elizabeth Inchbald and Charlotte Smith
