Spanning his career, this anthology illustrates Hemingway's distinct literary style, characterized by terse, vivid language and a powerful use of subtext, often exploring themes of love, loss, and existential struggle. Each selected work is a testament to the principles of modernism, reflecting the disillusionment of the post-war era and deep psychological insight into characters facing moral dilemmas in a changing world. Born in Illinois in 1899, he navigated the harrowing realities of life and war, influencing his narrative voice and thematic focus on courage, resilience, and the complexities of masculinity. His journalism career informed his succinct style, while his expatriate years in Paris cemented his reputation among the modernist literary elite, shaping the works compiled in this greatest hits volume. Hemingway on Hunting Ernest Hemingway, 2014-05-22 Ernest Hemingway's lifelong zeal for hunting is reflected in his masterful works of fiction, from his famous account of an African safari in *The Short Happy Life of Francis Macomber* to passages about duck hunting in *Across the River and into the Trees*. For Hemingway, hunting was more than just a passion; it was a means through which to explore our humanity and man's relationship to nature. Courage, awe, respect, precision, and patience—these were the virtues that Hemingway honored in the hunter and his ability to translate these qualities into prose. He has produced some of the strongest accounts of hunting of all time. *Hemingway on Hunting* offers the full range of Hemingway's writing about the hunting life. With selections from his best-loved novels and stories, along with journalistic pieces from such magazines as *Esquire* and *Vogue*, this spectacular collection is a must-have for anyone who has ever tasted the thrill of the hunt in person or on the page. They are the very simplest things and because it takes a man's life to know them, the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife Pauline set out on a two-month safari in the big game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. I had quite a trip, the author told his friend Philip Percival, with characteristic understatement. *Green Hills of Africa* is Hemingway's account of that expedition of what it taught him about Africa and himself.
