

MASK OF LOVE

Courtney Smith presented the mask of love illusion, created in collaboration with Gianni Sarcone and Marie-Jo Waeber of the Archimedes Laboratory Project in Genoa, Italy. A young girl in a Venetian mask pines for love. Or perhaps she is beyond the yearning period and has moved on to kissing. This type of illusion is called bistable because, as in the classic face-vase illusion, you may see either a girl or a couple, but not both at once. The visual system tends to see what it expects to see—only one mask is present, so you are much more likely to see a single face on first glance.

The illusion was discovered in an old photograph of two lovers sent to the Archimedes Laboratory. Sarcone, the leader of the group, saw the image pinned to the wall and, being nearsighted, thought it was a single face. After donning his eyeglasses, he realized what he was looking at. The team later paired the picture of the lovers with the beautiful Venetian mask. Luck does favor the prepared mind ... and the nearsighted.

SEEING DOUBLE: Most people initially see one face here because of the surrounding mask. But look again, and you'll see two.

Journey to Love Janeen Michael-Lanier,2009-04 Abused The Preacher s Wife Divorced These were not my character traits or career choice yet these associations and marks on my life gave me my public identity This identity s influence was so strong it broke my personal courage Could I break the silence and confess my pain to God Would He hear my prayers and heal me if I walked away from ministry Would He discard me if I got a divorce After taking an honest look at my life I truly wondered if He even loved me at all For years I lived with the disconnection between the truth of God s Word which proclaimed His Love for me and my ability to dwell daily in the confident security that truth inspires The distress in my heart was so great and securing God s love seemed so elusive that I made attempts to cure myself Unfortunately I wound up causing myself greater injury as I sought out alternatives that I could intellectually grasp and measure up to Each substitute for His love that I gathered failed me miserably til finally I answered God s question to me Janeen will you let me love you After many hills valleys scrapes and falls I placed my hand in His and made the discovery of a lifetime He created me to Love me I didn t have to beg barter or steal for love The Love that I so desperately longed for was inside of me All I had to do was accept and receive the awesome gift But the twists and turns of the pathways travelled to arrive at the place of clarity and wholeness was an absolutely incredible Journey to Love I am so glad that God is Love He miraculously loves me and you in the midst of and through each of our life s pathways *The Great God Brown* Eugene O'Neill,1926 **Love, an Index** Rebecca Lindenberg,2016-07-18 A man disappears The woman who loves him is left scarred and haunted In her fierce one of a kind debut Rebecca Lindenberg tells the story in verse of her passionate relationship with Craig Arnold a much respected poet who disappeared in 2009 while hiking a volcano in Japan Lindenberg s billowing I contain multitudes style lays bare the

Transformation is woven by a profound respect and love for the soul and the transformative powers of the Body Psyche It is an exploration of the embodied psychic transformation in the specific context of the BodySoul Rhythms work BSR developed by Ann Skinner Mary Hamilton and Marion Woodman In describing the BSR work interviewing six women about their experiences and linking the BSR approach with the new neuroscience developmental psychology change in therapy attachment theory and relational trauma Dr Reinau brings to light all that the BSR approach has to offer It is with relief and pleasure that I write this endorsement Relief comes because someone with clarity accuracy and care has outlined the consonants of the work of BSR Pleasure because the vowels of the work have been explored in an authentic voice from an open heart with a keen intelligence and from several well studied points of view Once again Maja Reinau has put on her diving costume gone down and this time surfaced with the pearl Love Matters in Psychic Transformation Thank you Maja Ann Skinner co creator of Body Soul Rhythms Love Matters For Psychic Transformation is a gift to the many women who have benefited from the BSR work Dr Reinau is able to delve deeply into the methodology of BodySoul work without destroying the mystery It is a treasure of information for those who seek this way of transformation in their lives The interviews deepen the mystery as well as the understanding of the work Dr Reinau's ability to link BodySoul experience to early developmental theories and to neuroscience provides the path to her conclusion that it is all about love A conclusion with which I am sure Marion Woodman would agree Everyone who seriously considers understanding BodySoul work should read Love Matters for Psychic Transformation Patricia C Patrick M A M D Child Adolescent and Adults Psychiatrist The Marion Woodman BodySoul Rhythms Leadership Training Board Member Marion Woodman Foundation Teaching Member Sand Play Therapist Association

By F.E.M. Notley Frances Eliza Millett Notley, 1877 Love Never Faileth Eknath Easwaran, 1995-12-01 This book shows how we can stretch our capacity to love stretch it beyond anything we can imagine To love more we need the desire to love more We need to

slow down not to do less but to relax the frantic pace of thinking that leaves so little room for what is worthwhile We need ways to reorder our priorities We need time time for others And we need some way of renewing ourselves day in and day out Eknath Easwaran describes specific methods of meditation and prayer which we can use to tap our inner strength at any time even when we are frustrated angry or sapped by doubt Introductions to each section give glimpses into the lives and teachings of these saints

Ghost Rider B. D. James, 2003-02-12 Not since Kiss of the Spider Woman has a story about the effects of persecution on the human mind interwoven fantastic and realistic elements as effectively A story of biting irony and bitter satire leaning heavily on Nabokov's Pale Fire Ghost Rider addresses contemporary social concerns with its elegant crisp prose The protagonist has no name and no identity Together with her memory they have been taken in a Latin American war When she falls for a famous rider she must descend into the pits of her past to tell him her story and is forced to add new chapters as she peels away hidden layers of herself Initially there seems to be nothing wrong with her except for a strange affinity for ghosts Her memories of fear filled nights take her back to Peru into the vengeful mind of an executed man Claiming she has killed him he tries to convince her of the advantages of being dead To banish him she sets music against her blood reeking past When she finally succeeds she is eighty two But it might be a dream like the rest of her story or her final nightmare Nothing rules out that she could awake in the torture chamber facing her final hour

Poetics of Change Julio Ortega, 2013-08-26 Too often literary criticism is academic exercise rather than creative act For the multifaceted Julio Ortega respected poet dramatist and novelist in his own right the act of criticism becomes profoundly creative his incisive readings of the text far transcending the pedantry that may falsely pass for imagination intelligence and rigor Nearly every Spanish American writer of consequence from Paz to Fuentes Cort zar to Lezama Lima has extolled Ortega's criticism as not merely a reflection but an essential part of the renaissance that took place in Spanish American letters during the late twentieth century Poetics of Change brings together Ortega's most penetrating and insightful analyses of the fiction of Borges Fuentes Garc a M rquez Carpentier Rulfo Cabrera Infante and others responsible for great writing from Spanish America Ortega concerns himself most with the semantic innovations of these masters of the modern narrative and their play with form language and the traditional boundaries of genre Mapping their creative territory he finds that the poetics of Spanish American writing is that of a dynamically changing genre that has set exploration at its very heart
