Mask Of Fiction:

The Mask of the Sun Fred Saberhagen, 2022-02-04 The finding of a valuable ancient Aztec mask off the coast of Key West leads the Gabrieli brothers on a harrowing adventure Mysteriously transported to the 16th century Inca empire where the fate of an alternate timeline lies in the balance Mike Gabrieli finds himself pitted against a most formidable Conquistador Will it pay to have reached too fast for gold Some additional time travel novels by Saberhagen A Century of Progress After the Fact Pyramids Merlin's Bones Behind the Mask Yangsook Choi, 2006-10-03 Halloween is coming What are you going to be the children ask one another Kimin says he will be his grandfather Going as an old man is not very scary they tease What the children don t know is that Kimin s grandfather was a Korean mask dancer And Kimin doesn t know that the mask holds a secret for him With vibrant illustrations Yangsook Choi joins Korean and American folk traditions in her story about a boy who finds a link to his grandfather behind the mask Behind the Mask is a 2007 Bank Street Best Children's Book of the The Shadow Mask Lin Oliver, Theo Baker, 2013-01-01 Leo Lomax the Sound Bender returns in this globe trotting sequel Leo is back in New York and things are worse than ever His Uncle Crane has isolated him from his friends pulled him from his school and is keeping him under near constant surveillance When a strange mask once owned by his father begins to draw Crane's attention however Leo is presented with a devil's bargain If he helps Crane find the mask's other half he can return to his life and his friends To sweeten the deal Crane will even pay for a fact finding mission to check out Leo s parents plane crash There's just one catch In order to find the mask Leo will have to travel across the world and take it from its rightful owners Mask John Minahan, 1985 The Mask John Cournos, 2013-11 An excerpt of a review by The Bookman Volume 51 The Mask a book of remarkable quality by a new writer Frank Swinnerton in September pictures the impulse to snatch in some desperate fashion at the hurrying skirts of beautiful youth before it passes from us forever three sea tales WHOEVER John Cournos may be he has written a book of remarkable quality. The Mask is confessedly less a story than the portrait of a man But it is the portrait of a man in his natural setting a man of our time product and interpreter of a vastly larger human world than respectable fiction dreamed of dealing with a few years ago Respectable is a word of ghastly omen in these days let me hasten to protest that I mean nothing by it but the kind of fiction that deserves respect as a product of the literary art It wasn t only Victorianism in the now established sense of prudery and hypocrisy and general all round squeamishness in the face of God and man that made such a novel as this inconceivable a generation ago It was not so much the narrowness of our hearts as the narrowness of our vision We could not see beyond our group or clan or class or race Our imagination dwelt within a fenced range It is pleasant still to find ourselves now and then back in that safe place with the Mrs Humphry Wards or the Archibald Marshalls or our own mild proponents of the average American citizen at work and play But we can t stay in it There is a bigger world outside and it calls us with a hundred voices The author names his prefatory chapter Overture A Promise and a Warning It is a warning that we are not to have a conventional novel or even

strictly speaking a novel at all but rather a series of pictures in which one John Gombarov is more or less the central figure And in this series of pictures of life looked back upon Gombarov saw each picture complete in itself yet all of them together formed the parts of a larger and grander composition which gave rise to a mood akin to the one in which he had many a time stood before a wall decoration by Veronese or Titian as eyeing a small detail of the panel he had said to himself Here is a piece of colour so beautiful that I should be happy in possessing but a few square inches of it framed and hung on my wall In such a mood he liked to think of a man's life not as a play or novel but as a collection of short stories conceived by a single mind and dominated by a single personality which in some latent unobvious way is the sole hero of them all Here then is John Gombarov s world with John Gombarov in the middle of it busily engaged as each of us is engaged in being himself The extraordinary thing is that this world of his the narrow world of a young Slav immigrant in America is so patently part of our own world or rather like our own world a fragment of some greater human cosmos which as yet we in our provincialism but vaguely apprehend The book may among other things be good medicine for that complacency which ascribes unlimited capacity and power to the American melting pot One or two of our story tellers have recently ventured to show that we now and then actually gain something from the presence of the newcomer from Europe with his thrift and his ambition as a spur to our own sluggishness if nothing else Crime Fiction Martin Priestman, 2013 This book examines why the form of the detective whodunnit narrative has proved so tenacious and plots a course through the thousands of crime novels and stories which have appeared since the narrative was established **It and Other Stories** Dashiell Hammett, 2016-06-14 The second volume of short stories featuring the adventures of crime fiction s most hardboiled sleuth the Continental Op Dan Rathbone locks the bonds in the company safe fully aware that 100 000 is a deadly temptation He s about to embark on a business trip and he tells his partner that he only wants to be sure the papers are safe But when Rathbone goes missing his partner discovers that the funds have vanished along with him Has Rathbone skipped town with the bonds or has he been murdered The Continental Op will find out the truth and in Dashiell Hammett's San Francisco the truth is always a thorny proposition The Continental Op cut a bloody swath across the pages of Black Mask dealing cool reckoning to anyone who threatened him in his pursuit of the truth In It Bodies Piled Up and The Tenth Clew the infamous Op dispenses his particular brand of two fisted justice in the hardboiled style that made Dashiell Hammett a legend The Case of the Feathered Mask Holly Webb, 2016-04-05 In this exciting mystery set in Victorian London a young girl and her dog must search for a stolen artifact with just a feather to guide them In this fourth mystery about twelve year old Maisie the young detective must solve a crime for her friend Professor Tobin The professor travelled all over the world collecting strange and wonderful objects and the British Museum is opening a special room to house his collection But before the professor's donation a thief steals a valuable Amazonian tribal mask With just a single feather left behind Maisie doesn t have much to go on but the stakes in her newest case are higher than ever Can t get enough of Maisie's mysteries Look for The Case of the Stolen Sixpence The Case

of the Vanishing Emerald and The Case of the Phantom Cat Who Killed Bob Teal? and Other Stories Dashiell Hammett, 2016-06-14 The Continental Op delves into his violent past and avenges a murdered partner in this collection of stories from master of hardboiled fiction Dashiell Hammett When he joins the Continental Detective Agency Bob Teal shows every sign of becoming a crack operative Cool headed guick witted and not afraid to take a punch Teal s on the verge of a great career when a 32 cuts him down Two bullets are enough to kill Teal and to set the Continental Op chasing the tangled tale that lead to his demise In Who Killed Bob Teal Dashiell Hammett experimented with a premise that he would later repurpose in his most famous novel The Maltese Falcon But while Sam Spade is devilishly tough the Continental Op is even tougher And in this titular story as well as The Whosis Kid and The Scorched Face the Op pursues Bay area underworld operators with the deep wrath of a San Francisco earthquake **Deadly Excitements** Robert Sampson, 1989 History of the American pulp magazine Includes such titles as The Shadow Black Mask Weird Tales Scientic Detective Monthly and Scarlet Adventuress as well as characters like Doc Savage Captain Future The Spider Phantom Detective The Whisperer and Senorita Scorpion quick trigger blonde from Old Texas The Writer ,1921 The Haunted Mask (Goosebumps Most Wanted) R.
