## **Maska I Dusha:**

*Maska i Dusha (in Russian Language)* SHalyapin Fedor Ivanovich, Modest Musorgsky and Boris Godunov Caryl Emerson, Robert William Oldani, 2006-11-02 Caryl Emerson and Robert Oldani take a comprehensive look at the most famous Russian opera Modest Musorgsky's Boris Godunov *Moral Lessons of the Twentieth Century* Mikhail Gorbachev, Daisaku Ikeda, 2005-05-11 Mikhail Gorbachev and Daisaku Ikeda are contemporaries raised in different cultures Gorbachev is a statesman whose origins are the Marx inspired world of communism while Ikeda is Buddhist inspired by the thirteenth century Japanese sage Nichiren *Moral Lessons of the Twentieth Century* emerged from a series of conversations between these two men Together they explore their experiences of life amidst the turmoil of the twentieth century and together they search for a common ethical basis for future development They conclude that values are born of culture and that peace progress and social justice can only be achieved through sincere communication and cultural exchange As the new century begins they have sought to turn the spotlight on the challenges which face humanity The book is a call for dialogue in pursuit of values that bridge culture and time **Sergei Rachmaninoff** Sergei Bertensson, 2017-04-07 Throughout his career as composer conductor and pianist Sergei Rachmaninoff 1873 1943 was an intensely private individual When Bertensson and Leyda's 1956 biography appeared it lifted the veil of secrecy from several areas of Rachmaninoff's life especially concerning the genesis of his compositions and how their critical reception affected him The authors consulted a number of people who knew Rachmaninoff who worked with him and who corresponded with him Even with the availability of such sources and full access to the Rachmaninoff Archive at the Library of Congress Bertensson and Leyda were tireless in their pursuit of privately held documents particularly correspondence The wonderfully engaging product of their labors masterfully incorporates primary materials into the narrative Almost half a century after it first appeared this volume remains essential reading Sergei Bertensson who knew Rachmaninoff published other works on music and film often with a documentary emphasis **St Petersburg** Solomon Volkov, 2010-06-15 The definitive cultural biography of the Venice of the North and its transcendent artistic and spiritual legacy written by Russian emigre and acclaimed cultural historian Solomon Volkov Long considered to be the mad dream of an imperious autocrat the Venice of the North conceived in a setting of malarial swamps St Petersburg was built in 1703 by Peter the Great as Russia's gateway to the West For almost 300 years this splendid city has survived the most extreme attempts of man and nature to extinguish it from flood famine and disease to civil war Stalinist purges and the epic 900 day siege by Hitler's armies It has even been renamed twice and became Leningrad again only in 1991 Yet not only has it retained its special almost mystical identity as the schizophrenic soul of modern Russia but it remains one of the most beautiful and alluring cities in the world Now Solomon Volkov a Russian emigre and acclaimed cultural historian has written the definitive cultural biography of this city and its transcendent artistic and spiritual legacy For Pushkin Gogol and Dostoyevsky Petersburg was a spectral city that symbolized the near apocalyptic conflicts of imperial

Russia As the monarchy declined allowing intellectuals and artists to flourish Petersburg became a center of avant garde experiment and flamboyant bohemian challenge to the dominating power of the state first czarist and then communist The names of the Russian modern masters who found expression in St Petersburg still resonate powerfully in every field of art in music Stravinsky Prokofiev and Shostakovich in literature Akhmatova Blok Mandelstam Nabokov and Brodsky in dance Diaghilev Nijinsky and Balanchine in theater Meyerhold in painting Chagall and Malevich and many others whose works are now part of the permanent fabric of Western civilization Yet no comprehensive portrait of this thriving distinctive and highly influential cosmopolitan culture and the city that inspired it has previously been attempted *Mamontov's Private Opera* Olga Haldey, 2010-06-16 The Moscow Private Opera founded sponsored and directed by Savva Mamontov 1841 1918 was one of Russia's most important theatrical institutions at the dawn of the age of modernism It presented the Moscow premieres of Lohengrin La Bohème and Khovanshchina among others launched the career of Feodor Chaliapin gave Sergei Rachmaninov his first conducting job employed Vasily Polenov Victor Vasnetsov Valentin Serov Konstantin Korovin and Mikhail Vrubel as set designers and served as a model for Diaghilev's Ballets Russes Part commercial enterprise part experimental studio Mamontov's company revolutionized opera directing and design and trained a generation of opera singers Drawing on a wealth of unpublished primary sources and evidence from art and theater history Olga Haldey paints a fascinating portrait of a railway tycoon turned artiste and his pioneering opera company *Musorgsky* Richard Taruskin, 1997-07-27 Incorporating both new and now classic essays this book sets the vocal works of Modest Musorgsky in a fully detailed cultural political and historical context elevating the composer's image over other biographers Among the book's many offerings are the most complete explanation of the revision of the opera Boris Godunov and a revisionary characterization of Khovanshchina as an aristocratic tragedy resulting from a pessimistic view of history Includes 102 music examples **The Literary Lorgnette** Julie A. Buckler, 2000 This book uses a literary lens to examine the diverse practices lore and texts of opera going in imperial Russia *Art for the Workers* Natalia Murray, 2018-04-10 Art for the workers explores the mythology and reality of post revolutionary proletarian art in Russia as well as its expression in the festive decorations of Petrograd between 1917 and 1920 It covers this brief period chronologically and so permits a close inspection of the development of artistic policies in Russia under the Provisional Government followed by the Bolsheviks Specifically this book focuses on the pre and post revolutionary debate about the nature of proletarian art and its role in the new Socialist society particularly focusing on festive decorations parades and mass performances as expressions of proletarian art and forms of propaganda Sergei Rachmaninoff Valeria Z. Nollan, 2022-10-03 Valeria Z Nollan's biography of perhaps the finest pianist of the twentieth century plunges readers into Rachmaninoff's complex inner world Sergei Rachmaninoff Cross Rhythms of the Soul is the first biography of Rachmaninoff in English that presents him in the fullness of his Russian identity As someone whose own life in Russian emigration ran in parallel ways to Rachmaninoff's own and whose meetings with the composer's grandson in

Switzerland informed her work Nollan brings important cultural insights into her observations of the activities of this generation of creative artists She also traces the intricacies of Rachmaninoff's relations with the women closest to him whose imprints are palpable in his compositions and introduces a mystery woman whose existence challenges our established narrative of his life     The Cambridge Companion to the Poem Sean Pryor,2024-06-06 This Companion offers an engaging and accessible introduction to key concepts in the study of poetry and poetics     **Five Operas and a Symphony** Boris Gasparov,2008-10-01 In this eagerly anticipated book Boris Gasparov gazes through the lens of music to find an unusual perspective on Russian cultural and literary history He discusses six major works of Russian music from the nineteenth and twentieth centuries showing the interplay of musical texts with their literary and historical sources within the ideological and cultural contexts of their times Each musical work becomes a tableau representing a moment in Russian history and together the works form a coherent story of ideological and aesthetic trends as they evolved in Russia from the time of Pushkin to the rise of totalitarianism in the 1930s Gasparov discusses Glinka's *Ruslan and Ludmilla* 1842 Mussorgsky's *Boris Godunov* 1871 and *Khovanshchina* 1881 Tchaikovsky's *Eugene Onegin* 1878 and *The Queen of Spades* 1890 and Shostakovich's *Fourth Symphony* 1934 Offering new interpretations to enhance our understanding and appreciation of these important works Gasparov also demonstrates how Russian music and cultural history illuminate one another     The Akunin Project Elena V. Baraban,Stephen M. Norris,2021-02-01 The Akunin Project is the first book to study the fiction and popular history of Grigorii Chkhartishvili one of the most successful writers in post Soviet Russia In the first two decades of the twenty first century Chkhartishvili published over sixty books under the pen names Anatolii Brusnikin Anna Borisova Akunin Chkhartishvili and most commonly Boris Akunin His series featuring the tsarist secret policeman Erast Fandorin has sold over 15 million books in Russia alone making Akunin one of the bestselling authors of the post Soviet era Combining intertextuality allusions pastiche and other markers of postmodern playfulness many of Akunin's works have been translated into English and have also been adapted for film and television Akunin's public profile has been further enhanced by his active involvement in mass political protests against Vladimir Putin Despite Akunin's international reputation as a celebrated writer there is very little critical work on his literary output and his mysterious persona Bringing together scholars of literature history and culture The Akunin Project fills this gap by exploring the author's bestselling adventure novels and recent histories of the Russian state The book includes translations of five short works previously unavailable in English as well as an interview with the author     **The Occult in Russian and Soviet Culture** Bernice Glatzer Rosenthal,1997 A comprehensive account of the influence of occult beliefs and doctrines on intellectual and cultural life in twentieth century Russia     Russian Literature and Its Demons Pamela Davidson,2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical

attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century Fandom, Authenticity, and Opera A. Fishzon, 2013-09-11 In Russia at the turn of the twentieth century printed literature and performances from celebrity narratives and opera fandom to revolutionary acts and political speeches frequently articulated extreme emotional states and passionate belief A uniquely intense approach to public life and private expression the melodramatic imagination is at the center of this study Previously scholars have only indirectly addressed the everyday appropriation of melodramatic aesthetics in Russia choosing to concentrate on canonical texts and producers of mass culture Collective fantasies and affects are daunting objects of study difficult to render and almost impossible to prove empirically Music and art historians with some notable exceptions have been reluctant to discuss reception for similar reasons By analyzing the artifacts and practices of a commercialized opera culture author Anna Fishzon provides a solution to these challenges Her focus on celebrity and fandom as features of the melodramatic imagination helps illuminate Russian modernity and provides the groundwork for comparative studies of fin de siècle European popular and high culture selfhood authenticity and political theater

**Recollections** Ivan Bunin, 2024-07-15 In this edited translation of famed writer Ivan Bunin's *Recollections* translator Thomas Gaiton Marullo provides an intimate look at leading political social cultural and literary figures from late imperial Russia through the First World War and the revolutions of 1905 and 1917 to the birth of the Russian diaspora and the rise of the Soviet state Through engaging colorful and often idiosyncratic vignettes Bunin 1870-1953 details his admiration for Leo Tolstoy Anton Chekhov Sergei Rachmaninov and Fyodor Chaliapin He shares his love-hate relationships with Maxim Gorky Alexei Tolstoy and Alexander Kuprin In addition Marullo's translation reveals Bunin's hatred of avant-gardists particularly Vladimir Mayakovsky as well as his thoughts and experiences on war revolution and exile Bunin's work led in the end to his bittersweet reception of the Nobel Prize in Literature 1933 in Stockholm making him the first Russian and the first writer in exile ever to receive this award *Recollections* reveals the author's feelings toward this unprecedented event Bunin's *Recollections* stands not only as a stark summa of his passage through literature and life but also as an equally bold apologia as to his place in both *Stage Fright* Paul Du Quenoy, 2010-11 Explores the relationship between culture and power in Imperial Russia Argues that Russia's performing arts were part of a vibrant public culture that was usually ambivalent or hostile to the tumultuous political events of the revolutionary era Provided by publisher A New Rival State? Alexander Massov, Marina Pollard, Kevin Windle, 2018-10-18 *A New Rival State* is a unique collection of dispatches written in 1857-1917

by the Russian consuls in Melbourne to the Imperial Russian Embassy in London and the Russian Foreign Ministry in St Petersburg Written by eight consuls they offer a Russian view of the development of the settler colonies in the late nineteenth century and the first years of the federated Commonwealth of Australia They cover the federalist movement the changing domestic political situation labour politics the treatment of the Indigenous population the White Australia policy Australia s defensive capacity and foreign policy as part of the British Empire The bulk of the material is drawn from the Russian language collection The Russian Consular Service in Australia 1857 1917 edited by Alexander Massov and Marina Pollard 2014 using documents from the archive of the Russian Foreign Ministry     *Red Shambhala* Andrei Znamenski, 2012-12-19 Many know of Shambhala the Tibetan Buddhist legendary land of spiritual bliss popularized by the film Shangri La But few may know of the role Shambhala played in Russian geopolitics in the early twentieth century Perhaps the only one on the subject Andrei Znamenski s book presents a wholly different glimpse of early Soviet history both erudite and fascinating Using archival sources and memoirs he explores how spiritual adventurers revolutionaries and nationalists West and East exploited Shambhala to promote their fanatical schemes focusing on the Bolshevik attempt to use Mongol Tibetan prophecies to railroad Communism into inner Asia We meet such characters as Gleb Bokii the Bolshevik secret police commissar who tried to use Buddhist techniques to conjure the ideal human and Nicholas Roerich the Russian painter who driven by his otherworldly Master and blackmailed by the Bolshevik secret police posed as a reincarnation of the Dalai Lama to unleash religious war in Tibet We also learn of clandestine activities of the Bolsheviks from the Mongol Tibetan Section of the Communist International who took over Mongolia and then dressed as lama pilgrims tried to set Tibet ablaze and of their opponent Ja Lama an avenging lama fond of spilling blood during his tantra rituals
