Masks Jay Bennett, 1971-01-01 When she falls in love with a Chinese boy a young girl discovers the difference between what her parents have taught her and what they truly believe *Nietzsche's Task* Laurence Lampert, 2008-10-01 When Nietzsche published *Beyond Good and Evil* in 1886 he told a friend that it was a book that would not be read properly until around the year 2000 Now Laurence Lampert sets out to fulfill this prophecy by providing a section by section interpretation of this philosophical masterpiece that emphasizes its unity and depth as a comprehensive new teaching on nature and humanity According to Lampert Nietzsche begins with a critique of philosophy that is ultimately affirmative because it shows how philosophy can arrive at a defensible ontological account of the way of all beings Nietzsche next argues that a new post Christian religion can arise out of the affirmation of the world disclosed to philosophy Then turning to the implications of the new ontology for morality and politics Nietzsche argues that these can be reconstituted on the fundamental insights of the new philosophy Nietzsche's comprehensive depiction of this anti Platonic philosophy ends with a chapter on nobility in which he contends that what can now be publicly celebrated as noble in our species are its highest achievements of mind and spirit
