Borders of Equality Lee Sartain, 2013-02-22 A study of the Baltimore NAACP branch and its vanguard efforts including a detailed examination of its longtime president Lillie M Jackson Founding Martyr Christian Di Spigna, 2019-06-11 A rich and illuminating biography of America s forgotten Founding Father the patriot physician and major general who fomented

rebellion and died heroically at the battle of Bunker Hill on the brink of revolution Little has been known of one of the most important figures in early American history Dr Joseph Warren an architect of the colonial rebellion and a man who might have led the country as Washington or Jefferson did had he not been martyred at Bunker Hill in 1775 Warren was involved in almost every major insurrectionary act in the Boston area for a decade from the Stamp Act protests to the Boston Massacre to the Boston Tea Party and his incendiary writings included the famous Suffolk Resolves which helped unite the colonies against Britain and inspired the Declaration of Independence Yet after his death his life and legend faded leaving his contemporaries to rise to fame in his place and obscuring his essential role in bringing America to independence Christian Di Spigna s definitive new biography of Warren is a loving work of historical excavation the product of two decades of research and scores of newly unearthed primary source documents that have given us this forgotten Founding Father anew Following Warren from his farming childhood and years at Harvard through his professional success and political radicalization to his role in sparking the rebellion Di Spigna s thoughtful judicious retelling not only restores Warren to his rightful place in the pantheon of Revolutionary greats it deepens our understanding of the nation s dramatic beginnings Books in Print ,1991

Nelson,2012-12-01 As it is with many things in life when we have achieved the end goal the diploma the last degree there arises the question Now what For the young Master Mason who is looking to make his mark in the Fraternity this book is intended to answer the question Now what Lodge Leadership starts Masons young and old on the quest of becoming a better leader Detailed in the book is a five step program to help members prepare and execute the skills of an excellent leader The five step program starts with the investigation Brother Nelson explains some of the best methods used to execute a productive investigation Then Nelson presents the importance of being a mentor and clarifies ways to do it He challenges readers to learn the ritual with exactness and to study the code Each of these four chapters ends with three challenges to the

reader to help implement what they have read thereby refining their skills as a leader The fifth step to Nelson s Masonic Reform is leadership Nelson details preparations growth and maturity of leadership and how the reader can best serve and grow as a leader of their Lodge Again Nelson sets forth challenges to the reader to help prepare them for leadership within as well as without their own Lodge Finally Nelson concludes with sobering challenges and encourages the reader to question their motives and desires to lead Speaking plainly Nelson shows how we often allow for personal treason in our lives and how narcissism has crept into the order of the Freemasons Nelson has accomplished a raw guide to Masonic reform Re affirming the importance of learning and study in Freemasonry Nelson makes the very important point that it is ultimately the responsibility of the individual Mason to transform the leadership of the fraternity and propel the Freemasons into the new era
