*Freemasonry in the Thirteen Colonies* Jacob Hugo Tatsch, 1929      **Masonic Origins in New York 1737-1789** J. Hugo Tatsch, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      **Books in Print** , 1991      *Silas Deane, Revolutionary War Diplomat and Politician* Milton C. Van Vlack, 2013-05-07 Silas Deane was the victim of one of the most vicious character assassination conspiracies ever carried out in the Revolutionary War era Even after almost two and a half centuries he remains in the eyes of many modern historians worse than Arnold his boyhood friend This is very wrong Because Deane was such a capable individual in his endeavors very early in the war he became the political target of envious others with quite different abilities and philosophies Even so his political strength kept growing and in 1776 Congress appointed him America s first secret agent to secure military supplies from France for Washington s army This biography is written on the man himself and on the malicious and largely successful lies and intrigues by his rivals The work does not downplay the contributions of his contemporaries especially those of his close friend throughout Benjamin Franklin but shows exactly where specific credit should be placed A lot of credit for the new nation s success belongs to him      *Great Events from History: 15,000 B.C.-1819* Frank Northern Magill, 1997      *Dictionary Catalog of the Rare Book Division* New York Public Library.
