Masonry And Its Symbols:

Freemasonry its Symbolism, Religious Nature and Law of Perfection Chalmers I. Paton, 2023-07-13 Reprint of the original first published in 1873 *The Symbolism of Freemasonry* Albert Mackey, 2021-10-20 The Symbolism of Freemasonry Albert Mackey To study the symbolism of Masonry is the only way to investigate its philosophy This is the portal of its temple through which alone we can gain access to the sacellum where its aporrheta are concealed Its philosophy is engaged in the consideration of propositions relating to God and man to the present and the future life Its science is the symbolism by which these propositions are presented to the mind The work now offered to the public is an effort to develop and explain this philosophy and science It will show that there are in Freemasonry the germs of profound speculation If it does not interest the learned it may instruct the ignorant If so I shall not regret the labor and research that have been bestowed upon its composition Any inquiry into the symbolism and philosophy of Freemasonry must necessarily be preceded by a brief investigation of the origin and history of the institution **Masonry and Its Symbols in the Light of Thinking and Destiny** Harold Waldwin Percival, 1952 *Masonry And Its Symbols* By Harold Waldwin Percival, 2022-10-04 This ancient Order has existed under one name or another long before the building of the oldest pyramid It is older than any religion known today The author points out that Masonry is for humanity for the conscious self in every human body This book illuminates how any one of us can choose to prepare for the highest purposes of mankind Self knowledge Regeneration and Conscious Immortality **Masonry and Its Symbols in the Light of Thinking and Destiny** Harold Waldwin Percival, 1974 *Masonry and Its Symbols* Harold Waldwin Percival, 1983 Freemasonry Chalmers Izett Paton, 1873
