

THE MASQUE OF KINGS

A PLAY IN TWO ACTS

MAXWELL ANDERSON

Masque Of Kings

Baltimore Peabody inst, libr

Masque Of Kings:

The Masque of Kings Maxwell Anderson, 1937 **The masque of kings** Maxwell Anderson, 1939 **The Masque of Kings** Maxwell Anderson, 2013-10 This is a new release of the original 1936 edition Ben Jonson Richard Dutton, 2014-07-21 Interest in Ben Jonson is higher today than at any time since his death This new collection offers detailed readings of all the major plays *Volpone* *Epicene* *The Alchemist* and *Bartholomew Fair* and the poems It also provides significant insights into the court masques and the later plays which have only recently been rediscovered as genuinely engaging stage pieces *Discovering Stephen King's The Shining* Tony Magistrale, 1998-01-01 A survey of criticism on King's book and Kubrick's film adaptation *The Shining* Criticism and Compliment Kevin Sharpe, Kevin M. Sharpe, 1987 *Criticism and Compliment* examines the poems plays and masques of the three figures who succeeded Ben Jonson as authors of court entertainments in the England of Charles I The courtly literature of Caroline England has been dismissed by critics and characterised by historians as propaganda for Charles I's absolutism penned by sycophantic hirelings Kevin Sharpe questions the assumptions on which these evaluations have been based Challenging the traditional argument for a polarity between court and country cultures in early Stuart England he re-reads the plays poems and masques as primary documents of political attitudes articulated at court Far from being confined to a decade or a party the courtly literature of the 1630s is relocated within the broader humanist tradition of counsel Through the language of love a language it is argued that was part of the discourse of politics in Caroline England the court poets criticised fundamental premises of the King's political ideology and counselled traditional and moderate modes of government **Second catalogue, including the additions made since 1882** Baltimore Peabody inst, libr, 1896 *Visions of the Courtly Body* Christiane Hille, 2013-01-09 In 1603 the beginning of the Stuart reign painting was of minor importance at the English court where the elaborately designed masques of Inigo Jones served as the prime medium of royal representation Only two decades later their most celebrated performer George Villiers the First Duke of Buckingham had assembled one of the largest and most significant collections of painting in early seventeenth century Europe His career as the personal and political favourite of two succeeding monarchs James I and Charles I coincides with the commission of a number of highly ambitious portraits from the hands of Peter Paul Rubens and Anthony van Dyck that displayed his body in spectacular manner As the first comprehensive study of Buckingham's patronage of the visual arts this book is concerned with the question of how the painted image of the courtier transferred strategies of social distinction that had originated in the masque to the language of painting Establishing a new grammar in the competing rhetorics of bodily self-fashioning this recast notion of portraiture contributed to an epistemological change in perceptions of visual representation at the early modern English court in the course of which painting advanced to the central art form in the aesthetics of kingship The Progresses, Processions, and Magnificent Festivities, of King James the First John Nichols, 1828 **Second Catalogue of the Library of the Peabody Institute of the City of Baltimore,**

Including the Additions Made Since 1882 Johns Hopkins University. Peabody Institute. Library, George Peabody Library, 1899 **The Progresses, Processions, and Magnificent Festivities, of King James the First, His Royal Consort, Family, and Court** John Nichols, 1828 The Progresses, Processions, and Magnificent Festivities, of King James the First ... Collected from Original Manuscripts, Scarce Pamphlets, Corporation Records (etc.) John Nichols, 1828 **The Progresses, Processions and Magnificent Festivities of King James the First, His Royal Consort, Family and Court, Etc. [With Plates, Including Portraits.]** John Nichols (F.S.A., Printer.), 1828 **King James and the Theatre of Witches** Dawn Adrienne Saliba, 2022-04-08 This book presents a cultural analysis of King James I of England's evolving perspectives regarding witchcraft and his influence upon the witch plays of Renaissance England Early on during the Stuart monarch's reign in Scotland 1588-1591 James directed a fevered hunt of witches whom he believed were trying to assassinate him an event that later came to be known as The North Berwick Affair He played a direct role in the interrogations personally approving and at times overseeing the horrific torture of some of the accused In 1597 the monarch also penned a compendium of witchcraft lore entitled *Daemonologie* which acted as a manual for identifying interrogating and punishing witches Once the King ascended to the British throne London based dramatists endeavored to please their monarch with plays that catered to his interests while at the same time subverting his beliefs in witchcraft lore The King's works and involvement in witchcraft trials are notably referenced sometimes satirically in William Shakespeare's *Macbeth* Ben Jonson's *Masque of Queens* Thomas Middleton's *The Witch* and Dekker Rowley and Ford's *The Witch of Edmonton* all of which respond to the King's philosophical engagement with witchlore Through the analysis of four Jacobean witch plays and an examination of King James's role within the witchcraft debates and his involvement with contemporaneous witch trials this work shows how the monarch's various publications on witchlore transmuted stage and culture Taken as a group these dramas provide a window into the newly emergent humanism of the Renaissance world and its struggle with gender-driven categories especially regarding the cultural praxis of accusing torturing and executing witches *Shakespeare Survey: Volume 54, Shakespeare and Religions* Peter Holland, 2001-10-04 *Shakespeare Survey* is a yearbook of Shakespeare studies and production Since 1948 *Survey* has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of the previous year's textual and critical studies and of major British performances The books are illustrated with a variety of Shakespearean images and production photographs The current editor of *Survey* is Peter Holland The first eighteen volumes were edited by Allardyce Nicoll numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start For the first time numbers 1-50 are being reissued in paperback available separately and as a set *Tough Love* Kathryn Schwarz, 2000 An exploration into representations of the Amazon and how they were

essential to both homerotic and heterosexual social constructions in early modern English texts **Heterotropic Theatres**
 Russell West-Pavlov, 2025-05-26 This book seeks to elaborate a theory of troping that expands the purview of linguistic work
 and agency parsing its transformative work beyond the limits usually set by theories of language It registers a sea change in
 the theorization of theatrical art from representation to intervention The book thereby seeks to lay bare the activity of
 language as a heterotopology It focuses on early modern theatre from Shakespeare Hamlet Macbeth Romeo and Juliet
 Troilus and Cressida and other theatrical forms of the same era the Court Masque dramas by Ford or Johnson through to the
 Restoration it also reads a number of contemporary avatars of Shakespearean texts from Stoppard to Jones and of early
 modern and postmodern performance spaces such as the New Globe Theatre In a dozen readings of early modern theatre it
 asks how the remarkable energy and social purchase ascribed to theatrical language by contemporary commentators can be
 reconceptualized mobilized anew and thus harnessed for our own turbulent times **Spokesperson Milton** Charles W.
 Durham, Kristin Pruitt McColgan, 1994 Although the scholars represented in this collection apply different theoretical
 approaches to their examinations of Milton's poetry and prose they all challenge earlier critical assumptions and are
 evidence of the energizing dialogue that occurs when readers converse with each other and engage in dialogue with the
 many voices of a spokesperson such as John Milton BOOK JACKET **Compleat Catalogue of Plays that Were Ever**
Printed in the English Language, 1719 *The White King* William Henry Davenport Adams, 1889

This Captivating World of E-book Books: A Thorough Guide Revealing the Pros of E-book Books: A World of Ease and Versatility Kindle books, with their inherent portability and ease of availability, have liberated readers from the constraints of physical books. Gone are the days of carrying bulky novels or meticulously searching for specific titles in bookstores. E-book devices, sleek and lightweight, seamlessly store a wide library of books, allowing readers to indulge in their favorite reads whenever, anywhere. Whether traveling on a busy train, relaxing on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of convenience. A Literary World Unfolded: Exploring the Vast Array of Kindle Masque Of Kings The E-book Store, a virtual treasure trove of literary gems, boasts a wide collection of books spanning varied genres, catering to every reader's taste and choice. From captivating fiction and thought-provoking non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an unparalleled abundance of titles to explore.
